### Narrative

Officers were dispatched to an address in the 1100 blk of W 7th St regarding a violation of a restraining order. Officers contacted the suspect and placed him under arrest and placed him in handcuffs for the violation of an active restraining order. While walking the suspect to a patrol vehicle, the suspect did not comply with the officer commands and started to pull away from the officer. The suspect was subsequently taken to the ground which he sustained a minor laceration to his lip. The suspect was transported to the hospital by EMS and later booked into the Kings County Jail.

## Narrative

**Narrative**

On 03/08/17, Officers responded to the Kings County Library in order to contact an unwanted male subject. Upon contacting the male, Francisco Naranjo, he continued to place his hands in his pockets. The Officer repeatedly told Naranjo to keep his hands out of his pockets. After Naranjo was told to keep his hands out of his pockets and refused to comply with the request, Officers attempted to detain him. While attempted to detain Naranjo, he clinched his fists, tightened up his arm muscles, and pulled away. The Officer at that time performed a leg sweep in order to gain control of Naranjo. While on the ground, Naranjo placed his hands under his body while lying on his stomach. The Officer began giving commands to Naranjo to place his hands behind his back however he would not comply. It was at this time that the Officer began punching Naranjo in the side of the head in order to gain compliance. Naranjo eventually complied with the demands of the Officer and placed his hands behind his back. An ambulance was called to the scene however, Naranjo refused medical services. Naranjo did not sustain any injury during the strikes to his head.

Narrative

Narrative

Officers were dispatched to Davis St and 11th Ave regarding a report of individuals physically fighting and there was a golf club being used. Officers were advised all involved parties had gotten into a white Navigator and a grey Honda Civic and was last seen near Roosevelt School. Upon arriving in the area the grey Honda Civic was seen fleeing the area. As officers got behind the vehicle a gun with a blue bandana wrapped around it was thrown from the passenger side window of the vehicle. Officers initiated a traffic stop in the area of 11th Ave and Thompson Dr, at which time a male suspect jumped out of the front passenger seat and fled on foot. The male suspect was later found hiding in the Amberwood apartments. When confronted, officers advised the suspect to show his hands, since it was unknown if he may have another gun. The suspect refused to comply with officers and attempted to flee again. An officer deployed his Taser at the suspect, causing him to fall on the grass near a building at 11270 Oakview Dr. While on the ground the suspect continued to resist officers and would not obey commands to show his hands, which were underneath his body. While one officer was trying to control the suspect's hands, another officer yelled at the suspect to give them his hands. An officer struck the suspect on the left side of his head with his elbow while repeating for the suspect to show his hands. The suspect finally gave up his hands and was ultimately taken into custody without further incident.

Officers were dispatched to the Hanford Amtrak for a report of a physical fight between four subjects. The reporting party stated that a male wearing a red shirt and jeans may be the one with a gun. Upon the Officers arrival he contacts a male matching the description and asked him to have a seat on the curb. The subject refuses to sit. The officer asks for him to place his hands behind his back and again the subject refuses. The Officers grabs the subjects wrist, but the subject resists the officer. The subject is punched once in the side and his taken to the ground before he was placed in handcuffs.

Officers responded to a report of a hit and run that had just occurred. Reporting party stated the male was walking away from the vehicle and was carrying a can of beer. Upon arriving, officers located the male still on scene. During the investigation officers attempted to conduct FST's but the male refused. He was very upset and yelling at officers. He was taken into custody and placed in the back seat of a patrol unit. The male was yelling and began kicking the back window of the patrol vehicle. The male was told to stop kicking the window several times but would not stop. Each time the male kicked the back door of the patrol vehicle the top of the door would bow out. Officers felt the male was trying to escape custody so the male was warned to stop or he would be pepper sprayed but he continued. In an attempt to overcome the male's resistance and keep him from escaping, he was pepper sprayed. The male was transported to Kings County Jail and medically cleared by EMS. The male was booked for Vehicle Code section 23152(a) as well as PC 594 (b)(1).

## Narrative

**Narrative**

Officer was attempting to book a female into the Kings County Jail, when he discovered what he believed to be a syringe, concealed in her sweatshirt sleeve. He attempted to retrieve the item and told her not to move. The suspect also attempted to retrieve the item. Fearing that it was a needle and he could be stuck, the Officer used force to take the female down to the ground. He was then assisted by Officers from other agencies who were in the booking area.

#### Narrative

Officers responded to 11th Avenue and Highway 198 to assist CHP regarding three pit bulls causing a road hazard on the highway. Officer attempted to gain control of the pit bulls until Animal Control could arrival. During the incident two of the pit bulls began to get aggressive toward officer by barking, growling and taking a "crouched attack position". One pit bull got within 2 feet of an officer. The officer pulled out his duty weapon as the dog jumped up to bite the officer. Officer fired one round from his service pistol striking one of the dogs. The other dog ran away. Officer also deployed his taser on the second dog hoping to get control of the animal, but missed. Animal Control arrived on scene and was able to deploy another taser shot on the dog and snare it.

## Narrative

**Narrative**

An officer went out to 685 S Olive Ave in Hanford to attempt to locate a suspect on an 836 for 211 that occurred on 3/24/18. The suspect opened the front door of the residence and when confronted, the suspect backed away from the officer towards the front door of the residence. The officer had advised the suspect they were under arrest and believed the suspect was attempting to retreat into the residence. The officer grabbed the suspect and pulled her out of the entryway while advising her she was under arrest. The suspect refused the listen to the officer and ultimately was taken to the ground, where she was handcuffed.

## Narrative

### Narrative

Officers were dispatched to a residence in the area of the 2100 Blk of W Bristol Ct regarding a report of spousal abuse. Upon officers arrival they contacted the suspect who was located in the front yard of the residence. The suspect did not comply with officers commands and officers had to kick his feet from underneath him. While the suspect was going down to the ground he grabbed an officer firearm. The officer struck the suspect once for weapon retention. The suspect was later arrested and transported to AMC for medical clearance.

### Narrative

#### Narrative

Officers were dispatched to an address regarding a disturbance. Upon officers arrival they learned that the disturbance was between a mom and her daughter. Officers were told that a third subject (female juvenile) that was at the residence did not live there and was not welcomed at the residence. Officers told the female that she needed to leave the residence and she was no longer wanted at the residence. The female refused to leave and was later taken into custody for trespassing. The female was handcuffed and placed into the backseat of a patrol vehicle where she was later able to slip out of her cuffs. Officers removed the female out of the vehicle and re-handcuff the female. At this time the female attempted to assault the officers but was taken to the ground, which caused her to scrape up her knees.

## Narrative

### Narrative

Officers responded to a call of a physical fight involving about ten subjects with a mention of a gun. Upon arrival three subjects were contacted and refused to stop for the officer. Further attempts to get them to stop failed and one of the three subjects had to be taken to the ground. the subject continued to physically resist and was kicking at the officers. He was eventually tasered and struck by the officers in order to gain control of him and place him in handcuffs. The subject was later determined to be a juvenile.

### Narrative

#### Narrative

Officer contacted the passenger of a vehicle in a traffic stop. When asked to exit the vehicle and sit on curb the passenger refused to comply. The officer took the subject to the ground, during that time the suspect grabbed the officer's arm and would not let go. He was struck in he wrist with a flashlight and taken into custody. While walking him to the patrol unit he attempted to pull away from officers. The suspect was pinned against unit 20 to prevent him from getting away causing a small dent the the passenger front wheel wheel and scratches from the handcuffs.

**Narrative**

**Narrative**

Officer Ragsdale responded to 2045 North Burl for a report of a mentally unstable schizophrenic man named Stephen Delgado, who was attempting to force his way into his mothers residence (Theresa Castleman). Upon arrival Delgado was speaking about unknown spiritual things and not making clear sense. He and his mother both said he has episodes of hallucinations. When his mother opened the door to speak to Officer Ragsdale; Delgado pushed his way through and ran inside the home. Officer Ragsdale immediately gave chase and commanded Delgado to stop. Delgado ran into one of the bedrooms and would not show Officer Ragsdale his hands nor comply with allowing Officer Ragsdale to detain him. Officer Ragsdale, meeting resistance when attempting to handcuff and detain Delgado, continuously commanded Delgado to lay on he ground and to show his hands. Delgado refused to comply and show or place his hands behind his back. After seven times commanding him and warning him of being tased, Officer Ragsdale utilized his taser and drive stunned Delgado for approximately 1 to 2 seconds on his left hip area. After being tased Delgado complied and was transported to the Hanford Adventist Medical Center for a mental evaluation. NFI

## Narrative

### Narrative

Hanford P.D. Officers, including Parole Agents and the District Attorney's investigators were searching a homeless encampment for a known parolee at large. During the search the Officers located the male, Christopher Mays, who was not complying with their orders. At one point Christopher was exiting his tent where was attempting to hide from the Officer. At that point an Officer deployed his taser which was not effective and Christopher Mays ran. There was a short foot pursuit which ended with Christopher Mays being taken into custody. It should be noted that Officer Barker's body worn camera was on during the time of the contact and taser deployment. It should be noted that there was also a Parole agent on scene at the time of the foot pursuit who also utilized his taser. The Parole agents taser probe struck Christopher in the right side of his face (cheek) causing Christopher to be taken to the hospital.

### Narrative

#### Narrative

ON 01/04/20, at approx 0304hrs, The Central Valley Regional Swat team (CVRS) was deployed to the residence of 501 Hazelwood ct in Lemoore regarding a male who had shot several rounds at LPD Officers surrounding the residence. Upon arrival on scene the CVRS team began to deploy chemical agents (Gas) into the residence at approx 0302hrs. Once the Gas was deployed, Teddy Mata (s) exited the front door of this residence and began to flip off the swat operators surrounding the house. He was ordered multiple times to drop down to his knees but would not comply. It was at that time HPD SWAT operator deployed his taser striking Mata with only one prong in the upper left side of his back. The other prong missed causing the taser to be ineffective. The taser prong was later removed by medical staff due to Mata being transported to RMC in Fresno. It should be noted that Mata was bit by a Kings County K-9 during the altercation.

### Narrative

**Narrative**

Officers deployed a taser when the suspect failed to comply with officers on a felony traffic stop. Suspect made comments to police that they would need to shoot him because he would not comply. After being tased several times, the suspect was still fighting with officers and actively resisting arrest. Dog deployment was used on the suspect resulting in a dog bite to the suspects left ankle. Suspect was taken into custody.

### Narrative

#### Narrative

Officers were dispatched to 361 E Grangeville Blvd regarding a male, Anthony Valdovinos, who was covered in blood and screaming. Upon officers arrival Valdovinos ran towards officers. Officers attempted to restrain Valdovinos but he was able to escape. Officers chased after Valdovinos catching him a short distance away. Valdovinos attempted to bite an officer and actively resisted arrest. A police K9 was deployed engaging Valdovinos on his right calf area. Valdovinos was able to be take into custody and transported to Kaweah Delta. Two involved officers sustained minor injuries and blood exposures and one involved officer received an abrasion to his left knee as a result of the struggle to arrest Valdovinos. Patrol unit 31 sustained a dent on the passenger side front quarter panel as a result of Valdovinos and officers colliding with the unit during the struggle.

Officer attempt to make a traffic stop, which vehicle failed to yeild even after lights and sirens were activated. Officers shut down lights and siren since the Probable cause for the stop was a minor mechanical violation and the vehicle was now travelling at a high rate of speed. Officers located vehicle, which apparently hit a curb and disabled the vehicle. Driver fled on foot from the scene. Officers set up a perimeter and a K9 was used to track the suspect, where the suspect was bit by the K9 and received minor lacerations. suspect was booked into KCJ.

### Narrative

**Narrative**

Officers deployed a taser when the suspect failed to comply with officers on a felony traffic stop. Suspect made comments to police that they would need to shoot him because he would not comply. After being tased several times, the suspect was still fighting with officers and actively resisting arrest. Dog deployment was used on the suspect resulting in a dog bite to the suspects left ankle. Suspect was taken into custody.

### Narrative

#### Narrative

Officers were dispatched to 361 E Grangeville Blvd regarding a male, Anthony Valdovinos, who was covered in blood and screaming. Upon officers arrival Valdovinos ran towards officers. Officers attempted to restrain Valdovinos but he was able to escape. Officers chased after Valdovinos catching him a short distance away. Valdovinos attempted to bite an officer and actively resisted arrest. A police K9 was deployed engaging Valdovinos on his right calf area. Valdovinos was able to be take into custody and transported to Kaweah Delta. Two involved officers sustained minor injuries and blood exposures and one involved officer received an abrasion to his left knee as a result of the struggle to arrest Valdovinos. Patrol unit 31 sustained a dent on the passenger side front quarter panel as a result of Valdovinos and officers colliding with the unit during the struggle.

Narrative

Officer attempt to make a traffic stop, which vehicle failed to yeild even after lights and sirens were activated. Officers shut down lights and siren since the Probable cause for the stop was a minor mechanical violation and the vehicle was now travelling at a high rate of speed. Officers located vehicle, which apparently hit a curb and disabled the vehicle. Driver fled on foot from the scene. Officers set up a perimeter and a K9 was used to track the suspect, where the suspect was bit by the K9 and received minor lacerations. suspect was booked into KCJ.

## Narrative

### Narrative

#### Summary:

Officers were initially dispatched to the area of 230 E. Malone St. or 1315 N. Brown St. for a 911 call with a female yelling at someone to leave the house. Dispatch received multiple open line 911 calls from the same number. There was a female telling a male to stop and leave. There was mention of a knife and dispatch believed they heard a struggle on the open call. When officers arrived in the area they heard a loud argument and a female screaming from inside 1315 N Brown St. Apt. D. Officers entered the apartment through an unlocked security screen. Officers proceeded to a bedroom where they observed a male, Eliezer Enriquez, on top of the female victim. Offices were able to get Enriquez off of the female. Pepper spray had been deployed inside the residence by family members of the victim prior to the officer's arrival. Officers were overcome by the pepper spray and exited the residence. Enriquez barricaded himself in the bedroom. Eventually, Enriquez exited the residence and began walking towards the front door where officers were positioned. Enriquez was holding a knife as he walked toward the officers. A taser was deployed causing him to fall to the ground. Enriquez continued to resist arrest and an officer struck Enriquez in the body with a closed fist.

#### STATEMENT (Enriquez)

Enriquez was uncooperative with officers and didn't make any statements. Upon my contact with him, he did not want to speak with me.

#### INVESTIGATION

My investigation is a summary of information obtained at the scene, prepared police reports, evidence collected, and body-worn video.

Officers Quilty and Orosco were initially dispatched to the area of 230 E. Malone St. or 1315 N. Brown St. for a 911 call with a female yelling at someone to leave the house. Dispatch had received three calls from this same phone number. While Officers were en route to the call, dispatch received another open 911 call with a female saying stop and leave. Dispatch received additional calls where the female was screaming at a male to stop. Dispatch could hear a male in the background yelling at the female. Dispatch believed they heard a struggle on the open 911 line and someone saying something about a knife.

When officers arrived on the scene, they initially thought the 911 call was coming from a rear apartment. As they were passing 1315 N. Brown St. Apt. D they heard some sort of yelling and banging coming from this apartment. As officers got closer to the apartment, they observed the screen door was closed and the main door was open. Officers were clearly able to hear some sort of struggle occurring inside the apartment. They heard a female's voice yelling and what appeared to be a male groaning. Officers were able to hear thrashing inside the apartment. A male juvenile came running to the screen door and unlocked it and appeared to say "Help". Officers opened the security screen door to check the welfare of the occupants inside. As they opened the screen door, a male later identified as a family member of the victim rushed past officers into the apartment. Officers followed the male into the living room and then down the hallway to a bedroom. As Officers entered the apartment they quickly were met with what they believed to be pepper spray in the apartment.

Officer Orosco observed a male, Enriquez, and the female victim holding each other and thrashing around on the ground in a wrestling manner. Orosco ordered them to stop, but Enriquez continued to grab the victim. Due to Orosco being overcome by the pepper spray, he struck Enriquez with the right heel of his foot in the upper torso area of Enriquez. This caused Enriquez to lose his balance and fall off of the victim. Orosco was able to free the victim from Enriquez's grasp. At this point, Quilty grabbed the victim and helped extract her from the bedroom and ultimately out of the residence. Quilty, Orosco, and the family inside the residence all exited the apartment due to the pepper spray. This left Enriquez inside the apartment.

Officers quickly determined Enriquez had committed PC273.5(a) against the female victim. The victim's teenage children had sprayed pepper spray in an attempt to stop Enriquez from assaulting their mother.

Officers negotiated with Enriquez for over 20 minutes in an effort to get him to surrender peacefully to officers. At one-point officers observed Enriquez drinking from a large bottle of Fireball whisky at the bedroom window. It was reported Enriquez had possibly been armed with a knife during the attack on the victim. This information was relayed over the police radio to officers on the scene. Officers were positioned at the front door to the residence, the rear, of the residence, and the sides to limit the possibility of escape. Officers were armed with both lethal and less than lethal options including Taser and 12 gage Beanbag munitions. Hanford Fire personnel and EMS were on the scene treating those who were exposed to the pepper spray. They were also staged if necessary to render aid to Enriquez.

