On February 14, 2019 I was working as a School Resource Officer assigned to the Groton Dunstable School District. At 0815 hours I was at the Middle School North when I was approached by Ann Russo (Middle School Assistant Principal). Russo told me that someone alerted her to a video of a [REDACTED] (6th grade student) handling firearms. [REDACTED] has posted the video to snap chat.

I viewed the video and observed the following: [REDACTED] is seen standing next to a table with four guns visible. He states "hey look at all these super awesome guns, I know I shouldnt be around these things (he picks up a pistol) but I dont really care (he pulls back the slide, points gun at head and laughs), but really, does anyone have a lighter so I can light my hair on fire, we got the best mix, we got weed (he raises what appears to be an unlit marijuana cigarette to his mouth) maybe thats why Im laughing so much, we have a gun (he raises a revolver and opens the chamber and closes it). The video ends.

I was already aware that [REDACTED] was not in class. I told Russo that she needs to call his mother and make sure he doesnt come to school. We proceeded to Kathy McCollumn (Middle School Principal) office. She was made aware of the incident. A called was placed to [REDACTED] mother [REDACTED]. She was informed of the video and told to keep her son home from school. [REDACTED] has a younger brother at the the Florence Roche Elementary School. Alison Sancito (Florence Roche Assistant Principal) was alerted to the video. She was asked to check in with [REDACTED] brother when he arrives at school to make sure he doesnt have any weapons. I informed Chief Luth of what was reported to me. Officer Candow arrived at the school and I cleared.

Sgt. Gemos, Detective Lynn and I responded [REDACTED] residence located at [REDACTED]. [REDACTED]. Upon our arrival on the property we proceeded to the house. We were met by [REDACTED] mother [REDACTED]. We asked [REDACTED] if we could speak with her daughter [REDACTED] and her grandson [REDACTED]. [REDACTED] yelled up stairs but no one responded. I asked [REDACTED] if we could go upstairs to check to see if anyone was home? [REDACTED] stated yes and brought us upstairs. While we were upstairs we realized [REDACTED] was in the bathroom. The bathroom door was closed and locked. [REDACTED] knocked on the door and told him that the police wanted to speak with him. [REDACTED] told his grandmother he was scared. Concerned for [REDACTED] safety I asked him to open the door. I told [REDACTED] if he did not open the door I would. [REDACTED] opened the door and we all went down stairs.

[REDACTED] was upset and I reassured him that we were at the house to make sure everyone was safe. At that same time [REDACTED] Mother [REDACTED] entered the room along with her boyfriend [REDACTED]. They were informed of why we were at the residence. [REDACTED] was asked where the firearms are from [REDACTED] video. She stated next door in her father [REDACTED] in law apartment. We were told [REDACTED] was in the ICU at the hospital. Detective Lynn spoke to both [REDACTED] and [REDACTED] in regards to turning over the firearms voluntarily. They both agreed to turn them over.

[REDACTED] and [REDACTED] took us to [REDACTED] apartment which is attached to the main house. Inside were two contractors working on the floors. The firearms were located in the corner of the kitchen. The firearms were all unsecure with trigger locks on them. Nine rifles were taken along with six handguns. With the firearms was miscellenous unsecured amunition. Officers took the amunition.

In the video it appeared that there was no trigger locks on the handguns when Logan was in possession of them. Initially [REDACTED] told me that [REDACTED] found a key and removed the trigger locks. Later [REDACTED]

boyfriend told me that he put trigger locks on the handguns after [REDACTED] handled them.

Detective Lynn inquired with [REDACTED] if there was any more firearms in the house. [REDACTED] told us that there were more firearms located on her side of the house in a secure closet. We were told the firearms had belonged to her deceased grandfather. We proceed back to that side of the house where [REDACTED] resides with [REDACTED] and her other son. [REDACTED] and [REDACTED] voluntarily agreed that we could take those firearms. [REDACTED] took us to an upstairs bedroom and opened a secure closet. We took possession of the firearms in that closet. Sgt. Gemos and Detective Lynn cleared from the residence and transported them back to the station.

I asked [REDACTED] if I could interview [REDACTED] in her presence. She stated yes. I asked [REDACTED] if he could tell me how he came in possession of the firearms. [REDACTED] told me he was in his grandfathers apartment. While in his grandfathers bedroom he opened a door to the tv stand. He located unsecured handguns. Thinking it was cool he picked one of them up. [REDACTED] described how he did not put his finger on the trigger and pushed the magazine release button. [REDACTED] told me the magazine fell to the floor. [REDACTED] proceeded to say he pulled the slide back discharging a round that was in the chamber. [REDACTED] said his mother did not notice him doing this because she was on the other side of the room. I asked [REDACTED] what he did next. [REDACTED] stated with his mothers knowledge he carried all of the handguns to the kitchen and put them on the kitchen table. I asked him where he learned on how to handle a gun? [REDACTED] stated he was familiar with a gun because she has instructed him how to safely handle a gun while target shooting on the farm.

