Re: *Response to Open Records Request.*

Dear Mrs. Haskins:

On January 2nd 2024 the McIntosh County Board of Elections and Registrations received your open records request(s) dated December 15th and 20th 2023. Election Supervisor Elenore “Doll” Gale brought the requests to my attention as per the office’s standard procedure.

In summary, your requested information related to the use of “Eagle AI” by the office. (Original requests attached for reference.) After a review throughout the office, we have no reference to Eagle AI in any documents other than these open records requests. Mrs. Gale does not know what Eagle AI is and has never done business with them or discussed doing business with them. **As such, there are no documents or materials that are responsive to your request.**

Sincerely,
Jason A. Nix
Attorney for the McIntosh County Board of Elections and Registration

If you determine that any of the information qualifies for an exemption from disclosure, I ask you to note whether the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information. In any event, please provide a signed notification citing the legal authorities on which you rely if you determine that any of the information is exempt and will not be disclosed.

Also, I am a member of the news media as a reporter for Business Insider, and the requested documents are in the public interest and not being made for commercial purposes. Therefore, I ask that all fees are waived in the processing of my request. If fees associated with this request will be in excess of \$25, kindly notify me in advance of fulfilling this request. As I am making this request as a journalist and this information is timely, I would appreciate your communicating with me if you have questions regarding this request.

Thanks again, and I look forward to your reply within 3 business days, as the statute requires, and an even more prompt reply if you can make a determination without having to review the records in question.

Best,
Caroline Haskins

To Whom It May Concern:

I am requesting the records that relate to "EagleAI Network." This company describes itself as a software that flags voter registrations that appear to have issues.

Therefore, pursuant to Georgia Open Records Act, I hereby request the following records:

1) Any contracts, memorandums of understanding, purchase, orders, invoices, and receipts related to "EagleAI" OR "Eagle AI" OR "Eagle A.I."

(The following business names should be captured in the above keyword searches — but for clarity, the business names for Eagle AI include "EagleAI Network, LLC" + "Eagle AI, LLC" + "Eagle AI Datasciences Inc" + "Eagle AI Solutions, LLC")

2) All instructional materials, presentations and presentation materials (including recorded video and audio, PowerPoint files, prepared remarks, and slides formats), and other guidance on the use of EagleAI. This includes:

A) any notes taken during meetings that discussed the use of "EagleAI" OR "Eagle AI" OR "Eagle A.I."

B) any explanations (whether internally or externally generated) of how "EagleAI" OR "Eagle AI" OR "Eagle A.I." works.

C) any other document that has been used to help explain the use of "EagleAI" OR "Eagle AI" OR "Eagle A.I." to any party, including internal documentation, public relations materials, and executive summaries.

3) Any emails as well as documents, (including but not limited to PDF, word processing, excel, and slide documents) that mention "EagleAI" OR "Eagle AI" OR "Eagle A.I." This includes any correspondence with EagleAI employees, and calendar invitations for meetings with these employees.

Please limit the time frame of all searches to 9/9/2020 to the time that this request is processed.

This FOI request is being filed in pursuit of a time-sensitive news story. Therefore, I ask that my request is expedited. When completing this request, please prioritize whichever records would take the least amount of time to be located and released. I would like these records in electronic format, sent via email or other digital method, and again, please release documents on a rolling basis, as they become available.

If there are any questions about my request, can provide any clarification that will help expedite the processing of my request, please contact me at emailcarolinehaskins@gmail.com. I am also happy to hop on the phone.