Officers Levin, Sitter, Vilella, and Sgt. Vallin were at the front door of the residence when Enriquez entered the living room from the hallway. Enriquez was armed with a knife and was holding the large bottle of Fireball whisky. Officers began giving Enriquez commands to drop the knife. Enriquez dropped the knife and began taking a large drink of the whisky. Levin observed what he believed to be an out-the-front-style knife still in Enriquez' hand. Levin told Vilella Enriquez still had a knife. Vilella had his Taser armed with the lasers on Enriquez. Vilella announced Taser three to five times then deployed his Taser probes striking Enriquez in his mid to upper torso area and in his upper right leg area. This caused Enriquez to drop the whisky and fall to the ground in the hallway area. Officers rushed in to arrest Enriquez. When officers got to Enriquez he was lying face up. Officers turned him over. Enriquez failed to follow commands and give officers his hands, one of which was under his body. Sitter delivered multiple closed fist strikes to the left side of Enriquez' ribs to gain compliance. Officers were able to get Enriquez' hands behind his back and into handcuffs.

Enriquez was taken out of the residence to waiting fire personnel. Enriquez was uncooperative and refused any treatment from them. Sgt. Barker removed the taser probes from Enriquez under the supervision of fire personnel. When Enriquez was arrested he had an existing laceration to the left side of his back near his shoulder. It is unknown how he sustained this injury. There is no indication this injury was a result of the officer's actions.

Enriquez was transported to AMC for medical treatment and jail clearance. Photographs of Enriquez' injuries were taken by Orosco. He was eventually cleared for housing and transported to KJC and booked for PC273.5(a) and PC148(a)(1).

What Levin believed to be an out the front knife turned out to be a vape e-cigarette. The vape was collected and photographed.

All body-worn videos, photographs, and Taser logs are in evidence.com under Case #H2202532.

**BODY-WORN VIDEO**

I reviewed the body-worn video of the incident. I found out that Orosco did not have video of the initial contact with Enriquez. Quilty's body-worn video captured Orosco's actions and use of force. Vilella's body-worn video captures his use of force and Taser deployment. Sitter's body-worn video captures his use of force. Sgt. Vallin's body-worn video also captures Vilella's Taser deployment. Levin did not have body-worn video of the incident. There are numerous other body-worn videos that include non-use of force actions by officers on the scene.

**CONCLUSION:**

Based on the totality of the circumstances of this incident, I formed the opinion the strike delivered by Orosco, the Taser deployment by Vilella, and the multiple strikes by Sitter were within Hanford Police Department policies including but not limited to Use of Force Policy section 300 and Taser Guidelines Policy section 309. It is my opinion Orosco, Sitter, and Vilella's use of forces were justified under the Use of Force

policy section 300.3; "Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a)." The use of the heel strike by Orosco and the fist strikes by Sitter is justified under the Use of Force section 300.3 for improvised weapons; "It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the approved or authorized tools, weapons, or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose."

Villela's use of force relating to the deployment of his Taser is in my opinion justified under the Taser Guidelines policy section 309.3, 309.4.1, 309.4.2, and 309.4.4. Verbal and Visual warnings were given prior to the application of the Taser by Villela. Several of the factors outlined in 309.4.1 including the conduct of the individual, influence of drugs/alcohol, proximity to weapons, the seriousness of the suspected offense, potential of injury to officers and suspect, and risk of escape. Villela targeted the appropriate areas based on the circumstances presented to him. Prompt care was provided to Enriquez after the Taser deployment.

## Narrative

### Narrative

#### SUMMARY:

On 07/22/22, at approximately 4:35 AM the Central Valley Regional Swat Team was requested to respond to 14865 18th Ave in Lemoore for an armed barricaded suspect. The swat team was provided informed from Lemoore Pd that the suspect, later identified as Jimmy Magana, had leg bailed from a vehicle after being pursued and was reported to possibly been armed with a firearm.

Upon arrival at the location (14865 18th Ave) Magana was located in the back yard of the residence. A small team, to include a K-9, where moved up to that location to get in a better position. Magana then moved out of the backyard to a large shop also located at the back of the property.

Crisis Negotiations Team (CNT) attempted to speak with Magana but he wouldn't engage in conversation with them. Magana began walking between the large shop and the fence to the backyard.

This area had several trees and was providing some coverage. When Magana emerge from the trees he was walking towards the small team and K-9, who had moved up to the back fence. Magana presented a knife and was ordered several times to drop it but he did not comply. The K-9 was released and bit the back of Magana's right leg. Magana then tried to stab the K-9 several times before officers were able to get up to Magana. Sergeant Allen kicked Magana in the head in an attempt to get him to stop stabbing the K-9 and Cpl Cano kicked Magana in the shoulder area in an attempt to get him to drop the knife.

Magana was taken into custody and medical was immediately requested due to being bit by the K9 and kicked. The Ambulance, which was staged nearby, responded to the scene and assessed Magana's injuries.

I observed the knife, Magana was stabbing the dog with, on the ground where he was taken into custody.

#### STATEMENTS:

(Magana): No statement was obtained due to medical treatment being given and Magana was transported to the hospital.

**INVESTIGATION:**

My investigation is a summary of information obtained at the scene, prepared police reports, evidence collected, and body worn videos.

Sergeant Allen and Corporal Cano were initially sent to 14865 18th Ave in Lemoore California as part of the Central Valley Regional SWAT Team. Lemoore Police department had requested the SWAT team after a male, later identified as Magana, leg bailed from a vehicle after a pursuit. The male stated to law enforcement that he had a gun in his possession and reached towards his waistband. Lemoore Police Department and the Kings County Sheriff's Office set up a perimeter and located Magana in the backyard of 14865 18th Ave. The elderly occupant of the residence was contacted and confirmed that she lives there alone and no one else should be on the property. Due to the circumstances surrounding the pursuit and Magana stating he had a gun, the SWAT team was requested.

Upon arrival of the SWAT team, a drone was used to locate Magana, who was still in the backyard of the above stated residence. Small teams were sent to the back of the property, the southwest corner of the backyard, and the northwest corner of the backyard. Magana then exited the backyard and entered a large shop building located on the east end of the property. The small SWAT elements pushed forward to get closer to Magana as he maneuvered around near the shop.

Contact was made with Magana and he requested to speak with CNT. A small element of crisis negotiators moved up to the fence line, just north of the shop, and attempted to speak with Magana. He was not wanting to talk much and eventually walked away from them. He entered a tree line that ran between the shop and the backyard fence which provided him with some coverage. As Magana emerged from the tree line he presented a knife and was walking towards officers. After several commands by officers for him to drop the knife, Magana would not comply and continued towards the shop door. At that time, the K-9 handler, Corporal Cano, felt Magana presented a safety risk to everyone on scene if he entered into the shop. Magana was reported to have had a gun and it could have been stored in the shop area he was walking to. The decision was made to not let Magana enter back into the shop and the K-9 was released in order to apprehend the Magana who was still holding the knife.

As the dog was released, Magana attempted to enter the shop building. The dog bit Magana on the back of his right leg at which time Magana turned and tried to stab the K-9 in the neck area. Officers moved up towards Magana, and fearing for the K-9's life, they engaged with Magana. Magana had fallen to the ground, in the doorway of the shop, still trying to stab the dog. Sergeant Allen used his foot to kick Magana in the upper shoulder / head area. This was the area Sergeant Allen could engage with due to the dog still biting Magana in the leg area and other operators around. Corporal Cano also engaged with Magana kicking him with the bottom of his boot, in the should area, in order to get Magana off balance and to hopefully get him to drop the knife. Magana was eventually taken into custody.

**BODY-WORN VIDEO:**

A review of the BWV showed officers telling Magana to drop the knife as he walked out of the tree line towards the shop. Corporal Cano releases his dog as Magana was getting close to entering the shop. You can see Magana turn and fall in the door area of the shop as operators are moving up to him. You can hear officers yelling at Magana to not stab the dog. You can see an operator kicking Magana with the bottom of his boot which is consistent with Corporal Cano's report. You can see Magana get put face down on the ground and taken into custody. You can also see the dog biting Magana in the back of his right leg.

**CONCLUSION:**

**Case Number**

**Related Incident #**  
L2202584

Officers assigned to the Central Valley Regional SWAT team responded to a high risk call for service where the suspect, Magana, was believed to be armed with a gun and on the property of a individual that did not know him. After several attempts to get Magana to surrender, he refused and at one point pulled out a knife. Magana posed a threat to officers on scene and refused to drop the knife, even after being ordered to several times. Magana was trying to move to a position of concealment when the decision was made to use the K-9 in order to apprehend him. It is my opinion that the use of the K-9 to apprehend the suspect was reasonable based on the totality of the circumstances. The dog was used to apprehend the suspect and during that apprehension the suspect attempted to stab the K-9. Officers were in fear for the K-9's life and moved up to engage the suspect and save the K-9 from injury and possible death. Sergeant Allen and Corporal Cano used their feet to kick the suspect who was on the ground attempting to stab the K-9. It is my opinion that the amount of force used by the two officers was reasonable based on the totality of the circumstances and fearing for the dogs life.

**Summary:**

Officers were investigating a criminal threats case on Aug. 2nd, 2022 where Lisa Despres was alleged to have

threatened to shoot her property manager in the head. This was the culmination of a landlord/tenant issue where Despres is facing an eviction from her apartment. Ofc. Quilty investigated the matter and developed probable cause for an arrest of Despres. Officers and I responded to Despres' apartment in order to effect an arrest on her for PC 422. Officers were acknowledged by Despres at the doorway but was concealed behind a security screen door. She refused to submit to the arrest and locked herself inside her apartment while berating officers.

A Ramey Warrant was authored and obtained for Despres' arrest. As officers obtained the warrant, officers at Despres' apartment stated she was located outside the apartment. She was contacted and refused to submit to the arrest with the warrant. She attempted to close her door on officers and appeared to be readying to flee. Officers grabbed her left arm, pulled her from inside the vehicle to the ground where she was arrested. She was taken to AMC for jail clearance where she was diagnosed with bone fracture to her shoulder.

**STATEMENT (Despres)**

Upon being made aware that Despres was possibly injured during the struggle with officers, I responded to AMC in order to perform an administrative interview. Upon my contact with Despres I noticed she was clutching her left arm. It should be noted her interview was captured on my body worn video camera. I also obtained six photographs of Despres and it did not appear that she wanted to submit to additional photos as she turned away from me.

I advised her I was the sergeant on duty and I was present for her arrest. I asked why she did not submit to the arrest even when presented with a warrant. She replied that she did not do anything wrong. I asked if she felt that gave the right to not comply. She responded, "to officers", "Probably not". I advised her the circumstances around her arrest and the obtaining of the warrant. I asked if she felt officers were "out of line" with their conduct. She responded that she had nothing to say.

**INVESTIGATION**

It should be noted I was present for the arrest of Despres on this matter. When we realized Despres was not going to come to the door and submit to our demand for arrest, I made the decision for officers to write a Ramey Warrant. We left Ofc. Morales at the apartment to maintain surveillance while officers completed the arrest warrant. At about 1400 hours, Ofc. Quilty obtained a Ramey warrant in order to arrest Despres. We were advised by Ofc. Morales that Despres exited the apartment and he was with her in front of the apartment.

Upon my arrival, I saw Ofc. Morales and Bursiaga speaking with Despres as she was seated in the driver side of her vehicle. Cpl. Medeiros was also at the door speaking with her. I noticed Cpl. Medeiros had positioned his vehicle behind Despres'. As officers were speaking with Despres, I could hear them telling her she was under arrest and she was yelling that she did nothing wrong. I presented the Ramey Warrant for her and stated there was a warrant for her arrest. Ofc. Medeiros told Despres to exit the vehicle and told her she was under arrest. She yelled "No", then attempted to close the door on Ofc. Medeiros. He pushed the door open and grabbed Despres by her left arm. He pulled her left arm and she fought against him by pulling away from him. Ofc. Bursiaga and Ofc. Medeiros were able to grab her arms and pull her out of the vehicle.

Despres was pulled from the vehicle to the ground with her stomach down. I watched Ofc. Bursiaga, Medeiros, and Morales easily place her hands behind her back. She was placed in handcuffs, lifted up and placed inside a vehicle within two minutes in my best estimation. Despres did not have a complaint of pain or state any injuries to me.

I was later contacted by Ofc. Quilty, who told me that Despres had a complaint of shoulder pain. The jail was requesting a medical clearance for Despres. She was taken to AMC by Ofc. Quilty where she was diagnosed with a bone fracture to her left shoulder.

**CONCLUSION:**

**Case Number**

H2203773

**Related Incident #**

Based on the totality of the circumstances of this incident, I formed the opinion the conduct of officers was within the use of force policy (Use of Force 300) of this department. The officers were met with a suspect with a Ramey arrest warrant for criminal threats who refused to submit to the arrest. Under policy 300.3.1, a peace officer may use objectively reasonable force to effect an arrest, to prevent escape or to overcome resistance. In this case, officers used an array of tactics to include de-escalation and plead with the suspect to submit prior to effecting the arrest. Officer grabbed Despres as she tried to close her vehicle door on them to flee. This was within the use of non-deadly force policy and allowed officers to arrest Despres in a quick and concise manner. I don't know how her injury was caused or if it was caused by the arrest or a previous event.

From: Cpl. Ruben Cano

Subject:Use of Force (HPD Case H2204138)

#### SUMMARY:

Officers investigated a domestic violence incident involving Caseall Reed and Destiny Natividad. During the investigations Reed did not comply to the Officers commands and ran from the Officers. Officers tased Reed as he ran back in the direction of Natividad. One taser probes struck Reed on his mid back and the second probe got tangled in his hair but never made penetration Reeds scalp. When Reed was tased he fell to the ground and hit his head. When Reeds head to hit the ground, it caused a large laceration to left side of his forehead. Reed was treated for his injuries and cleared by the Hospital staff.

#### INVESTIGATION:

On August 23, 2022 at around 1038 hours, Officers were dispatched to the 800 block of N. 11th Ave, regarding a possible domestic violence incident where a male subject was seen striking a female subject inside of a white Ford Fusion. The vehicle was last seen parked in the Oil changers parking lot (800 N 11th Ave). Officers Fogal arrived on scene and located the mentioned vehicle bearing California license plate (9ASJ307). Officer Fogal observed a shirtless black male adult (BMA) later identified as Caseall Reed entering the front passenger seat of a Ford Fusion. As Officer Fogal approached the vehicle he observed Reed exit the vehicle out of the front passenger seat and then observed Reed run in the direction of N. 11th Ave, away from the scene. Officer Fogal contacted the female driver of the vehicle who was later identified as Destiny Natividad. During his contact with Natividad she mentioned that Reed was her boyfriend and that Reed had spit on in her face and pulled her hair prior to Officer Fogal arriving on scene.

While Officer Fogal was gathering this information from Natividad, Reed returned to the scene with his hands in his pockets. Officer Fogal began giving Reed commands to remove his hands from his pockets, but Reed did not comply and continued to advance towards Officer Fogal and Natividad. Officer Fogal made an effort to speak with the Reed and gather information regarding the incident but Reed refused to acknowledge Officer Fogal. At this time Reed continued to close the distance between himself and Natividad. Officer Fogal made an attempt to stop Reed from advancing any closer to Natividad by trying to grab ahold of Reeds arm. While attempting to grab Reeds arm, Officer Fogal instructed Reed to place his hands behind his back as he reached for Reeds right arm. Reed pulled his arm away from Officer Fogal preventing Officer Fogal from being able to grab ahold of him. Reed then told Officer Fogal multiple time not to touch him. Reed assumed a fighting stance by positioning his legs in a bladed stance with clinched fist. Reed began shuffled back and forth and side to side as Officer Fogal attempted to place Reed under arrest. Reed then told Officer Fogal to shoot him and that Officer Fogal was going to have to shoot him. Reed then Ran in the direction of Natividad bypassed her and started to run eastbound in the direction of 11th Ave.

As Reed ran from Officer Fogal, Officer Villela arrived on seen and witnessed Officer Fogal chasing Reed. Officer Villela had prior knowledge of Reed and had dealt with him the day prior. Officer Villela had knowledge that Reed had an active Criminal Protective Order against him which restricted Reed from having any contact with Natividad. Officer Villela chased after Reed with Officer Fogal. During the Chase Reed changed direction and began running back in the direction of Natividad. Officer Villela elected to deploy his taser to quickly apprehend Reed to prevent any further injury towards Natividad and effect an arrest.

