Dep. Grayson narravtive

On 06/20/22 at 0220 hours, I initiated a traffic stop for expired registration. I approached the male driver Keiron Sneed. I asked Keiron for his license and proof of insurance. Keiron stated he did not have insurance and just received a citation for it last night by Dep. Lasanska. I asked Keiron stated that he just bought the car a couple months ago from a guy named Joey. The vehicle came back to a Christopher Carson. I asked Keiron who Christopher was, He stated it was the guy Joey bought the vehicle from.

I asked Keiron if he had the tittle to the vehicle. Keiron stated that he did not and has to pay \$100 that he owes to get the tittle from Joey. I advised Keiron that his registration is expired and that he is driving on someone else's registration which is illegal. I advised Keiron due to him not having insurance, expired registration, and failure to transfer registration over to his name. I was going to tow the vehicle and issue him a citation for expired registration. Ron's Towing arrived on scene, I took possession of the registration plates. I gave Keiron a ride to Lincoln Inn hotel off of Logan St in Lincoln IL.

I issued Keiron his copy of his citation and advised him of the fine and the court date. I advised Keiron that he needed to get registration in his name.
