During the fall of 2022-2023, The Bromfield middle/high school began its process of splitting into separate schools that share the same facilities: The Bromfield Middle School (MS) and The Bromfield High School (HS). Harvard Public Schools' proposed budget for 2024-2025 has plans for some of our mental health personnel to work full time in one school while others are budgeted to split their time between the Middle School and the High School.