Once Officer Villela's taser was deployed one of the taser probes struck Reed on back and the second probe get tangled in his hair but did not penetrate the scalp. The taser deployment immediately neutralized him

from advancing any further in Natividad’s direction. Reeds momentum carried him forward causing him to fall to the ground. The left side of Reeds head contacted the ground when he had fallen which caused a laceration to the left side of Reeds forehead. Once Reed was placed in handcuffs, Officers immediately notified a supervisor, requested for EMS and started treating Reeds head injury by applying pressure to the wound.

I contacted Reeds and asked him what happed. Reed advised me he wasn’t able to leave the way he wanted to leave and that Natividad was playing games with him. I asked Reed what happened between him and the Officers. Reed stated Officers were trying to detain him and he wasn’t trying to be detained.

I contacted Natividad and asked her what she witnessed during the incident. Natividad explained Reed assaulted her by spitting on her and pulling her hair. Natividad advised me when Officer Fogal arrived on scene Reed made a statement to her prior to Officer Fogal making contact with them. Reed told Natividad, watch I’m going to make this shit worth it, watch bitch. Reed then exited the vehicle and ran towards 11th Ave. Natividad stated an Officer tased Reed because he kept trying to come close to her. Natividad heard Officers telling Reed not to come close to her but Reed continued to take more steps towards her. Natividad advised me Officer Fogal tried to stop Reed from advancing towards her by placing his hand in front of Reed and telling him to back up. Reed then swatted Officer Fogal’s hand away from him and told Officer Fogal not to touch him. Reed then ran from the Officers which lead to the Officers tasing Reed. While describing the tasing Natividad imitated what happened to Reed once he was tased. From a seated position Natividad started to lean forward and brought her right hand to her head indicating that Reed had fallen forward and hitting his head.

**EVIDENCE:**

Body worn video and photographs are located in evidence.com Case #H2204138.

**CONCLUSION:**

After speaking with the involved Officers, reviewing the involved Officer’s reports and reviewing the body worn videos of this incident, it is my opinion that the Officers involved acted within the Hanford Police Department policy pertaining to the use of force (Use of Force 300). Officers encountered an irate and uncooperative male believed to be the primary aggressor of a domestic violence incident. The suspect (Caseall Reed) refused to submit to the arrest. Under Policy 300.3.1, a peace Officer may use objectively reasonable force to effect an arrest, to prevent escape or to overcome resistance. During this incident Officers used different techniques to gain compliance prior to effecting the arrest. The suspect did not comply to the Officer’s commands during their contact. The suspect fled from the Officers on foot and the Officer chased the suspect. During the foot chase, the suspect was running in the direction of the victims. Officers elected to utilize a taser and acted within the use of non-deadly force policy. The utilization of the taser allowed the Officers to quickly arrest Reed which prevented escape and prevented any further harm to Natividad. I believe the use of force during this incident was reasonable and is justified.

### Narrative

#### Narrative

Officer Deployed his taser during a call for service regarding a homeless male, later identified as Rafael Pena, trespassing in the Cost Less Food parking lot. During the contact with Pena, he was armed with a metal rod and challenged the Officers on scene to a fight while taking a fighting stance. Due to the circumstances perceived by the officer at the time, the Officer deployed their taser in order to effect an arrest and overcome potential resistance.

unwanted subject. Upon arrival the Officers contacted Carson White who refused to leave the gas station after being asked several times to do so. The clerk at the gas station wished to pursue trespassing charges against White for not leaving property.

Officers attempted to take White into custody at which time he became actively resistive to Officers by pulling his arms away. Officer Wyand and Officer Shoemake took White to the ground in order to affect an arrest. Once White was on the ground he placed his arm under this body and not allowing Officer Shoemake to place his hand behind his back. Officer Shoemake at that time punched White with a closed fist one time to his left side

While speaking with White, he complained of pain to his back due to being taking to the ground. White requested to be seen by paramedics on scene and subsequently was taken to AMC where he was checked out and released prior to being booked into KCJ.

Photographs of white where taken in the area where he was complaining of pain and the area where Officer Shoemake punched him. The photographs were taken by Officer Wyand at AMC and later uploaded into Evidence.com under case # H2204384.

**Narrative:**

**Notification/ Observations:**

On 09/05/22, at approx. 2310Hrs, I was monitoring the police radio while acting as the watch commander for the night. I heard Officer Shoemake inform dispatch that he had a combative subject over the radio. I immediately began to respond to Officer Shoemake location (1702 W. Lacey) in order to assist.

Upon arrival I noticed several Officers, including Officer Wyand and Officer Shoemake standing next to Office Wyand's Patrol Car. I noticed that a male was sitting in the back seat of the patrol car who was later identified as Carson White.

**Statement (Officer Shoemake):**

While on scene Officer Shoemake approached me and stated that he had punched White one time while trying to take him into custody. Officer Shoemake stated that while attempting to take White into custody, he and Officer Wyand took him to the ground. While on the ground White had his hand underneath him and would not allow Officer Shoemake to place his left hand behind his back. Officer Shoemake also stated that Officers had not yet been able to perform a pat down search which caused him concern that White may have a weapon on his person.

Officer Shoemake stated that due to not being able to pull White's left hand free from being concealed under his body while lying face down, he delivered one close fist punch to his side. Officer Shoemake said the punch allowed him to gain control of White's arm and place him in handcuffs. (Please see Officer Shoemake's criminal report for further information pertaining to the case).

**Statement (Officer Wyand):**

While on scene I briefly spoke with Officer Wyand regarding the arrest of Carson White. Officer Wyand stated that he asked White to leave the property, per the request of the gas station clerk, multiple times. Officer Wyand stated that the gas station clerk requested that White leave the property and was willing to sign a citizen's arrest form for trespassing.

Officer stated that when White refused to leave the property he made the decision to place him under arrest for trespassing and grabbed Whites arm to place it behind his back. When Officer Wyand grabbed White's

wrist, White began to tense up and pull away from his grasp. Officer Wyand said it was at that time he forced White to the ground and place his hand behind his back. (See Officer Wyand's report for further information).

Statement (Carson White):

After speaking with Officer Shoemake regarding the interaction, I walked over to Officer Wyand's patrol car to speak with Carson White who was sitting in the backseat handcuffed. As soon as I open the back-door, White appeared to be irritated and upset. He began to speak very quickly and had not even allowed me to introduce myself or explain why I was there to speak with him.

White stated that while he was attempting to air up a tire on his bike, Officers told him to leave. White said while he was airing up the tire, Officers tackled him to the ground. He said it was not right what the Officers did and he was going to leave after airing up his tire. White explained to me that his back was injured due to being tackled off of his bike and believed it was police brutality. I asked White how many times the Officers asked him to leave, he said he didn't know. I informed White that the Officers were at that location and contacted him after receiving a call from the gas station clerk who wanted him to leave. White acknowledged that he was asked by the gas station clerk to leave "once or twice" but stated he was just trying to fix his back tire on his bike.

I asked White if the Officers told him to place his hands behind his back. He said they didn't tell him to place his hands behind his back until after they tackled him to the ground. While speaking with White he repeatedly told me that he just wanted to be let go and that because he thought the Officers were wrong for what they did. When I told him that he would be arrested and going to jail, he said it was wrong that the Officers tackled him and it wasn't right he was being arrested. I asked if the Officers searched him, he said after they arrested him. I asked if they had searched him before he was arrested, he said no.

I noticed that White had a small abrasion to the bridge of his nose as well. I asked White if the cut was from being taken to the ground, he said yes. I asked White where his complaint of pain to his back was located. White stated from the middle of his back all the way up to his neck. I told him we would take picture of his back when he got to the jail. He said the injuries might not be visible but the Officers had pulled a muscle in his back and requested to be seen by paramedics.

Once the paramedics arrived on scene, they began to speak with White while he was still in the back seat of the patrol car. White requested to be taken to the hospital for his injuries. The paramedics placed White in the ambulance in order to transport him.

The interview with Carson White was recorded on my body worn camera and later uploaded into Evidence.com under the case # H2204384.

Statement (Mason Grant):

While on scene I spoke with the gas station clerk, Mason Grant, and asked him if called the Police Department regarding White trespassing on the property, he said yes. Grant informed me that when he arrived at work, White was already on the property. He asked White to leave multiple times but White refused. At one-point Grant said that White began using profanity towards him while he asked White to leave. It was at that time Grant called the police for assistance.

I asked Grant if he had any video surveillance cameras that pointed towards the area where the Officers had contacted White (by the tire air compressor). Grant informed me that the cameras did not point in that direction and would not have recorded any of the interaction between White and the Police. I asked Grant if I could see the monitor of the cameras in order to see the location the cameras covered outside of the business. While viewing the monitor I noticed that none of the outside camera were pointed towards the area where Officers had contact with White.

**Investigation:**

I later viewed the body worn camera footage recorded by Officer Wyand. I observed Officer Wyand exit his vehicle and immediately call White by his name. Officer Wyand asked him if the clerk has asked him to leave. White acknowledged that the clerk had asked him to leave but said that he was going to air up his tire.

Officer Wyand continued his investigation into the matter and contacted the clerk who stated that he would be willing to sign a citizen's arrest form if White refused to leave the property. Officer Wyand returned to where White was still standing next to the air compressor on the property with Officer Shoemake who was also at scene at that time.

Officer Wyand again asked White to leave the property and informed him that the clerk was willing to sign a citizen arrest form if he refused to leave. White said he wanted to air up his tire and grabbed the air hose. At that time Officer Wyand informed White that he was under arrest for trespassing and to place his hands behind his back. Officer Wyand grabbed White's right wrist and places it behind his back while White is leaned over his bike.

In Officer Wyand's body worn video you can see Officer Shoemake also walk up and grab White's left arm and wrist. During this time White is asking Officer Wyand why he is being arrested and Officer Wyand again stated for trespassing and instructed White to place his hands behind his back.

It is at this time in the video Officer Wyand pulls out his handcuffs and attempts to place them on White's right wrist. Officer Wyand then moves from trying to place cuffs on White to placing his hand on White's tricep/upper arm and pushing him to the ground.

Once on the ground Officer Wyand was able to pull White's right arm behind his back and get one of the cuffs on White's right wrist. Officer Shoemake is seen attempting to place White's left arm behind his back which appears to be under White's body on the ground. Officer Shoemake can be heard telling White to give him his hand. Officer Wyand can also be heard in the video telling White to get his hand out from underneath his body and continuing to inform White that he is under arrest for trespassing.

It is at this time in the video that I saw Officer Shoemake strike White one time with a closed fist. The strike hit White on the left side of his body. After the strike, Officer Shoemake is seen still slightly struggling to get White's left arm out from under his body. Eventually Officer Shoemake is able to gain control of White's left arm and place it behind his back where Officer Wyand then places the cuffs on him.

After White was placed in handcuffs he was stood up and walked over to Officer Wyand's patrol car. You can hear White complaining that the Officers had hurt his back.

**Policy:**

**300.3 (Use of force)**

Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

**300.3.1 (Use of force to effect an arrest)**

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect

the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2(Factors used to determine the reasonableness of force)

- m. Potential for injury to officers, suspects, bystanders, and others.
- r.Prior contacts with the subject or awareness of any propensity for violence.

300.7 (Medical Consideration)

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident. Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail.

Police Officers Standards of Training (P.O.S.T.) learning domain 20 sets the standard for the particular force options available to Officers. The Officers in this incident utilized three of these progressive force options (Verbal commands, control holds, and body weapons) White failed to comply with the verbal commands and also resisted the Officers during the encounter.

P.O.S.T. learning domain 20 provides Officers with the ability to utilize body weapons. As Officer Shoemake was dealing with White he took in the facts and circumstances known to him at the time (Graham V. Conner) (Policy 300.3). Based on those known circumstances, Officer Shoemake used his body weapons (Fist) in order to gain control and compliance from White (Forrester V. San Diego).

P.O.S.T. learning domain 33 sets the arrest methods and defensive tactics trained for Officers. Learning domain 33 specifically covers the use of body weapons and ground control encounters with resisting subjects.

It states, Officers may use personal body weapons to strike available targets during an arrest to control a combative or resisting subject, especially during ground control encounters. (Samaan V. Robbins).

In my opinion, after speaking with involved parties, reviewing written report, viewing body worn video, and reviewing police, I believe Officers were within the Use of Force Policy while effecting the arrest, preventing escape, and overcoming White's resistance.

**Recommendations:**

I request this incident be forwarded to the use of force review board

On 09/11/22, at around 1850 hours Officer Crain, Officer Chandler, and Officer Shearer responded to Buffalo Wild Wings (1699 W. Lacey Blvd) regarding an unwanted subject. Upon arrival, Officer Crain contacted Michael Camilo inside of the business. Michael appeared intoxicated and was confrontational with Officer Crain. Michael walked outside upon request of Officer Crain. Once outside near the entry way of the business, Officer Crain and Michael continued their conversation. By this time, Officer Chandler along with Officer Shearer arrived.

While outside, Officer Crain attempted to place Michael in custody at which time Michael became actively resistive to Officer Crain by pulling his arms away. Officer Crain, Officer Chandler, and Officer Shearer struggled to get Michael to the ground due to Michael tensing up his body and arms while widening his stance for better stability. During the process, Officer Crain punched Michael with a closed fist one time in the area of Michael’s forehead. Officers took Michael to the ground to affect an arrest. Once on the ground, Michael still refused to provide his arms and kept them stiffened. Officers were eventually able to place Michael in handcuffs after forcing his arms behind his back. Michael refused medical care on scene and also at the jail. Michael was uncooperative at the jail resulting in minimal photographs taken. The photographs were taken by Officer Crain at the Kings County Jail and later uploaded to Evidence.com under case # H2204528.

**Narrative:**

**Notification/ Observations:**

On 09/11/2022, at approximately 1850 hours, Hanford dispatch requested officers to respond to 1699 W. Lacey due to an unwanted subject. At the time of the incident, I had been going off duty while Sergeant Allen had been coming on duty to relieve me as a patrol watch commander. After the incident took place Officer Crain called me via phone and informed me of the details. I then asked him to speak to Sergeant Allen regarding obtaining a statement from Michael at the jail.

**Statement (Officer Crain):**

See case number H2204528 regarding Officer Crain’s narrative and involvement.

**Statement (Officer Shearer):**

See case number H2204528 regarding Officer Shearer’s supplemental narrative and involvement.

**Statement (Officer Chandler):**

See case number H2204528 regarding Officer Chandler’s supplemental narrative and involvement.

**Statement (Michael Camilo):**

Sergeant Allen interviewed Michael at the Kings County Jail after Michael had been booked. I watched Sergeant Allen’s body-worn video of the interview. The following is a synopsis;

Sergeant Allen started by explaining to Michael the purpose of his contact. Michael complained to Sergeant Allen that his knees, head, and left shoulder hurt from the altercation. Sergeant Allen asked Michael to explain what had happened.

Michael explained that he had been at Buffalo Wild Wings at around 12:30 with his “girl.” While at Buffalo Wild Wings, Michael claimed that he was overcharged. He claimed that he tried to make it right while there the first time but “it didn’t work out with the manager.” Michael explained that he went back home and

**Related Incident #**

H2204528

tried to make it right with the corporate office but was hung up on.

Michael explained that he went back to Buffalo Wild Wings and again met with the same manager. Michael and the manager started to “have their words.” Officer Crain arrived and Michael asked Officer Crain if he could have a private conversation with him (Officer Crain). Michael explained that he informed Officer Crain that he (Michael) was “law enforcement.”

Michael stated during the interview that he had gone outside and saw the cop cars parked. Within this portion of the interview, Michael explained to Sergeant Allen that he (Michael) is Portuguese and that he (Michael) had an attitude. Sergeant Allen was able to get Michael to again focus on the meaning of the conversation by asking what had happened with the officers. Michael explained that he went outside to have a conversation with the officer but the officer had an attitude toward him (Michael). Michael explained that the officer had been Officer Crain, then explained that he was not trying to “get this dude in trouble.”

Michael explained that “He (Michael) was not in the right and was intoxicated.” Michael stated that Officer Crain grabbed him and that he (Michael) was “Not going to go down without a fight.” Michael stated that he was not going to punch an officer; however, during this interview Michael’s statements indicated that he was willing to resist being taken to the ground or peacefully arrested. Michael stated that Officer Crain did not tell him to go to the ground. He claimed that Officer Crain had been trying to “assist him to the ground.” Michael stated that when he was taken to the ground he fell on his knees and head.

Sergeant Allen asked Michael if anyone had struck him or punched him during the incident. Michael stated that he thought an officer did, however; he backtracked his statement and stated “your good” as if he did not want to report the information. He then stated that he was not going to “snitch” on nobody and that “they did what they had to do.” He then stated, “they didn’t do nothing wrong.”

