Dear Requester,

Maryland Occupational Safety and Health (MOSH) has received your 5 requests under the Maryland Public Information Act on 6/24/2024 regarding Case numbers T8477-012-23; T8477-002-21; E2047-031-23; E2047-072-20; and H5389-036-22.

I am writing to advise you that it will take more than 10 working days to produce the records requested. MOSH anticipates that it can take up to 30 days to collect and review the collected materials. At this time, I am unsure if all of the records are subject to inspection but, should any documents need to be withheld, the response will explain the reason for that.

If MOSH can be of further assistance, please reach out to us at [mosh.mpia@maryland.gov](mailto:mosh.mpia@maryland.gov).

Thank You,

To Whom It May Concern:

Pursuant to the Maryland Public Information Act, I hereby request the following records:

I'd like to request the full abstract report/any other supplementary documents from this inspection report #1652628 and report #T8477-012-23 on this date 02/22/2023.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would request a waiver, as I am a member of a nonprofit press outlet and these records will be used in the public interest. The requested documents will be made available to the general public, and this request is not being made for commercial purposes. I would prefer the request fulfilled electronically by email attachment.
