Attention: Douglas Russell

Subject: Customer Acceptance

Project Name: HAVERHILL HIGH DRS 36 37B
Project Number: 440SNN0455
Quote/Proposal#: PM05568609P

To whom it may concern,

Convergent Technologies LLC has completed the installation and commissioning of all goods and services provided in association with the Customer Contract.

Alterations to product or repair service not provided by Convergent Technologies LLC will void all warranties. All warranties are void if a product is damaged, becomes defective or malfunctions due to accident, abuse, vandalism, neglect, lightning, electricity, water, environmental or other hazard, or act of God.

I accept the above-named system from Convergent Technologies. All items are installed and setup per contract or per customer instruction. Any known open or un-accepted items will be listed below.