As the interview neared the end, Sergeant Allen again explained the reason for his contact, explaining that he (Sergeant Allen) was there to confirm that nothing was out of line nor out of policy. Michael responded by stating that “I’m good, I’m good on that, I wouldn’t say there was.” Sergeant Allen asked Michael if he needed any medical attention which Michael again declined. Michael explained that he refused the jail nurse’s care; however, he complained that his left shoulder hurt. Sergeant Allen asked what he thought that injury had been from at which time Michael responded “from me resisting.” Michael added by stating that his right knee injury was a reoccurring injury from softball, the left knee, along with his forehead area was caused by being taken to the ground.

The interview with Michael was recorded on Sergeant Allen’s body-worn camera and later uploaded to Evidence.com under case # H2204528.

**Investigation:**

I later viewed the body-worn camera footage recording of Officer Chandler. I observed Officer Chandler approaching the entryway of the Buffalo Wild Wings Restaurant. Officer Chandler entered the restaurant as Michael along with Officer Crain were starting to exit. Michael had been walking in front of Officer Crain. It appeared as though Michael had been arguing with Officer Crain while walking.

Officer Crain and Michael exited the restaurant with Officer Chandler nearby. Immediately after exiting the restaurant, a female approached. Michael identified the female as being his mother.

Michael had been holding onto a small piece of paper, believed to be a receipt. Michael started to explain that he had come to the restaurant with his girlfriend. Michael’s movements and delayed speech observed in the video indicated that he was intoxicated.

An argument ensued between Michael and Officer Crain regarding Michael failing to explain what had

occurred inside the restaurant. Around this time Officer Shearer arrived and approached the entryway of the restaurant. Officer Crain explained to Michael’s mother that Michael could be going to jail due to his level of intoxication. Michael’s mother attempts to persuade Michael into leaving.

Michael became even more agitated by stating “I don’t give a fuck if it's PD or not, I don’t give a fuck.” At this time Michael is now engaged in an argument with his mother. Officer Crain steps toward Michael and informs him that he is going to jail while also grabbing onto Michael’s right wrist area. Michael immediately grabs Officer Crain’s arm with his left hand, in what appears to be an attempt to break Officer Crain’s grip.

Officer Crain starts commanding Michael to not resist. Officer Chandler approaches Michael from behind and grabs a hold of him. Officer Shearer also approached and grabs a hold of Michael. Michael is struggling to stay on his feet while tensing his body. The video shows parts that signify Michael attempting to force his arms and hands to the front of his body while officers are attempting to take him to the ground. Additionally, Michael has a widened stance which created stability thus resulting in officers having a harder time taking him to the ground.

Officer Chandler’s video did not show Officer Crain striking Michael while attempting to take Michael to the ground, possibly due to the rapid movements. Once Michael was on the ground he was lying on his stomach. You can hear Officer Crain ordering Michael to let go of his (Officer Crain’s) leg. Michael continued to stiffen his arms; however, officers were able to get Michael’s arms behind his back in order for Michael to be handcuffed. Officer Crain removed his handcuffs and was able to place them on Michael. During the process, Michael was yelling at officers. Officer Chandler had been along Michael’s left side while controlling Michael’s left arm, Officer Shearer had been on Michael’s back area, and Officer Crain had been along Michael’s right side while controlling Michael’s right arm. Once Michael was handcuffed, Officer Chandler stood Michael to his feet. Michael was walked to a patrol vehicle and placed in the back.

I also viewed Officer Shearer’s body-worn video which showed the same as described in Officer Chandler’s video. Officer Shearer’s video is blocked by Michael’s shirt for a portion of the recording while Michael had been on the ground.

Policy:

300.3 (Use of force)

Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

300.3.1 (Use of force to effect an arrest)

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2(Factors used to determine the reasonableness of force)

m. Potential for injury to officers, suspects, bystanders, and others.

r.Prior contacts with the subject or awareness of any propensity for violence.

300.7 (Medical Consideration)

**Case Number**

H2204528

**Related Incident #**

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident. Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail.

Police Officers Standards of Training (P.O.S.T.) learning domain 20 sets the standard for the particular force options available to Officers. The Officers in this incident utilized three of these progressive force options (Verbal commands, control holds, and body weapons) Michael failed to comply with the verbal commands and also resisted the Officers during the encounter.

P.O.S.T. learning domain 20 provides Officers with the ability to utilize body weapons. As Officer Crain was dealing with Michael he took in the facts and circumstances known to him at the time (Graham V. Conner) (Policy 300.3). Based on those known circumstances, Officer Crain used his body weapons (Fist) in order to gain control and compliance from Michael (Forrester V. San Diego).

P.O.S.T. learning domain 33 sets the arrest methods and defensive tactics trained for Officers. Learning domain 33 specifically covers the use of body weapons and ground control encounters with resisting subjects.

It states, Officers may use personal body weapons to strike available targets during an arrest to control a combative or resisting subject, especially during ground control encounters. (Samaan V. Robbins).

In my opinion, Officers were within the Use of Force Policy while effecting the arrest, preventing escape, and overcoming Michael's resistance.

From: Corporal Jarred Cotta

Subject: Use of Force Administrative Investigation (HPD Case H2204559)

**Summary:**

At about 1230 hours on 9-13-22, Officers of the HPD POP Team conducted an operational briefing in regards to a operation which was going to take place. The OPS plan for this incident is attached. The OPS plan was created by Investigator Jaime and approved by Corporal Cotta. In summary, Investigator Jaime had information from a confidential reliable informant (CRI) regarding a subject named Armando Gonzalez who was believed to live at 1012 Rodgers Road #7. The CRI stated Armando had a gun inside of this apartment and was not suppose to. Gonzalez is a previously convicted felon with other weapon and drug related history. At the time of the operation, Armando was on supervised release and subject to search and seizure. The plan during this operation was surveil the complex area and see Armando go to his vehicle. As Armando left the area (complex and nearby school), a traffic stop was to be conducted. After the stop, Armando was to be taken back to his apartment and a search was to be completed.

The POP Team set up surveillance at the residence shortly after the briefing and began surveilling the area. Communication between the POP Team was through cell phone. At about 1436 hours, Officer Jaime communicated two subjects had approached his unmarked vehicle with one being the target of the operation, Armando Gonzalez. After this, Officer Jaime then communicated the two males had walked back up to his vehicle with one of the subjects, later being said to be Gabriel Perez, brandished a firearm at him. The males told Officer Jaime something in regards to not coming around the area again as they believed he was a child molester and then walked away. Officer Jaime then got out of his vehicle and gave chase to to the males. Gonzalez fled away from the area and was not caught. Perez quickly got on the ground as ordered by Officer Jaime. Officer Jaime then approached Perez, struck Perez with his foot in the left side of his torso and then placed him into custody. Multiple people came out of their apartments during this incident and were agitated but no one, including Perez's wife was cooperative in giving a statement regarding the incident.

Perez was transported to the PD after the incident where he declined medical services. Perez was photographed as well as interviewed. Perez was ultimately booked into the jail for brandishing a firearm and possession of a concealed firearm.

**CONCLUSION:**

After reviewing the involved Officer(s) reports, interviewing the involved citizen and reviewing the body worn video(s) of this incident, it is my opinion that Officer Jaime's use of force (particularly the strike to Perez with his foot in a kicking motion) was not within Hanford Police Department policy pertaining to use of force.

## Narrative

### Narrative

From: Sergeant Chad Allen  
Subject :Use of Force

#### Summary:

On 09/20/22, Officer Scandura responded to 217 E Malone St, along with multiple HPD Officers, after the RP stated her adult son was destroying her house and intoxicated.

Upon arrival Officers confronted the son, Ryan Reynold, in his bedroom with another male who was also intoxicated holding Ryan down on the ground. While Officer Scandura was attempting to speak with Ryan Reynold and evaluate his injuries, the other male was interfering with the Officers in the room not allowing them to speak with Ryan.

Officers told the second male, later identified as Angel Romero, to leave the room in order to speak with Ryan. Angel refused to leave the room why cursing as the Officers. Officer Pontecorvo attempted to move Angel out of the room by grabbing the back of his jacket. At that time Angel swung his elbow at Officer Pontecorvo. After being given several commands by Officers to leave the room, Officer Scandura attempted to move Angel out of the room and Angel swung his elbow contacting Officer Scandura.

At that time Officer Scandura used his forearm and delivered a strike to the side of Angles face. Officer Scandura then pushed Angel to in stomach on the ground in the room and told him to put his hands behind his back. While attempting to place Angle in handcuffs, Angel continued to resist by pulling his arms away from Officer Scandura. Officer Scandura gave additional strikes to the right side of Angels rib area before he was eventually handcuffed.

Angel was placed in the back seat of Officer Pontecorvo's patrol car where he was banging his face against the Plexiglass. Angle was evaluated by EMS before getting cited and released to his mother who arrived on scene.

**Narrative:**

**Notification/ Observations:**

On 09/20/22, at approx. 2334Hrs, I was monitoring the police radio while acting as the watch commander for the night. I heard Officers responding to 217 E. Malone regarding an out of control individual who had cut his hand while destroying items in the house. As I responded to the scene, dispatch provided additional information stated the out of control male was intoxicated and being held down. The RP was being semi cooperative with providing information prior to Officers arriving on scene.

Upon arrival on scene I was walking up to the front door to the residence and could hear a male voice yelling inside. As I walked into the living room area of the residence, I could hear the male continuing to curse and yell. I could also hear Officers also yelling commands of put your hands behind your back. Over the radio I heard Officer Shoemake say that they had "one combative."

Once I got to the Officers location in the residence (back bedroom), I could see Officer Scandura and Officer Shoemake attempting to place a male in handcuffs. The male was later identified as Angel Romero. As Officer Shoemake was placing the handcuffs on Angel's left wrist, I could see Angel pulling his right arm away from Officer Scandura. It was at that time I observe Officer Scandura give multiple strikes to Angel's right side. The strikes were delivered with Officer Scandura's right hand which was also holding his flashlight.

Once Angel was handcuffed and escorted out of the residence by Officer Pontecorvo, he was placed in the back seat of a patrol car. I exited the residence as well and while standing approximately 30 feet from the patrol car, I could hear Angel kicking the back window. I approached the patrol car and noticed Angel was also hitting his head on the plexiglass in the back seat.

**Statement (Angel Romero):**

While standing next to the back door of the patrol car I activated my body worn camera and began to record my conversation with Angel. Angel informed me that while hanging out with his friend Ryan, he began to talk about his deceased brother and became emotional. Angel said he took Ryan home due to Ryan being depressed and attempted to help his friend.

Angel said he didn't know why he was in handcuffs and being arrested because he didn't do anything. I asked Angel what had happened when the Officers contacted him. Angel said he was punched in the face and was going to sue the Officer who punched him. Angel said that he did not hear the Officer tell him to leave the room or to get out of the way. He said if he heard the Officer tell him to get on the ground he would have cooperated. Angel said after he was punched in the face by the Officer he went to the ground and was handcuffed. I asked Angel if anything else happened, he said no.

I asked Angel if he was injured at all, he said "no sir," "No". Later during my conversation with Angel he informed me that he wanted to go to the hospital. When I inquired about his injuries or why he wanted to go to the hospital, he said because he doesn't feel good but would not elaborate. He later stated that he couldn't breathe good. I noticed that Angel's demeanor was agitated that he was in the backseat hand cuffed. He asked if he could get out of the patrol car and if I could loosen his handcuffs. I allowed Angel out of the car and Officer Pontecorvo loosened his handcuffs, double locked the handcuffs and returned him to the back seat of the patrol car. Angel continued to curse and threaten me while I was attempting to speak with him about the incident. I also noticed Angel was attempting to slip his cuffs in the back seat while complain that the handcuffs were still to tight.

While EMS was on scene I requested they speak to Angel and evaluate him. The Paramedic for American Ambulance approached the back door to the patrol car and spoke with Angel through the rolled down window. Again, when the Paramedic was asking Angel why he wanted to go to the Hospital and what his complaint was, he said he just wanted to go and we couldn't deny him. I was informed by the Paramedic,

who at that time was taking Ryan Remolds to the hospital on a W&I 5150 hold, that she could not take multiple patients in her ambulance at once. Angel's mother, Ana Pelaez, arrived on scene and was asked if she could take responsibility for Angel who was 17yrs old. Officer Scandura cited and released Angel to Ana and she was explained the situation and the incident which occurred prior to her arrival. Angel continued to yell at this mother and requested to be taken to the juvenile center or the hospital instead of being released to his mother. I asked his mother if she would take Angel to the Hospital to which she said she would.

As Angel was let out of the patrol car and his handcuffs were taken off, he proceeded to get into each of the Officers faces on scene, including myself, and began to angrily flip each one of us off. Angel would get inches from the Officers face while his mother was pulling him back. While Officers were still on scene and Ana was attempting to get Angel into their vehicle, Angel continued to challenge Officers to a fight. Angel also attempted to get in the back of the ambulance which had Ryan already in the back, and challenged Ryan to a fight. As I attempted to move Angel away from the Ambulance, he threw his elbow back towards me while saying "Don't touch me."

**Statement (Officer Shoemake):**

I briefly spoke with Officer Shoemake who was on scene when Officer Scandura used force and Angel was taken into custody. Officer Shoemake stated that Angel was give multiple commands by Officers in the bedroom to move away from Ryan, back up, and also to leave the room. Officer Shoemake stated that during the interaction with Angel in the bedroom, he observed Angel "put hands" on Officer Scandura. I asked Officer Shoemake for me clarification on what he meant by put hands on Officer Scandura. Officer Shoemake stated that it looked like Angel had pushed Officer Scandura prior to Officer Scandura hitting him. (See Officer Shoemake report for further)

**Statement (Cpl Cano):**

I later spoke with Cpl. Cano who was on scene prior to my arrival. Cpl. Cano stated that while on scene Officers in the room were telling Angel to get out of the way and to leave the room in order to evaluate Ryan. Cpl. Cano stated the commands were given several times. I asked Cpl. Cano if he seen the strike Officer Scandura delivered to Angel, he said no. Cpl. Cano stated that once Officers got Angel to the ground, he backed out of the room in order to provide some more space for Officers to work. It was at this time I arrived on scene and Cpl. Cano said I stepped in front of him.

**Statement (Officer Pontecorvo):**

I later spoke with Officer Pontecorvo who was on scene at the time of the incident. Officer Pontecorvo stated that as he arrived on scene he could hear two male voices coming from the back bedroom in the residence. When he and other Officers on scene went into the bedroom he noticed Angel was on top of Ryan. Officer Pontecorvo said he was attempting to move Angel out of the room and Angel pulled away from him. Officer Pontecorvo said that Officer Scandura also attempted to move Angel out of the way. Officer Pontecorvo said he observed Officer Scandura hit Angel with his forearm. Officer Pontecorvo said Angel went to the ground and after assisting to get Angel onto his stomach, Officer Pontecorvo directed his attention back to Ryan who was still in the room. See Officer Pontecorvo's report for further details.

**Statement (Officer Scandura):**

I briefly spoke with Officer Scandura on scene who told me that he had hit Angel with his forearm after Angel assaulted him. See Officer Scandura's report for further details.

I later viewed the body worn camera footage recorded by Officer Scandura and Officer Pontecorvo. I observed Officer Scandura deliver one forearm strike to Angels face which caused him to fall backward to the ground in the bedroom. Once on the ground Officer Shoemake and Officer Scandura attempted to get handcuffs on Angel. While on the ground I observed in the body worn video Officer Scandura deliver multiple strikes to Angels right side.

Policy:

300.3 (Use of force)

Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

300.3.1 (Use of force to effect an arrest)

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2(Factors used to determine the reasonableness of force)

b. The conduct of the individual being confronted, as reasonably perceived by the officer at the time.

m. Potential for injury to officers, suspects, bystanders, and others.

300.7 (Medical Consideration)

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident. Based upon the officer’s initial assessment of the nature and extent of the subject’s injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail.

P.O.S.T. learning domain 20 provides Officers with the ability to utilize body weapons. As Officer Scandura was dealing with Angel he took in the facts and circumstances known to him at the time (Graham V. Conner) (Policy 300.3). Based on those known circumstances, Officer Scandura used his body weapons (Forearm) in order to gain control and compliance from Angel (Forrester V. San Diego).

P.O.S.T. learning domain 33 sets the arrest methods and defensive tactics trained for Officers. Learning domain 33 specifically covers the use of body weapons and ground control encounters with resisting subjects.

It states, Officers may use personal body weapons to strike available targets during an arrest to control a combative or resisting subject, especially during ground control encounters. (Samaan V. Robbins).

In my opinion, Officers were within the Use of Force Policy while effecting the arrest, preventing escape, and overcoming Angel Romero’s resistance.

