RE: Public Records Request Received
File No. PRR-2025-03

Dear Ms. Monks:

This letter is to acknowledge your public records request dated February 5, 2025, which was received in this office on February 5, 2025, for the following documents:

1. Number of Data Center Customers - The total number of customers categorized as "data centers" or equivalent from January 1, 2019, to the present, broken down by year.
2. Electricity Consumption - The total electricity consumption (in kilowatt-hours or megawatt-hours) attributed to data center customers for each year from January 1, 2019, to the present.
3. Growth of Data Center Customers - Year-over-year growth (in terms of number and consumption) of data center customers from January 1, 2019, to the present.
4. Internal Communications - All internal communications, including emails, meeting minutes, memos, and reports, related to policies, plans, or discussions on serving data center customers, dated from January 1, 2019, to the present.
5. Policies and Guidelines - Any official or draft policies, guidelines, or procedures created, revised, or implemented since January 1, 2019, that address the operation, service rates, or requirements for data center customers.

To assist in processing this request, I am specifically interested in documents, communications, or data related to:

- Power usage and billing structures for data center customers.
- Discussions on accommodating the growth of data centers in the service area.
- Environmental and infrastructure impact considerations related to data center customers.

We have started to process the records responsive to your request and estimate we can have them ready for you by March 13, 2025. If we are unable to meet that date, we will contact you and let you know when to expect the work will be completed.

Please contact me at (509) 933-7200 X805 if you have any questions.

Sincerely,

Madison Triggs
Public Records Officer
