Narrative

██████████ also wanted to request that any and all documentation regarding her son reflect accurate information. Due to Krys going through the process of gender reassignment, she wanted to make sure he was being accurately identified as male. Prior to the incident, Krys had already been awarded court documentation that allowed him to change his name and gender via the DMV.

I advised her that I would be forwarding her request to all involved personnel regarding documenting Krys Brandon Ruiz as a male.