### Narrative

Date 09/24/2022  
 To: Lieutenant James Edlund  
 From: Corporal Larry Leeds  
 Subject: Use of Force Administrative investigation (HPD Case H2204761)

#### Summary:

On 09/23/2022, Officer T. Smith was in the area of the 1000 block of Goleta Way where he observed James Berning. Officer T. Smith used his vehicle's MDT to conduct a warrant check on Berning with getting a return Berning has an active warrant. Officer T. Smith drove his vehicle into the apartment complex where Berning was seen walking w/b through the parking lot. Officer T. Smith exited his vehicle and verbally told Berning to stop because advising him he has an active warrant and he will cite and release him. Berning responded by telling Officer T. Smith, "No I don't." Officer T. Smith continually ordered Berning to stop so he could cite him out with Berning continuing to walk away from him. Berning then started to run away from Officer T. Smith. Officer T. Smith began to run and catch up to Berning and grab the back of his shirt pulling him to the ground. Berning began to actively resist by flailing his arms and legs striking Officer T. Smith several times on his lower legs. Officer T. Smith grabbed a hold of Bernings left arm and try to place it behind his back. Berning resisted by pulling his arm away from Officer T. Smith. Officer T. Smith grabbed a hold of his left arm again while

Berning was still resisting. Officer T. Smith struck Berning with his right elbow on the left side of his face to gain compliance. Berning complied and placed his hands behind his back and Officer T. Smith placed handcuffs on him. Officer Villela transported Berning to the Kings County Jail.

**Narrative:**

On 09/23/2022 at 1119 hours, I heard over the radio Officer T. Smith was out with James Berning in front of 1031 Goleta Way Incident #2209230164. Dispatch advised Berning has a misdemeanor cite out warrant. Dispatch code 4 checked Officer T. Smith after hearing his handheld radio key up without giving a transmission. Officer T. Smith did not respond back to dispatch after two attempts to get a code 4 check. Officer Villela started a code 3 response to Officer T. Smith for assistance. As Officer Villela arrived at the scene, he provided a code 4 for the scene and Berning was in custody.

I responded to the scene and contacted Officer T. Smith. I asked Officer T. Smith if he was okay, injured, and did he need medical assistance. Officer T. Smith advised me he was okay and not injured. I asked him what happened. The following is Officer T. Smith's statement to me.

**Statement (Officer T. Smith):**

Refer to Officer T. Smith's report for his statement

I observed two males in a golf cart at the scene and asked them if they observed anything. One of the males said he did. David Cantu told me he was near the incident and observed the whole thing. He provided me with a witness statement of what he observed.

**Statement: (Witness) David Cantu:**

Cantu said he observed Officer T. Smith approaching Berning and verbally advising Berning he has a warrant and can be cited out. Berning kept walking away from Officer T. Smith while saying, "No I don't, No I don't." He heard Officer T. Smith tell Berning, "I'm just going to cite you out and you will be on your way." Berning then started to run from Officer T. Smith and Officer T. Smith started to run after him. Officer T. Smith caught up to Berning, grabbed him, and Berning began to flail his arms at Officer T. Smith as Officer T. Smith was ordering him not to resist. Officer T. Smith then grabs ahold of Berning's arm in attempt to place it behind his back. Berning pulled his arm from Officer T. Smith and then starts to hit Officer T. Smith with his hands. Berning grabbed ahold of Officer T. Smith's wire (microphone) pulling it away from his chest. Officer T. Smith then controlled Berning by putting him on the ground and he was able to handcuff him. The whole time Officer T. Smith was trying to control Berning, Cantu was telling Berning, "Stop resisting, or you are going to catch charges."

This concluded my interview with Cantu.

I responded to the Kings County Jail to interview James Berning.

**Statement James Berning:**

Berning advised me he was not injured in any way as he was looking over his body. I asked him if he remembers seeing the officer at the scene and what happened. Berning said he didn't know what happened. He thought he was speaking to a friend about something. The guy just tackled him to the ground and he didn't know why.

I took overall photographs of Berning to attach to this case H2204761. I observed no fresh marks or injuries to his body.

**Investigation:**

I later viewed the body camera footage recorded by Officer T. Smith. I observed Officer T. Smith in his patrol vehicle which appeared he had just put on blue colored gloves. I observed Officer T. Smith drive his vehicle into the apartment complex of the 1000 block of Goleta Way and exit his vehicle. He walks towards Berning

as Berning comes into the view of the Body Camera. I can hear James Berning say, "What, no, get away." Officer T. Smith tells Berning to stop he has a warrant and he will cite him out on it. I observed Officer T. Smith pursue Berning by walking towards Berning. As Officer T. Smith is pursuing Berning, I observed David Cantu and another male in a golf cart stopped watching Berning and Officer T. Smith. I hear Officer T. Smith talk briefly with Cantu as he walks by saying, "He has a cite out warrant." At this time, Berning starts to run and Officer T. Smith begins to run. Officer T. Smith catches up to Berning, grabs the back of his shirt with his left hand pulling Berning to the ground. I then could hear Officer T. Smith again tell Berning in a calm voice, "Stop, you have a cite out warrant." Berning replies, "No I don't." I observed Officer T. Smith grab Bernings right arm as Berning is on his back with his feet striking Officer T. Smith's lower legs. Berning is actively resisting verbal commands from Officer T. Smith and physical attempts to control him. Berning then rolls from his back to his right side able to release his right arm from Officer T. Smith's grasp. Officer T. Smith then grabs Bernings left forearm with his left hand and Bernings left elbow with his right hand trying to place his hand behind his back. Berning resisted this control hold by rolling again to his stomach then back to his back where he began to strike Officer T. Smith's lower leg with his left foot. Officer T. Smith then attempts to grab Berning's right arm with his right hand unsuccessfully. I then observed Officer T. Smith's body camera go black as he had Berning's back against his body camera. I could hear Berning say, "I have a home mother fucker." I then hear Officer T. Smith tell Berning, "I have a dog do you want to get bit." Berning responded, "No, the cops are coming right now." Officer T. Smith replied, "I am the cops." Then the body camera shuts off.

Policy:

300.3.1 (Use of force to effect an arrest)

m. Potential for injury to officers, suspects, bystanders, and other.

r. Prior contacts with the subject or awareness of any propensity for violence.

P.O.S.T. learning domain 33sets the arrest methods and defensive tactics trained for Officers. Learning domain 33 specifically covers the use of body weapons and ground control encounters with resisting subjects. It states, Officers may use personal body weapons to strike available targets during an arrest to control a combative or resisting subject, especially during ground control encounters. (Samaan V. Robbins).

In my opinion, after speaking with involved parties, reviewing written report, viewing body warn video, and reviewing police, I believe Officer T. Smith was within the use of force policy while effecting the arrest, preventing escape, and overcoming resistance.

## Narrative

### Narrative

Date: October 21st, 2022  
 To: Lieutenant James Edlund  
 From: Sergeant Frank Martinez  
 Subject: Use of Force H2205316

#### Summary:

Cpl. Aguayo conducted a traffic stop on a vehicle in the area of Hanford-Armona Rd and 11th Ave. when the passenger in the vehicle fled southbound while Cpl. Aguayo was investigating their identity. Cpl. Aguayo suspected the passenger of providing him a false name. Officers set up a perimeter where the suspect was located inside the bed of a truck at 782 Euclid. Ofc. Scandura encountered the male first and withdrew his department firearm on the suspect. It was initially reported by Cpl. Aguayo the suspect was reaching for something in his waistband. Assisting officers Zamora and Lara were on scene as well. The suspect, James Rodriguez got up, jumped onto a trash can, and climbed on top of the roof of 782 Euclid. It was during this process that Ofc. Zamora and Lara each deployed their tasers. Ofc. Zamora deployed 3 separate 5 second intervals and Ofc. Lara had a 3 second and 2 second interval. None of the deployments appeared effective. The suspect was later apprehended for his "No Bail" warrants as he surrendered to officers. The suspect appeared to have not suffered from any significant injuries from the taser deployment. He did have injuries that appeared to have been from jumping fences and during the course of him fleeing. There were no probes that officers had to remove. Cpl. Aguayo took photographs of a possible prong hit to his upper right chest and of the suspects condition after the event. There were lacerations to his head and hand.

#### STATEMENT (Rodriguez)

I was the officer, who took Rodriguez into custody after he yielded. Rodriguez was not compliant as soon as he was arrested and wanted to only argue at the scene. Then he exhibited a possible medical issue (trouble breathing) that necessitated EMS. He did briefly state that he had been tased but was not cooperative

enough to make a statement.

**INVESTIGATION**

The information gathered for this investigation was obtained from contacts in the field, prepared police reports (H2205316), and body worn video footage.

**BODY WORN VIDEO**

The first video I viewed was Ofc. Zamora’s body worn video. It is a 7 minute 05 second video which captures his interaction with Rodriguez. As I started the video, I could see Ofc. Zamora running what I recognized as being eastbound on Euclid. As he gets to 782 Euclid, I could see Ofc. Scandura on the west side of a black truck that was on the west side of the residence’s driveway. It appeared Ofc. Scandura was addressing someone in the back of the truck. I could see Ofc. Lara on the east side of the truck run from that side to the same side as Ofc. Scandura.

Ofc. Zamora and Lara ran back to the east side of the truck, where I see the suspect, Rodriguez standing in the bed of the truck. Rodriguez made an attempted to get onto the roof of 782 Euclid. He was unable to get up and ended up on top of some trash cans. He then jumps back into the bed of the truck, onto its roof and then makes a second jump towards the roof top. As Rodriguez jumped I saw Ofc. Zamora deploy his taser. I could also see that Ofc. Lara had also deployed her taser but I couldn't distinguish her activation sound from Ofc. Zamora. The video was at about 18-19 second mark at this point. Rodriguez had made it completely on top of the house on this jump. At about the 35 second mark, I could see Rodriguez again. He sat up on the roof. I watched several seconds more but I could not see Rodriguez as he was fully on top of the roof and out of view. I heard Ofc. Zamora’s taser go off two more times as Rodriguez is on the roof . Rodriguez appears unfazed as he gets on his feet and flees across the roof.

The second video I viewed was Ofc. Lara’s body worn video. I could see her footage began as she is on the west side of the black truck in the driveway of 782 Euclid. She ran back to the east side and approaches Rodriguez, who is now standing on a trash can. She steps away from him withdraws her taser and gives commands to get on the ground. Rodriguez jumps back onto the truck and onto the trucks roof. He jumps onto the roof of 782 Euclid. As he jumped, I saw Ofc. Lara deploy her taser as she was standing behind Ofc. Zamora.

At the 14 second mark of her video Rodriguez made it onto the roof and I could not see him again until the 31 second mark. I could not see the effects of the taser. Officers continued to take until I saw Rodriguez rise at 45 seconds and he fled.

**CONCLUSION:**

Based on the totality of the circumstances of this incident, I formed the opinion that both Ofc. Zamora and Ofc. Lara’s application of the taser violated departmental guidelines under Policy 309 (TASER guidelines). In particular, I believe there was adequate articulable factors under 309.4.1 to justify the use of the taser under sections, (a)(c)(f)(i)(j).

However, I formed opinion that their applications of the taser were in violation of 309.4.2 Section (b)(2) and (c). There were very obvious environmental scenarios playing out that the officers should have been aware of Firstly, they each elected to deploy the taser as the suspect was at a height of 7 feet in the air attempting to jump onto a roof that was about a foot taller than the surface the suspect was trying to jump off. Ofc. Zamora and Lara should have known that tasing a person in mid-air could have rendered the suspect incapacitated and unable to brace himself while impacting the house to falling to the ground. Thusly presenting a greater danger to the suspect.

As for their conduct under Policy 300 (Use of force), there is no specific evidence the suspect was actually given an effective deployment of their taser. I could not see at any point the suspect suffering from the effects and it did not prevent him from getting on top of the roof. I could not see whether he was laying due to him

being hurt as a result of his actions (jumping to the roof) or taser. For this I can not come to a decision for their conduct under the use of force policy.

Summary:

While on patrol Officer Scandura responded to a call of shots fired at the Lacey Inn bar (889 E. Lacey). Prior to arriving on scene Officer Scandura was informed that Cpl. Aguayo had initiated a pursuit of a vehicle leaving the scene of the shooting. Officer Scandura elected to assist Cpl. Aguayo with the pursuit and subsequently involved with the pursuit until the termination point (926 W 6th St).

At the conclusion of the pursuit, Officer Scandura conducted a high risk traffic stop on the driver of the suspect vehicle. The driver, later identified as Billy Horn, exited the vehicle and was given commands to get on the ground. Horn did not comply with the commands given by Officer Scandura or Cpl. Aguayo to get on the ground.

Due to the lack of compliance, Officer Scandura approached Horn with his K-9 "Enzo" and pulled Horn to the ground by the back of his sweatshirt. Cpl. Aguayo also approached Horn at that time and began to assist in the apprehension.

As Horn was lying face down on the ground next to his vehicle, he began to yell at Officer Scandura that he was "not a threat". Horn was utilizing his arm and hands on the ground to press his upper torso/ chest off

of the pavement. Horn’s hands were slightly in front of his body and out to the sides. It was at this time that Officer Scandura delivered a single kick to the right side of Horn’s side/arm area. Cpl. Aguayo gained control of Horn’s left arm and was able to place handcuffs on Horn. Horn was then placed in the back seat of a near by patrol car until the scene was secure.

At the time of the incident Officer Scandura and Cpl Aguayo had their body worn cameras activated and recording the incident. (H2205807).

**INVESTIGATION:**

As part of my administration review of the pursuit leading up to the apprehension of Billy Horn, which occurred on November 20, 2022, I observed several body worn videos captured by Officers. The videos I observed were of Officers involved in the pursuit as well as witnesses questioned in order to accurately document the administrative review of the pursuit. While reviewing Officer Scandura’s body worn video of his involvement in the pursuit, I noticed he had activated his camera and began recording just prior to formally being involved in the pursuit. I continued to watch his recorded video as the pursuit concluded in front of 926 W. 6th St.

As the pursuit ended I observed Billy Horn immediately begin to exit his truck and Officer Scandura give him commands to “Put your hands up.” Horn complied with the commands and exited the truck with his hands raised to approximately the level of his head. Officer Scandura then began to give Horn commands to get on the ground or his dog (K-9 Enzo) would bite him. Horn did not comply with the requests from Officer Scandura to “get on the ground” and Officer Scandura then holstered his handgun and retrieved K-9 Enzo from the back of his patrol car.

Once Officer Scandura had his K-9 partner Enzo out of the vehicle, I observed Horn was now standing near the back bed of his truck facing away from Officer Scandura’s location. Officer Scandura then continued with commands for Horn to get on the ground with no compliance from Horn.

It was at this time Officer Scandura began to approach Horn with K-9 Enzo. As Officer Scandura got within arm’s reach of Horn, Officer Scandura grabbed the back of Horn’s sweatshirt and pulled him to the ground. Cpl. Aguayo is heard also giving Horn commands to get on the ground before assisting Officer Scandura with attempting to take Horn into custody.

Once Horn is on the ground, I noticed he was continuing to look at Officers and repeatedly saying “I am not a threat.” Horn is holding his upper torso area up off of the ground at this point, by using his arms to push himself up. Horn is still lying of the ground with his arms slightly out in front of him while pushing his upper torso up. Officer Scandura still has his K-9 Enzo out of the car and acting as a cover Officer while Cpl Aguayo is attempting to place handcuffs on Horn’s left arm.

While observing Cpl. Aguayo’s body worn camera, I can see that Cpl. Aguayo has control of Horn’s left arm behind his back while Horn’s right arm is still in the push up position elevating his torso off the ground. It was at this time I observed Officer Scandura utilize his right leg to kick Horn. It appears from the video that Officer Scandura strikes Horn’s armpit or his upper arm area Horn’s right arm which was holding him up off the ground. The kick causing Horn to drop down to the elbow on his right arm where it remained until Cpl. Aguayo was able to place handcuffs on both wrists.

worn video of the incident at a later time, I did not question Horn specifically about the use of force. However, during my conversation with Horn regarding the pursuit and him being the driver of the suspect vehicle, he never mentioned to me that any force was used against him during the contact with Officers.

**STATEMENT (Cpl. Aguayo)**

On 11/24/22, at approx. 1900hrs, I spoke with Cpl. Aguayo regarding the use of force incident while taking Horn into custody.

Cpl. Aguayo stated that while taking Horn into custody he was telling Horn to get on the ground. Horn was not complying with his or Officer Scandura’s commands. As Officer Scandura began to approach Horn, he also approached Horn in order to assist with taking him into custody.

While attempting to take Horn into custody, Cpl. Aguayo said he continued to give commands for Horn to place his hands behind his back. Horn was still not complying with his commands but eventually Horn placed both hands behind his back.

I asked Cpl. Aguayo if he ever saw Officer Scandura use any type of force while taking Horn into custody. Cpl. Aguayo informed me that Officer Scandura had his K-9 Enzo out of the car and was informing Horn to get on the ground or his dog was going to bite him. Cpl. Aguayo also said that he and Officer Scandura had pulled/ forced Horn to the ground due to him not complying with commands to get on the ground. I asked Cpl. Aguayo specifically if he noticed Officer Scandura kick Horn at any time during the process of taking Horn into custody, he said no.