In the video it appears [REDACTED] has a marijuana cigarette. I asked [REDACTED] if there was any marijuana in the house. Initially she stated no. Later she stated she was aware her father smoked marijuana. [REDACTED] told me he found the marijuana cigarette in his grandfathers bathroom. It is unknown what happened to the marijuana cigarette seen in the video with [REDACTED].

I called the Department of Children and families and spoke with Kathleen Boyson. Kathleen was informed of the video and the removal of all firearms from the residence. Kathleen recommended that [REDACTED] take [REDACTED] to the Nashoba Valley Medical Center for a [REDACTED]. Kathleen told me that they would not be responding to the residence as long as the mother complied.

[REDACTED] transported [REDACTED] to the Nashoba Valley Medical Center. I followed them up to the hospital and offered them my assistance. [REDACTED] was [REDACTED] and I cleared.

On February 15, 2019 at 0735 I met with Kathleen McClumnn (Principal Middle School) and Ann Russo (Assitant Principal Middle School) at the Middle School North. They told me who the student was that reported [REDACTED] in the video with handguns. He was identified as [REDACTED] (8th Grade Student). I asked Russo if I could talk with [REDACTED] and she stated yes.

At 0820 hours I spoke with [REDACTED] in Russo's Office. [REDACTED] told me he observed the video that [REDACTED] posted to Snapchat on Wednesday night (02/13/19). [REDACTED] saved the video and showed Russo on Thursday morning (02/14/19). Later in the day on Thursday [REDACTED] posted a second video after he was [REDACTED].

In the video [REDACTED]. [REDACTED] states "[REDACTED] and its [REDACTED] fault." [REDACTED] viewed the video on the school bus after school. Other students riding on the school bus with [REDACTED] may have seen the second video. Shortly after viewing the video [REDACTED] recieved a Snapchat message from [REDACTED]. The message read "I'm going to hurt you." [REDACTED] did not save the video or the message. I asked [REDACTED] if any one else saw the message and he stated "no."

[REDACTED] was reassured that he did the right thing and that he is safe. I later spoke with his father [REDACTED] and informed him of my conversation with his son. I told him there is an active investigation on everything that has been reported to the police.

On February 27, 2019 Detective Lynn stated he had spoke on the telephone with a male that identified himself as [REDACTED] father. His name was [REDACTED] ([REDACTED]). [REDACTED] made an inquiry into [REDACTED] criminal case. Detective Lynn did not give him any information because he had no way to confirm his identity. Detective Lynn referred him to me because it was my case.

I called [REDACTED] back and informed of the same. [REDACTED] told me he shares joint custody of [REDACTED] with [REDACTED]. I was told he lives in Pennsylvania and currently has [REDACTED] with him. [REDACTED] stated [REDACTED] will not be attending the middle school again and that he would be enrolled in Pennsylvania. [REDACTED] asked if we could Skype to confirm his identification to get further information. I told [REDACTED] I would call him back.

I called the Department of Children and Families and spoke to Erin Walker. Walker is assigned to [REDACTED] case. Walker told me that she met with [REDACTED] and [REDACTED] recently. Walker confirmed that [REDACTED] has joint custody of [REDACTED]. Walker was aware that [REDACTED] was going to Pennsylvania with his father. Walker gave me [REDACTED] date of birth, phone number and current address.

On February 28th, 2019 I called [REDACTED]. [REDACTED] supplied with me with information about himself which matched what Walker gave me. I spoke briefly about the charges being brought against [REDACTED] and the conversation ended.

On February 27, 2019 I spoke with Erin Walker of the Department of children and families. Erin informed me that she recently met with [REDACTED] and his father [REDACTED]. [REDACTED] mentioned that there was guns locked in a cabinet in his bedroom that the police did not get. [REDACTED] and her father [REDACTED] both have suspended License to Carry.

Detective Lynn placed a call to the attorney representing the [REDACTED] Family. On February 28, 2019 Detective Lynn spoke with Attorney Lilly. Lilly said he spoke to his client and he confirmed that there were some antique firearms that were not turned in to the police.

Detective Lynn and Attorney Lilly agreed that [REDACTED] could take possession of those firearms. [REDACTED] is the mother of [REDACTED] and has an active License to Carry. [REDACTED] resides on Townsend Road.
