Pursuant to Wis. Stats. §19.35, this letter is in response to the Public Records Request that you submitted via e-mail to the City of Lake Geneva City Clerk on June 10, 2024, in which you requested the following:

Lake Geneva tourism commission audio recording for June 10,2024  
Lake Geneva tourism commission letters sent to and referred to on May 13,2024

The City of Lake Geneva has found multiple records that meet the criteria as specified above; these records have been attached along with this letter.

The additional request from June 27, 2024, for the following:

the recording from the special tourist committee meeting on 6.27.24 at 2 p.m.

The City does not have any records that meet this criteria; there was not a meeting on June 27, 2024, and no recording of the Special Tourism Commission meeting on June 25, 2024 exists.

If you are not satisfied with this response, you have the right to have my determination reviewed by mandamus pursuant to §19.37 (1), *Wis. Stats.*, or upon application with the Attorney General or District Attorney, pursuant to §19.35 (4)(b), *Wis. Stats.*

Sincerely,  
Vanessa Jahns  
Deputy City Clerk