I informed Cpl. Aguayo that while reviewing body worn video of Horn being taken into custody I observed Officer Scandura delivered one kick to Horn while he was being taken into custody. Cpl. Aguayo said he did not recall see Officer Scandura kick Horn and believed he must have been looking down to retrieve his handcuffs when the kick was utilized.

Cpl. Aguayo later informed me that he reviewed his body worn video of the incident and noticed the kick used by Officer Scandura. He informed me that he did not realize that Officer Scandura had kicked Horn that night. He stated that as a supervisor on scene, if he would have seen or realized Officer Scandura kicked Horn, he would have informed me the night of the incident

**STATEMENT (Officer Scandura)**

Please see Officer Scandura’s report for further information pertaining to his use of force

**CONCLUSION:**

After reviewing the involved Officer’s reports, body worn videos of the incident, and the witnesses, it is my opinion that Officer Scandura was within Hanford Police Department use of force police (Police # 300).

**300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE**

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit (Government Code § 7286(b)). These factors include but are not limited to:

- a. The apparent immediacy and severity of the threat to officers or others (Penal Code § 835a).

**Case Number**

H2205807

**Related Incident #**

p. The apparent need for immediate control of the subject or a prompt resolution of the situation.

Officer Scandura was involved in a pursuit with the suspect leaving a scene of a shooting. When confronting the suspect, Officer Scandura continuously gave clear commands to the suspect which were ignored. The facts and circumstances known to Officer Scandura, at the time the use of force was used, was that the gun utilized in the shooting was still outstanding and the suspect was fleeing from the scene. Officer Scandura also had his K-9 Enzo out of the vehicle and was attempting to control Enzo which limited his ability to assist Cpl. Aguayo in taking the suspect into custody.

Officer Scandura also had a scene in which consisted of multiple high-risk traffic stops occurring at the same time. During those high-risk traffic stops, the Officers on scene were out numbered by occupants in both of the vehicle. This situation was rapidly evolving and the uncertain threats to the Officers caused the urgency for Officers on scene to quickly gain control of the scene. It appeared based on the body worn video and the report authored by Officer Scandura, that the intentions of the kick were gain control of the suspect who was not complying with commands by Officers.

While reviewing the following policy section, I found that Officer Scandura to be in violation of:

**300.6.1 NOTIFICATION TO SUPERVISORS**

Any use of force by an officer shall be reported immediately to a supervisor, including but not limited to the following circumstances (Penal Code § 832.13):

h. An individual was struck or kicked.

Officer Scandura utilized a single kick in order to gain control of the suspect while being taken into custody. Initially while reviewing the body worn camera and observing the force used by Officer Scandura, I reviewed his written report. The report was completed and turned in for review but had no mention of the kick utilized. I also noticed that the use of force section of the report had not been filled out by Officer Scandura. The report was returned to Officer Scandura for the incompletions which he later corrected and resubmitted the report.

I find these actions by Officer Scandura a violation of the policy which states the Officer shall immediately report to a supervisor when an individual is struck or kicked.

Summary:

Officers Medina and Shoemake responded to 1381 Greenbrier Drive in regard to a male, Isaiah Williams, who attempted to kill himself. Williams then tried to run from the house, but family members stopped him and were holding him down to the ground until officers arrived.

When Officers arrived at 1381 Greenbrier Drive, Officer Medina asked Williams if he required any assistance from him. Williams, while face down on the ground, responded by looking at Officer Shoemake and telling

him, "Why don't you take that 9mm, cock it back, and shoot me right in the head." As family members were holding Williams down, they were asking both of the officers on scene to detain him because he wants to kill himself. The family members, who were holding Williams down on the ground, began to disengage allowing Williams to be able to get up. Williams then took this opportunity to push himself off of the ground and began to run towards the back of the house. Officer Medina, jumped towards Williams grabbing a hold of his right arm and Williams went to the ground along with Officer Medina. While Williams was on the ground, Officer Shoemake took a position on the left side of him as he was lying on his stomach. Officer Medina was able to control Williams' right arm by placing it behind his back. Officer Shoemake was struggling to get a hold of Williams' left arm due to it being under his chest. Multiple verbal commands were given by both officers with no compliance from Williams. Officer Shoemake attempted multiple times to grab a hold of Williams' left arm, but he would just pull it away from Officer Shoemake's control. Officer Shoemake took his taser out and drive stunned Williams' left lateral back muscle for a 1 second stun. Williams immediately complied by giving his left arm up placing it behind his back in order to place handcuffs on his wrists. While officers were trying to get Williams into custody, he told both officers to just shoot him.

**Investigation:**

The information gathered during this investigation was obtained by field contacts, officer reports case (H2206230), and officers Body Worn Video BWV. I arrived on scene as a field supervisor after the incident occurred and contacted both Officer Medina and Shoemake. Officer Shoemake advised me he used his taser by drive stun during this contact with Williams.

I contacted Joseph Williams (Isaiah's father), whom told me Isaiah came back from being discharged by the Army a different person. Joseph told me Isaiah isn't right in the head. Today, Isaiah was drinking alcohol and telling his father he was going to shoot himself and end all the pain. Joseph believed Isaiah was going to do this because he had been talking about doing it for a while. Joseph said Isaiah tried to shoot himself the day prior with his 12 gage shot gun at his own residence, but Isaiah's girlfriend stopped him. Joseph said today, Isaiah was trying to leave his house in order to go to his own residence to complete the act. This is why they were holding Isaiah down till officers arrived.

**Body Worn Video:**

**BWV from Officer Medina:**

Officer Medina arrives at 1381 Greenbrier Drive with the front door to the residence open. Officer Medina walks into the door way where I could see family members holding down Isaiah to the ground. Joseph tells Officer Medina Isaiah needs to be apprehended because he is trying to kill himself. Officer Medina asks the family members what is going on with Isaiah today. The family tells Officer Medina, Isaiah was trying to shoot himself. Officer Medina radios to dispatch advising to allow EMS to come to the scene. Officer Medina then asks Isaiah how he could help him today. Isaiah looks at Officer Shoemake and tells him to take his 9mm, cock it back, and shoot him in the head. As Isaiah finishes that statement, he quickly pushes himself off of the ground, breaking free from family holding him down, and begins to run towards the rear of the house. Officer Medina's Body camera goes dark, but I can hear him tell Isaiah to place his hands behind his back. The camera comes back into focus and I observe Officer Medina holding onto Isaiah's right arm. It appears Isaiah is physically resistive by pulling his left arm away from Officer Medina's grasp. Officer Medina radio's dispatch asking for a responding officer to step it up. Officer Medina re-grabs Isaiah's arm four times and is able to get his right wrist into a handcuff. Officer Medina tells Officer Shoemake he was able to get the right wrist controlled. I can see Officer Shoemake on the upper torso area of Isaiah attempting to get his right arm. It appears as if Isaiah's left arm is underneath his chest resisting Officer Shoemake's attempts to grab a hold of it. I then can hear the sound of a taser being used quickly, then Isaiah saying, "Okay, Okay". I then see Isaiah's left arm come out from his chest area and then being placed into handcuffs. Officer Medina then places Isaiah into a recovery position until EMS arrives.

**Related Incident #**

BWV from Officer Shoemake:

Officer Shoemake arrives at 1381 Greenbrier Drive contacting Officer Medina at the door way to the residence. Officer Shoemake is seen placing his gloves (PPE) on. I observed Isaiah's girlfriend telling Officer Shoemake, "He wants you to shoot him". Isaiah looks at Officer Shoemake and tells him to take his 9mm, cock it back, and shoot him in the head. As Isaiah finishes that statement, he quickly pushes himself off of the ground, breaking free from family holding him down, and begins to run towards the rear of the house. I observed Officer Medina tackle Isaiah to the ground attempting to get control of Isaiah. As Officer Medina tackles Isaiah, Joseph is between Isaiah and Officer Medina. Joseph is seen getting hit by Officer Medina's right leg and pushed back into the wall where it appears he hits his head. I observe Officer Shoemake's left hand get a hold of Isaiah's left wrist as Isaiah is trying to push himself off of the ground. Isaiah tells both officers, "Do you really think your stronger than me?" As Officer Shoemake has a hold of Isaiah's left wrist, Isaiah is trying to pull away his wrist from Officer Shoemake's grasp multiple times. I can hear Isaiah tell Officer Shoemake, "Do you think if I grab your gun you will kill me!" Isaiah pulls his arm away from the grasp of Officer Shoemake and is able to place his arm underneath his chest. Isaiah tells Officer Shoemake, "I'm doing this so you will kill me." At this time, it appears Officer Shoemake's body camera falls off of his uniform and lands on the ground facing up towards the ceiling. I then can hear the sound of a taser being used quickly, then Isaiah saying, "Okay, Okay". Next I see Officer Shoemake grab his body camera and place it back on his uniform. I observe Isaiah in handcuffs lying on the ground face down.

**Conclusion:**

Based on the totality of the circumstances for this incident, the deployment of the taser by Officer Shoemake by use of a drive stun, was done within Hanford PD Policy 309.4.1 (a)-(k). Although I did not hear Officer Shoemake give a verbal warning under Policy 309.3(a) & (b) before deploying his department issued taser on Isaiah Williams, the totality of the circumstances from a reasonable officer under Policy 300.3.2 PC 835a (a), (b), (c), (e), (f), (g),(h), (j), (l), (m), (n), (o), (p), and (s) was done so within policy.

K9 Deployment

Date: 12/24/2022

Time: 2225 Hours

Officers involved:

K9 Enzo, K9 Handler B. Scandura, Officer Lara, Officer Zamora and Cpl. Aguayo

#### Summary:

Officer Escalera and Lara were dispatched to 994 E Salem Dr regarding a domestic violence incident that had just occurred. Upon arrival, they contacted the Victim and Reporting Party, Jessica Deleon, regarding the incident. Deleon told officers her boyfriend, Gabriel Hernandez, who she has been seeing on and off for the past ten years, physically assaulted her during an argument. Deleon said Hernandez had pushed her causing her to fall back and hit her head. He also pushed their child in common, causing him to fall and hit his head. Deleon informed officers the subject lived at 705 Alder and had left home before the officers' arrival. A records check was done on Hernandez, revealing a Domestic Violence Order protecting Leon from Hernandez, and they were only supposed to have peaceful contact.

Officers arrived in the area of 705 Alder in an attempt to contact Hernandez at approximately 2246 hours. Upon our arrival, we contacted the father of Hernandez, who said Hernandez was not home and he was unaware of where Hernandez was. While at home, I heard a loud bang come from the garage. As I walked toward the east side of the house, I looked over the fence and saw Hernandez running from the garage area, south through the backyard, and out of my view. Units in the area set up a perimeter in hopes of apprehending Hernandez. Officers saw Hernandez at a house over from 705 Alder, which was 681 Acacia.

Multiple officers were pleading with Hernandez to stop running, and also there were numerous Canine announcements given to Hernandez advising him the Canine was going to be used. Hernandez continued to ignore the pleas and would not surrender to officers. Officer Scandura, K9 Enzo, Officer Zamora, and Officer Lara all made entry into the backyard of 681 Acacia. While entering the backyard, I could hear K9 Officer Scandura making K9 announcements. I was about 25 yards away from their location as officers made their way through the backyard toward the north side of the home where Hernandez was last seen. I hear Scandura say he saw Hernandez hiding. I then left 705 Alder toward 681 Acacia, where officers were. When I arrived, Hernandez was being escorted in handcuffs from the backyard. I was told that the K9 was deployed, and that Hernandez was a bit in his right arm area. Medical arrived on the scene and transported Hernandez to Adventist Health medical center to receive treatment for his injuries sustained from the K9 deployment.

**Investigation:**

While medical attended to Hernandez's injuries, I saw he was a bit in the right elbow area. I also saw what appeared to be a laceration to his left thigh. The wound to the left thigh did not appear to be a dog bite. Hernandez was then transported to Adventist Health for treatment, and Officer Lara followed the ambulance to the Hospital.

I responded to the Hospital to obtain a statement from Hernandez regarding the incident. The following is a summary of the statement obtained from Hernandez.

**Suspect: Gabriel Hernandez**

I informed Hernandez of the reason for my contact and that I was a supervisor with the Hanford Police Department. I asked Hernandez what happened this evening. Hernandez said he didn't know but thought his dog attacked him at his mother's home. I then asked if he heard officers giving him orders to come out, and he said he didn't hear anything. I then told him he was arrested over at a neighbor's house. Hernandez said that didn't happen, and he was at his mother's house, where he thinks a police, dog attacked him. I then asked Hernandez if he had anything else to say, and he said he didn't. I then ended the contact with Hernandez.

**Body Worn Video Review:**

I reviewed Officer B. Scandura's body-worn video. The following is the outcome of that review.

**BWV:**

Officer Scandura arrives on the scene at 681 Acacia at approximately 2200 hours. While at the front of the home, Scandura walks toward the north side where officers last saw Hernandez. He gives K9 Enzo a command to bark to alert Hernandez of his presence. He then walks back toward the south side of the home to the gate that leads to the backyard. He eventually makes access to the backyard of 681 Acacia. As he enters the backyard, I hear him give K9 announcements. Scandura then walks north toward where Hernandez was last seen. He opens a gate which opens to the right. He then enters this small area that is blocked off by a gate. K9 Enzo is on a lead and enters the area. There appear to be lots of items stored in that area as K9 Enzo begins to walk back toward Scandura, stops near the gate, and then Scandura gives the command "Revere" which tells K9 Enzo to continue searching for suspect. As Scandura is standing near the gate K9 Enzo lounges to the right where Hernandez is hiding. K9 Enzo engages Hernandez's right elbow area and stays engaged only on the right elbow. Officer Zamora and Lara then place handcuffs on Hernandez, who is escorted to the front of the property. It should be noted while watching the video K9 Enzo stays engaged on the left elbow, and while watching the video, I see the injury to the left thigh area of Hernandez. K9 Enzo never breaks contact, nor

does he bite Hernandez in the thigh.

**Body Worn Video Review:**

BWV: Officer Lara

Upon review of Lara's body worn video she assists with hand cuffing and escorted Hernandez back to the patrol unit.

BWV: Officer Zamora

Officer Zamora body worn video was not activated during the incident.

Based on the totality of circumstances and in the review of Policy 318 Canine and 300 Use of Force Policy. I believe Officer Scandura was within policy when deploying the Canine to apprehend Hernandez.

##### Summary:

On 12/29/2022 at 1516 hours, Corporal Cotta and Officer Hernandez conducted a traffic stop in the area of the 600 block of south Redington Street with the vehicle being occupied by five subjects. Corporal Cotta put out over the radio advising two subjects ran from the vehicle both carrying handguns within their hand as they were attempting to flee the area. One of the fleeing subjects, Jayden Sanders was immediately caught by Officer Hernandez and held at gunpoint near the traffic stop. Corporal Cotta put out a direction of travel for Luis Garcia and what he was wearing. Garcia was last seen running e/b behind the apartment complex jumping fences. (The initial information about the subjects running from the vehicle with handguns wasn't confirmed over the radio until Corporal Cotta put out over the radio reminding officers Garcia is armed with a handgun. Corporal Cotta was possibly covered or didn't get out over the radio advising the subjects being in possession of handguns as they ran from the traffic stop.)

The four subjects at the traffic stop were all detained and a search of the vehicle revealed another handgun under the front passenger seat and a sawed off shot gun including shells in the trunk. A perimeter was set up in the area of Irwin Street and Braden Avenue, the traffic stop location, and Phillips Street and Braden

Avenue. Officer Villela spoke to some residents at 207 Braden Avenue and reviewed video surveillance of Garcia running by the house. Officer Villela put this information out over the radio along with a more detailed clothing description of Garcia. I arrived in the area of 203 Braden Avenue and began to set up the perimeter advising on scene officers we would be doing a yard to yard search with our K-9. The residents at 203 Braden Avenue advised me they observed Garcia jump the fence from the south Redington Street apartments in the backyard of 205 Braden Avenue. The two females pointed to an area where a small shed was surrounded by tall green weeds and multiple leaves on the ground.

I took the position of a cover officer for Officer T. Smith as he had K-9 King on a short lead searching the backyard of 205 Braden Avenue. As we entered the backyard of 205 Braden Avenue, I heard an officer make an announcement of, "Hanford PD. If your in this backyard, make yourself known!" No one answered as we pressed on searching s/b in the backyard. As we were coming up to the shed the females were speaking about, K-9 King took the hard corner immediately biting Garcia on his left arm. Officer T. Smith gave K-9 King verbal commands to apprehend Garcia and stay on him. Corporal Cotta went directly in front of K-9 King as he had a hold of Garcia's left arm. Corporal Cotta slipped, and briefly sat on K-9 King as he was latched on Garcia's arm. Corporal Cotta stood up, and backed away until K-9 King came off of Garcia's arm. Officer Villela was to the right of Garcia as K-9 King was latched onto his arm. Officer Villela was able to get a handcuff onto Garcia's right wrist as K-9 King was engaged. Officer T. Smith observed Garcia obeying the verbal commands to place his hands behind his back and began to disengage K-9 King. As Officer T. Smith pulled K-9 King off of Garcia's left arm, Corporal Cotta still remained lethal coverage and recontacted Garcia stepping in front of K-9 King. Officer T. Smith slipped on the wet ground as he was pulling K-9 King off of Garcia. When Officer T. Smith slipped, K-9 King was still pulling towards Garcia and reengaged on Garcia's right arm. Officer T. Smith observed this, set his feet, and began to pull K-9 King off of Garcia again. As K-9 King was clear, I took the opportunity to place the other handcuff on Garcia's left wrist and he was escorted to EMS waiting for him in the front yard.

**Investigation:**

The information gathered during this investigation was obtained by my involvement on scene as a field supervisor, officer reports case (H2206397), and officers Body Worn Video. I was on scene assisting officers with the perimeter and search of Luis Garcia. Garcia was seen running from a vehicle traffic stop with a handgun in hand. I assisted Officer T. Smith with the yard to yard search of Garcia. As Officer T. Smith was using his K-9 for the search of a possible armed subject, I acted as a cover officer for him following him during the search. In the backyard of 205 Braden Avenue, K-9 King was pulling Officer T. Smith towards a shed area surrounded by tall green weeds. I heard two announcements of Hanford PD officers in the backyard advising anyone in the back yard make themselves known and I heard no response. Just prior to K-9 King approaching the shed, Officer T. Smith gave an announcement of, "Police K-9." The second K-9 King arrived at the back of the shed, K-9 King began to bite Garcia on his left arm as he was lying on his back. Officer T. Smith gave verbal commands to K-9 King to apprehend Garcia and verbal commands to Garcia to show his hands and stop resisting. As K-9 King was engaged with Garcia, I observed Officer T. Smith use his right hand and grab a hold of Garcia's right side of his hoodie, pick him up, and place Garcia on his stomach to the ground. Officer Villela arrived to Garcia's right shoulder and immediately put a handcuff on Garcia's right wrist as K-9 King was engaged with Garcia's left arm. Officer Villela told Garcia, "When he pulls the dog off of you, put your left hand behind your back." Officer T. Smith saw Garcia was complying with verbal commands, so he began to pull K-9 King off of Garcia's left arm. When K-9 King disengaged with Garcia's left arm, Garcia placed his left hand behind his back. As Officer T. Smith was pulling K-9 King off of Garcia, K-9 King was still wanting to engage with Garcia pulling against Officer T. Smith. Officer T. Smith slipped on the wet ground and K-9 King pulled towards Garcia as Officer Villela had a hold of Garcia's right wrist. K-9 King began to bite Garcia's right wrist. Officer Villela let go of Garcia's right wrist as K-9 King was latched onto Garcia's right arm. Officer T. Smith positioned himself over the top of K-9 King and began to disengage K-9 King from Garcia's right arm. When K-9 King was clear from Garcia, I placed the other handcuff onto his left wrist. Garcia was then taken to the front of 205 Braden Avenue and looked over by EMS.

**Related Incident #****Body Worn Video:****BWV from Officer T. Smith:**

Officer T. Smith's body camera is 12m26s in length. Officer T. Smith initially responds to the traffic stop in the 600 block of South Redington Street. Officer T. Smith assisted with getting the subjects into custody and pat searches. Officer T. Smith hears over the radio requesting a K-9 on Braden Avenue and he responds. Officer T. Smith then begins his search of the backyard of 203 Braden Ave. The search then continues to 205 Braden Ave. I hear Cpl. Cotta announce, "Hanford PD, if your back hear, make yourself known." I heard no response. Just as K-9 King comes up to the shed area, Officer T. Smith makes an announcement, "Police K-9." I observed K-9 King pull hard and turn to the east and start to bite Garcia as he is lying on his back to the ground. It appeared as if Garcia used the leaves to try and cover himself. Verbal commands were given to Garcia to put his hands out and then behind his back as K-9 King was biting his left arm. I hear Officer Villela give a verbal command to Garcia to place his hand behind his back. Officer Villela then grabs a hold of Garcia's right arm and places a handcuff on his right wrist. Officer T. Smith then begins to pull K-9 King off of Garcia. It appears K-9 King pulls away from the control of Officer T. Smith and engages with Garcia's right arm. Officer T. Smith see's K-9 King on Garcia's right arm and asks officers around Garcia to give him some space to work his dog in order to pull him off of Garcia. Officer T. Smith then pulls K-9 King off of Garcia and gives verbal commands to K-9 King calm him.

**BWV from Officer Villela:**

Officer Villela's body camera is 5m41s in length. Officer Villela begins to search the area of 205 Braden Ave with Cpl. Cotta. I observe the resident of 205 Braden Ave standing on his back porch looking into his backyard. Cpl Cotta asks the resident if someone is in his backyard and he responds by telling him, "Aint nobody back here." Cpl. Cotta asks Villela if there is a dog and Villela advises Troy is next door. Officer Villela goes back to the porch area with Cpl. Cotta when they are advised to hold their search by me due to K-9 King coming to the back yard. I hear Cpl. Cotta announce, "Hanford PD, if your back hear, make yourself known." I heard no response. Just as K-9 King comes up to the shed area, Officer T. Smith makes an announcement, "Police K-9." Officer Villela walks towards the east side of the shed as Officer T. Smith/K-9 King walks towards the west side of the shed. When Officer Villela hears Officer T. Smith giving verbal commands to Garcia, he runs to his position. I can hear Garcia tell the officers, "I aint got nothing." I see K-9 King engaged with Garcia's left arm and Cpl. Cotta assisting Officer T. Smith picking up Garcia and placing him onto his stomach to the ground. Officer Villela then places a handcuff to Garcia's right wrist. I can hear Garcia screaming, "Owe, owe, owe" as K-9 King was engaged. Officer Villela orders Garcia to put his hand behind his back as soon as the dog lets go. Garcia is seen complying with this command as K-9 King is pulled off of Garcia by Officer T. Smith. I am seen placing the other handcuff on Garcia, then Officer Villela searches Garcia. Officer Villela stands up Garcia and walks him to his patrol car where he is placed in the back of.

**BWV from Corporal Cotta:**

Cpl. Cotta's body camera during the search of Garcia is 4m26s in length and begins in front of 205 Braden Avenue. Cpl. Cotta walks to the backyard of 205 Braden Avenue and verbally announces, "If anyone is back here, show us your hands." No response was heard. Cpl. Cotta then begins to advance into the backyard of 205 Braden Ave with Officer Villela and a KCSO deputy. Cpl. Cotta then hears a dog is coming up, and retreats to find cover and wait for the dog. I hear Cpl. Cotta announce, "Hanford PD, if your back hear, make yourself known." I heard no response. Cpl. Cotta advances with Officer T. Smith along with K-9 King to the shed area. I hear Officer T. Smith make an announcement, "Police K-9." I then hear Officer T. Smith give verbal commands to K-9 King to engage with Garcia. Cpl. Cotta remains lethal cover with his department issued firearm pointed at Garcia as K-9 King is engaged with Garcia's left arm. As Officer T. Smith is trying to pull K-9 King off of Garcia, I observe Cpl. Cotta back up behind cover. When K-9 King comes off of Garcia, Cpl. Cotta tries to engage with Garcia. I then observe K-9 King pull away from Officer T. Smith and try to reengage with Garcia. Officer T. Smith says, "Hey, watch out!" as he is pulling on the choke collar trying to get K-9 King off of Garcia. When K-9 King is free of Garcia, I step in to handcuff Garcia. Garcia is searched and then Cpl. Cotta tells Officer Villela to take Garcia to the front.

Luis Garcia admin statement completed by Sgt. Gustin:

Sgt Gustin was on scene after Garcia was in custody and asked Garcia why did he run from the traffic stop? Garcia responded, "Because I was scared." Sgt. Gustin asked Garcia if he heard the announcements from officers in the area. Garcia responded, "No man, I was falling asleep." Garcia's dog bite injuries were photographed by Sgt. Gustin and later uploaded into Evidence.com. Garcia was taken to AMC Hanford for his injuries for jail clearance.

**Conclusion:**

Based on the totality of the circumstances for this incident, suspect Garcia being seen running with a handgun in his hand, and the immediate threat to the public and officers in the area, the deployment of K-9 King by Officer T. Smith for the apprehension of Garcia was within Hanford Police Department policy 300.3.1, 300.3.2 (a), (b), (d), (f), (g), (h), (k), (l), (m), (n), (o), (p), (q), (r), and (s), 318.6 (a), (b), (c), 318.6.1 (a)-(g), and 318.6.2.

### Narrative

On May 13th, 2022, Officer K. Smith was transporting Danielle Renteria to the Kings County Jail for booking. The initial charges for Renteria were PC 647f and H7S 11364. While in route to the jail Renteria was in the back seat of K. Smith's patrol vehicle and was able to slip her cuffs bring both her hands to the front. Upon arrival to KCJ Officer K. Smith exited her vehicle, secured her service handgun, magazines and knife in the trunk of her vehicle. Officer K. Smith went to the rear of her passenger side of her vehicle to retrieve Renteria from the back seat; upon doing so she observed Renteria's Cuff Free hands in her lap. She instructed Renteria to turn away from her while seated and put her hands behind her back; Renteria complied up until point of Officer. K. Smith reaching in to secure her hands. Renteria turned quickly towards Officer K. Smith pushing her out of the way. This allowed space for Renteria to exit the vehicle on her own accord. Renteria stood outside the vehicle holding the set of hand cuffs in her left hand and swinging in a downward motion striking Officer. K. Smith. Attempts to block these strikes were made when Officer K. Smith raised her right arm. She was able to remove the cuffs from Renteria but was struck several times with a closed fist on the left side of her face.

Renteria reached and grabbed the left leg of Officer K. Smith attempting to lift and take her to the ground. While this occurred Officer K. Smith began to push Renteria by the collar bone/ neck area to gain distance between each other. This attempt failed and Renteria advanced closer to Smith now reaching for and grabbing her service taser located on her right hip. Smith at this time delivered a strike to Renteria's face with her right hand in an attempt to gain distance. This failed and Renteria lunged forward now with her mouth wide open making attempts to bite the face and neck of Smith. Smith; using her left hand began pushing on the face of Renteria to turn her head away and to avoid being bit on the face. Renteria was able to turn her head enough to the left hand of Smith and began biting down on the left index finger of Smith. Renteria continued biting on the index finger of Smith; until Smith used her thumb to apply pressure to the closed right eye Renteria. Applying enough pressure freed the finger from Renteria's mouth. Renteria then began pulling Smith's hair and pressing her finger into Smith's left eye. It was at this time Renteria took Smith to the ground; using her body weight to against Smith keeping her on the ground and striking her several times with a closed fist and elbow in the torso.

Jail staff heard Smith yelling and giving commands and exited the jail into the sally port area and assisted by taking Renteria into custody. Renteria's injuries were minimal and documented with BWV during interview with Renteria.

## Narrative

### Narrative

From: Corporal Chad Medeiros  
Subject: Use of Force

#### Summary:

On 09/13/2022 at around 1723 hours Hanford dispatch requested officers to respond to the area of 118 N. Douty Street (Huggys Bar). The call details pertained to a vagrant male, later identified as Gavin Denham, yelling and threatening the reporting person. Additional details were that Gavin had "swung at" the reporting person.

Officer Sitter along with Officer Shearer responded and arrived around the same time. Upon their arrival Officer Sitter observed Gavin walking west through a nearby alley way, just south of the Huggys bar. Based on the details of the investigation Officer Sitter ordered Gavin to come to him. Gavin yelled at Officer Sitter to get away while also stating "back up now." Officer Sitter had his taser pointed at Gavin while approaching, at which time Gavin replied "that's not a gun, back up now." Officer Sitter went hands on in order to detain Gavin and prevent his escape. At the time, Gavin started to resist and pull his body away.

During the struggle, Officer Sitter utilized his (Officer Sitter's) left foot to kick Gavin's legs out from under him

(Gavin) so Gavin would go to the ground. As Gavin went to the ground, Officer Shearer approached and started to assist with the apprehension. Officer Sitter then attempted to roll Gavin to his stomach; however, Gavin refused. Officer Shearer made verbal announcements to Gavin, ordering him to stop resisting. Officer Shearer also verbalized to Gavin that if he continued to resist he (Gavin) would be tased.

Gavin continued to resist at which time Officer Shearer utilized his department issued taser and drive stunned Gavin. During the altercation Gavin was drive stunned on his lower back. Gavin continued to resist while keeping his left arm tucked under his body. Officer Sitter tried pulling Gavin’s arms out from under him while also ordering Gavin to give officers his arm. Due to Gavin’s refusal, Officer Sitter struck Gavin twice with a closed fist to Gavin’s lower left side of his ribs. Around this time, Officer Shearer also drive stunned Gavin an additional time within an area of Gavin’s back. This ultimately caused Gavin to remove his left arm from under his body thus allowing officers to handcuff him.

After Gavin had been handcuffed Officers still struggled to get him off of the ground and into a patrol vehicle. Gavin was kicking his legs and at one point kicked Officer Sitter twice in his (Officer Sitter’s) leg. Gavin was yelling at officers while stating that he was free to go. Officer Shearer again utilized his taser to drive stun Gavin in an attempt to gain compliance. Officers were unable to place Gavin inside of a patrol vehicle due to his resistance. Officers determined that the most effective approach to a resolution was to have an ambulance respond and to place Gavin on a gurney. Gavin was successfully secured to a gurney, transported to Adventist Medical for a jail clearance, and booked into the jail.

**Narrative:**

**Notification/ Observations:**

On 09/13/2022, at approximately 1723 hours I heard via the radio, Hanford officers being dispatched to the Huggys Bar due to a homeless male attempting to strike the reporting person. Officer Shearer and Officer Sitter arrived and were able to locate the homeless male, identified as Gavin Denham. A short time later, I heard via the radio Officer Sitter requesting additional units to respond. I arrived on scene and observed Officers struggling to get Gavin into a nearby patrol vehicle parked within an alley way, just south of the Huggys bar. Gavin was handcuffed while lying on his stomach within the alley way.

As I approached, Gavin was kicking his feet while attempting to avoid being placed in a patrol vehicle. At one point officers lifted Gavin and attempted to place him in the back of a patrol vehicle; however, due to Gavin kicking and forcibly moving his body officers were unsuccessful. Sergeant Barker was on scene and explained to Gavin that he was under arrest, at which time Gavin responded by stating that he (Gavin) was not under arrest. At the time, Sergeant Barker, Officer Medina, along with Officer Shearer held Gavin on the ground in order to control his aggressive movements. At times, Gavin was rolled on his side due to being handcuffed. When rolled to his side Gavin would force his body back to the ground.

Based on Gavin’s behavior along with his signs of excited delirium, I elected to have an ambulance respond and assist with the situation. Once the ambulance arrived Gavin was carried to a nearby gurney. Gavin had to be strapped down to the gurney as he continued to attempt to free himself. Gavin was transported to the hospital by ambulance and cleared before being booked into jail.

Statement (Officer Shearer):

See case number H2204528 regarding Officer Shearer's supplemental narrative and involvement.

Statement (Gavin Denham):

Refused to speak with me.

Witness Statement (Linda Hill):

While on scene I spoke to the reporting person/witness involved in the investigation identified as Linda Hill. Linda informed me that she knew the homeless male (Gavin) to be causing issues in the area throughout the day. She said that she had been standing in front of the Huggys bar smoking a cigarette when Gavin approached Linda and started yelling at her. Linda then yelled back at Gavin to "get the fuck away from me." Gavin swung a closed fist at Linda and almost struck her in the face. Linda said that she went inside the business and called 911.

She said that when officers arrived they had to take Gavin to the ground. During the process officers attempted to put Gavin in the patrol vehicle but he was fighting "the whole way." I asked her what she meant by fighting the whole way. She said that he was screaming and yelling. She said that she did not see everything due to the patrol vehicle being in the way but stated that officers were "struggling to get him."

Investigation:

I later viewed Officer Sitter along with Officer Shearer's body-worn camera footage along with my own personal observations and learned the following. Upon viewing the recorded footage, I observed Officer Sitter driving east in the alley way just south of the Huggys bar. Officer Sitter stops his patrol vehicle within the alley way, at which time he exits. As Officer Sitter exits, you can hear Gavin yelling "Back up now, back up now" while Officer Sitter ordered Gavin to come to him.

Officer Sitter quickly walks around the back of his patrol vehicle as Gavin continues to walk west on the alley way. As Officer Sitter approached Gavin he (Officer Sitter) is holding a taser with his right hand while pointing the taser at Gavin. Officer Sitter is ordering Gavin to stop. Gavin yells "That's not a gun, you back up now."

Officer Sitter grabs onto Gavin at which time Gavin pulls his body away. Gavin is still yelling at Officer Sitter, such as "get the fuck off of me." While Gavin and Officer Sitter struggle with each other, Gavin goes to the ground thus landing on his back. Officer Sitter still has his taser pointed at Gavin while ordering Gavin to roll over otherwise he (Gavin) would be tased. Gavin is still yelling at officers to stop.

By this time in the altercation, Officer Shearer is assisting with controlling Gavin. Officer Shearer assists with rolling Gavin to his stomach then applies weight to Gavin's back to avoid Gavin from rolling back over. Officer Sitter's body-worn video showed Gavin attempting to force his body up while yelling at officers to stop and get off. During this contact Gavin had been wearing heavy clothing; however, while on the ground a portion of Gavin's lower back was showing. Officer Shearer utilized this area to drive stun Gavin with his taser in an attempt to get a pain compliance. During the drive stun, Gavin yelled which showed that he had felt pain.

Gavin had his left arm and hand tucked under his body and was refusing to give it to officers. Officer Sitter was ordering Gavin to give his hand. Officer Sitter close hand stuck Gavin on the left side of his body while pulling his arm in an attempt to get it out from under his body. Officer Shearer again used his taser to drive stun Gavin on his lower back area. This appeared to be effective as Gavin now allowed for both of his arms and hands to be placed behind his back. Officer Sitter was successful in placing Gavin in handcuffs.

After Gavin had been handcuffed, Officer Shearer placed his taser back in his holster. During this process

Gavin was yelling to “get it off.” Officer Shearer and Officer Sitter placed gloves on their hands while Officer Shearer utilized his body weight and applied pressure to Gavin’s back with his knee in order to keep Gavin from standing.

An officer asked Gavin if he was feeling alright, however; Gavin’s response was yelling at officers “get it off me, I am free to go.” Officer Shearer and Officer Sitter picked up Gavin and stood him to his feet. Gavin refused to stand and bent his knees thus causing officers to have to carry him. While Gavin was carried to the patrol vehicle, he was claiming that he was free to go. Gavin was placed against the rear corner panel of the patrol vehicle while being searched. During the search Gavin was moving his body, possibly in an attempt to escape. Also, during the search, Officer Sitter ordered Gavin to stop kicking at him.

Officer Shearer along with Officer Sitter attempted to get Gavin inside of the patrol vehicle. Gavin was partially shoved into the vehicle but refused to cooperate and was once again kicking, yelling, and possibly trying to escape. Officers were eventually able to get Gavin into the rear of a patrol vehicle, however; Gavin stiffened his body thus causing the rear driver side door to be blocked from closing due to Gavin’s upper body blocking the threshold.

Officer Shearer had to open the rear passenger side door once again and pull Gavin back, in order for the rear driver side door to close. Once the rear driver side door was closed, Gavin was able to slide his body back out of the patrol vehicle along the passenger side. By this time, Officer Sitter requested via the radio for additional units to respond. Gavin was now knelt along the rear passenger side while facing the entry way of the opened backdoor. He was refusing to cooperate while yelling at officers. Officer Shearer had been standing behind Gavin while holding onto him with one hand. I was able to hear a taser being deployed, which I believe Officer Shearer utilized to drive stun Gavin in an attempt to gain compliance.

Gavin was able to fully lay down on the concrete now creating a greater distance from his body being placed in the back of the patrol vehicle. Additionally, he was able to slide his right leg under the patrol vehicle making it more difficult to gain control. Officer Crain arrived and started to assist with this process while Officer Shearer and Officer Sitter lifted Gavin, while trying to angle his body into the patrol vehicle.

Once Gavin gained stability on his feet he lunged/forced his body away from the vehicle towards where Officer Shearer had been standing. Gavin landed on the ground and was now lying on his back while facing upward. By this time, Officer Medina, Sergeant Barker, and I had arrived on scene. Gavin was picked up by officers but still kicked and tried to roll his body while officers attempted to place him in the back of the patrol vehicle. The upper portion of his body was forced into the patrol vehicle; however, he utilized his legs to force against the vehicle for stability to avoid being placed inside. Gavin was also yelling at officers while stating “I’m not getting raped, I’m not getting raped in the name of Jesus.”

Ultimately, Gavin was fully removed from the vehicle and placed back on the ground. Officers controlled Gavin against the ground while waiting for an ambulance. Also, officers rolled Gavin to his side while handcuffed to confirm that he was able to easily breathe; however, he continued to resist and forced himself back onto his stomach.

I requested an ambulance respond due to his signs of possible excited delirium such as his erratic behavior and irrational statements. Once the ambulance arrived Gavin was lifted by officers and placed on an ambulance gurney. Gavin was still attempting to kick his legs and making attempts to escape custody which resulted with him being strapped to the gurney. Corporal Cotta rode inside of the ambulance with Gavin to the hospital. Gavin was cleared by medical personnel and booked without further issue.

300.3 (Use of force)

Officers shall use only that amount of force that reasonably appears necessary given the facts and totality of the circumstances known to or perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose (Penal Code § 835a).

300.3.1 (Use of force to effect an arrest)

Any peace officer may use objectively reasonable force to effect an arrest, to prevent escape, or to overcome resistance. A peace officer who makes or attempts to make an arrest need not retreat or desist from his/her efforts by reason of resistance or threatened resistance on the part of the person being arrested; nor shall an officer be deemed the aggressor or lose his/her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or to overcome resistance. Retreat does not mean tactical repositioning or other de-escalation techniques (Penal Code § 835a).

300.3.2(Factors used to determine the reasonableness of force)

300.3.3

m. Potential for injury to officers, suspects, bystanders, and others.

r.Prior contacts with the subject or awareness of any propensity for violence.

300.7 (Medical Consideration)

Once it is reasonably safe to do so, properly trained officers should promptly provide or procure medical assistance for any person injured or claiming to have been injured in a use of force incident. Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff, or medical staff at the jail.

309.4.2 (APPLICATION OF THE TASER)

Authorized personnel may use the TASER when circumstances known to the officer at the time indicate that such application is reasonable to control a person in any of the following circumstances:

- a.The subject is violent or physically resisting.
- b.A subject who by words or action has demonstrated an intention to be violent or to physically resist and who reasonably appears to present the potential to harm officers, him/herself or others.
  - 1.When practicable, the officer should give a verbal warning of the intended use of the TASER followed by a reasonable opportunity to voluntarily comply.
  - 2.The officer must be able to articulate a reasonable belief that other available options appeared ineffective, impractical or would have presented a greater danger to the officer, the subject or others.
- c.Absent meeting the conditions set forth in (a) or (b) above, or a reasonable belief that an individual has committed or threatened to commit a serious offense, mere flight from a pursuing officer shall not serve as good cause for the use of the TASER to apprehend an individual.

In my opinion, Officer Sitter was within policy while utilizing his body weapon such as his fist to control and gain compliance during the altercation with Gavin.

Additionally, in my opinion, Officer Shearer was within policy while utilizing his taser during each drive stun application as Gavin showed his willingness to fight officers along with his continued attempts to escape. Although Gavin had been handcuffed at the time of some administered taser applications, Gavin showed that he was still a threat to the safety of officers by kicking Officer Sitter while handcuffed and also lunging towards Officer Shearer when officers attempted to place him in the back of a patrol vehicle. I believe that Gavin had shown officers that the use of the drive stun had been successful when the first application to his back area caused him to give officers his arms in order to be handcuffed. This ultimately caused officers to believe its effectiveness would continue throughout the arrest.

Lastly, officers provided medical care to confirm Gavin's condition even though he showed no visible injuries.

Added on 9/25/2022:

After submission of this report I further met with experts in the involved topic of utilizing the taser. During my research, it is now my opinion that Officer J. Shearer violated Hanford PD policy section 309.4.4 "Targeting Considerations" when he drive stunned Gavin within Gavin's neck area.

**Narrative****Narrative**

On Sunday, January 23, 2022 at around 0819 hours, Officers were dispatched to 301 W Lacey Blvd (Burger King) regarding a 6-foot-tall, Black Male Adult (BMA) who vandalized a light to the business and assaulted an employee. The following summary and statements regarding the incident were obtained from speaking with involved parties on scene, reviewing Officers body worn video, reviewing Officers reports, and my observation upon arriving on scene.

Officer Villela arrived on scene and contacted the reporting party. The reporting party advised Officer Villela that a BMA wearing a brown jacket and blue jeans broke one of the store lights and assaulted one of their customers with a large plastic wet floor sign. The customer was described as an elderly white male adult wearing a blue shirt and pushing a grocery cart. Both the suspect and the victim fled the scene prior to Officers arrival.

Officer Crain located a BMA matching the description of the suspect involved in the investigation. Officer Crain advised via radio that he located the suspect walking eastbound on Eighth St behind the business (Burger King). The subject was later identified as James Eason. Based on Eason matching the description of the suspect involved in the assault being investigated, Officer Crain felt it was necessary to detain Eason. Officer Crain then proceeded to contact the subject. When Officer Crain approached Eason he observed Eason was smoking a cigarette. Officer Crain asked Eason to put his cigarette out during the contact. Eason did not comply with Officer Crain's commands. Officer Crain reached for his hand cuffs and advanced towards Eason to detain him. Officer Crain grabbed ahold of Eason's left wrist and told him he was going to be detained regarding his involvement with the assault investigation.

Moments after Officer Crain contacts Eason, Officer Villela exited the business (Burger King) and advances to Officer Crain's location. Officer Villela observes Officer Crain trying to hand cuff Eason. Officer Villela assist with handcuffing Eason by grabbing Eason's right wrist. Eason then began to straighten out his arms vertically by tightening his muscles and locking his arms out and pull away from Officer Crain and Officer Villela's grip. Officer Crain verbally instructed Eason two times to get on his knees. Officer Crain provided Eason with this command so that he (Crain) and Officer Villela could be in a position of advantage to effect an arrest and prevent escape. Eason refused to comply with Officer Crain's commands and continued to pull away from Officer Crain and Officer Villela's grip. Officer Crain used the outside of his right foot to kick Eason in the back of his left knee and ran the outside of his foot downward on Eason's calf, effectively causing Eason's knee to bend. This kick was able to break Eason's stance and Officers were able to effectively take him to the ground. While on the ground Officer Crain gave Eason several commands to put his hand behind his back and stop resisting. Eason did not comply to Officer Crain's commands. When Eason fell to the ground he ended up in a clutched position with his arms against his body and his knees bent. Officer Villela recognized this position as a position a person would use to prevent control of their arms and legs by Officers. While Eason was in the clutched position Officer Villela attempted to get up to his feet. During this time Officer Villela observed Eason had raised his right leg towards His (Villela) hip. Officer Villela believed Eason was attempting to prevent him from effecting the arrest and was going to kick him. Officer Villela elected to deliver two punches to the right side of Eason's head to overcome resistance and effect the arrest.

I, Cpl. Cano arrived on scene and observed Officer Crain and Officer Villela attempting to detain Eason. Officer Crain had ahold of Eason's left wrist and Officer Villela had ahold of Eason's right wrist. As I exited my patrol vehicle I observed Eason pulling away from Officer Crain and Officer Villela's grip. Officer Crain then kicked at the back of Eason's left knee in order to take him to the ground to overcome the resistance and effect the arrest. The kick was effective and Eason went to the ground. Eason continued to resist Officers. I ran to the Officers location to assist with the arrest. As I closed the distance I observed Officer Villela punch Eason in the upper back torso near the base of Eason's neck. When I was close enough, I grabbed ahold of Eason's left wrist. Once I grabbed ahold of Eason's left wrist, Eason tightened his arm and tried to pull away from my grip. I was able to force Eason's left arm behind his back. Once Eason's hands were behind his back Officers were able to place cuffs on Eason. After cuffs were placed on Eason he was placed in the back of Officer Fogal's patrol vehicle and EMS was requested to treat any potential injuries Eason may have received during the arrest.

Inter-Office Communication

Date: January 1, 2022  
To: Lieutenant Justin Vallin  
From: Sergeant Gabriel Jimenez  
Subject: Use Of Force Administrative investigation (LEFTA # 2021-08)

#### Summary:

On 1/1/22 at about 0120 Hrs Officers responded to 1078 Sandstone for a disturbance call involving an intoxicated subject. Upon arrival officers contacted both parties involved. The male subject was intoxicated and became belligerent with the officers. They attempted to place him under arrest and he began resisting them. The officers took him to the ground where the male continued to resist and at one point grabbed one of the officers by the throat and refused to comply. He was punched in the face two times in the face rendering him unconscious and the officers were able place handcuffs on him. Officers were able to take the suspect into custody and he was arrested for several charges.

Photographs of the injuries to the officer and suspect were taken at the scene and later attached to this administrative report.

**STATEMENT (Colvin)**

On 1/1/22 at about 0130 Hrs I spoke with Seth Colvin in the back of a patrol unit. Colvin was hand cuffed and in custody. I noticed his left eye was swollen shut. I also smelled a strong odor of an alcoholic beverage. I asked him if he was ok and he stated he didn't know and his eye was swollen. I asked him if he was checked by the EMT's on scene and he told me that he was not. I had been told that the paramedics left due to Colvin refusing treatment. I told him that they attempted to treat him but he refused to be treated. He said he refused because he thought he was going to get to pay a fine then go home. I asked him if he could tell me what happened. Seth told me that he and his wife decided to go trick or treating but his wife's family started giving them a problem. He said now he is busted up and his eye is swollen shut. I asked if he could tell me what happened with the officers and he started telling me about problems with his family. I told him I needed to know why the officers used force on him and if he could tell me why they did.

He told me they pulled him out of the car and then started asking him a lot of questions. Then went onto another topic. I asked what happened when the officers asked him the questions and he said nothing and he wasn't being disruptive or anything and he was just trying to get to his moms house and he is not trying to cause any disrespect. I again asked him why the officers used force on him and he said he was not "100% honest" then started speaking about his family again. I asked why his eye was swollen and he said because they hit him. I asked what the altercation was between the officers and he said he did not have an altercation with the officers. He said he had an altercation with other people and was swinging at people that were not officers who were telling him he could not go home. I asked if he remembered grabbing any officer and he said no. I asked if he remembered the officers telling him to stop resisting and he said yes "and I did" He said at the time "they were made that they were officers I quit resisting". I asked when did he notice they were officers and he said it was past the point when, stopped mid-sentence then said when they jumped him. Seth again began talking about his family and wasn't making much sense. He told me all he was doing was walking the streets of Fresno looking for his daughter. I then told him he was in Hanford and he said he thought he was in Fresno. I then ended the conversation with the Seth. Seth was intoxicated and was not able to focus on the questions that I was asking him.

UOF-2021-08

I spoke to Shirley Gaod. She was also in custody in the back of a patrol unit. I asked if she could tell me what happened and she said she did not know what happened. I asked her what happened with her husband and the officers and she told me that they were telling him something but could not remember what they were telling him and the next thing she new they were jumping on top of him. She said he was telling the officers what was going on and they told him to calm down then said "honestly I don't remember all of it" while speaking with her I could smell a strong odor of an alcoholic beverage. I asked her if she had been drinking and she said yes and had one drink a couple hours ago.

I asked her if she knew they were police officers and she said yes. She also then began talking about her family and a previous arrest on her husband for a domestic violence against her. I asked her if she knew who called the police tonight and she said she did not know who called or what happened. She said the only thing she knew was that she and her husband were being arrested. Goad said that her husband was sitting on the curb and was arguing with the officers. She did not know what it was about. She said they told him something and her husband replied no to the officers and they then started "tussling" she said she knew it was wrong but the officer who was on top of her husband started punching him. I asked if she tried to stop the officers and she said yes because he was lying on the ground and wasn't swinging. She did not have any further information.

**WITNESS (Torres)**

I spoke to a female who was standing in front of her house during the altercation. I asked her if she saw what happened with the officers and she said yes. She told me she was inside her house when she saw lights on her surveillance camera. She said they stepped out and the guy was already arguing with you guys. She said they started getting louder and the guy then punched or shoved one of the officers. She said that was when the officers took him down. I asked if she could tell what was being said and she said no. She said the guy was the one that threw the first punch. She said when the officers took him down the guy's wife then tried to get involved. I asked what the wife was doing and she said she was pushing the officers and telling them not to hit him. She said the only thing she heard was the guy keep asking the officer if he had ever had an argument with his wife.

**STATEMENT (Officer Smith)**

Please see Officer Smith's supplemental report and body worn camera

**STATEMENT (Officer Zamora)**

Please see Officer Zamora's supplemental report and body worn video

**EVIDENCE:**

Body worn video and photographs are located in evidence.com Case # h2200004

**CONCLUSION:**

After speaking to a witness, reviewing the involved officer's reports and the body worn video of this incident, it is my opinion that the officers involved were within policy pertaining to the use of force. Suspect Colvin was contacted in the driver seat of his car and was intoxicated. He became belligerent with the officers and failed to comply. While attempting to arrest Colvin he began to physically resist and curse at the officers. At one point grabbing one officer by the throat and pushing another.
