There are no cameras on the 6th floor and in the elevators.
There are cameras on the ground floor.

Good Afternoon,

Are you aware of any video that the building might have of the incident?

Good morning/afternoon,

Attached you will find the Dangerous Dog packet. Please complete the affidavit in **ENGLISH**, have it notarized, and returned within 14 days (**Return by 06-16-24**). If you do not want to pursue this investigation, please advise

When filling out the paperwork please answer the following questions **on the affidavit**:

1. When did the incident take place?

- Date & Time- Indicate AM or PM on Affidavit

2. What is the name of the dog owner and the address of where the dogs reside?

- If it's an apartment building include the unit number

3. What type of dog was it? Please provide a DETAILED description

- Size, Color(s), Breed (If known), Distinguishing features/ Markings (Example. Long fluffy tail, curled tail, Coat length, white chest/ front legs, etc.).

-

- If there was more than one dog involved- Be **specific** in describing each dog and how they were involved

Example. The large brown/black German Shepherd ran off the property and attacked my pet while the second dog, a medium white Terrier Mix who also ran off the property bit me on my right leg

4. Where did the incident occur?

- Example. Sidewalk, swale area, street (specify the address or nearest intersection), building hallway, elevator, park, etc.

5. Before the incident was the dogs(s) on a leash? Did it remain on a leash during/after the incident?

- Example. Dog was on a retractable leash that was being held by the dog owner but while it was attacking my pet, the dog got loose and began running after us

6. What happened and How?

- Example. While I was walking my dog (specify if on leash or off leash) in front of 123 Maple St, when suddenly a medium-sized white dog with black spots, floppy ears, a long tail, short hair, appearing to be a Dalmatian or a mix of one, ran out of the side gate on the property and charged and attacked my pet...

7. Where did the dog come from? How was the incident stopped? Where did the dog go after the incident?

- Example. The dog came from the open metal gate on the side of the house and bit me on the left arm, a neighbor who was outside at the time ran over and pulled the dog off. The dog then ran back inside the backyard of 123 Maple St.

Please include copies of any of the following reports.

- Police reports/Case numbers
- Emergency or hospital records (Explanation of injuries)
- Veterinary records if applicable (Explanation of injuries from Vet)
- Pictures of the wound(s)
- Video of the entire incident (If applicable)
- Photo ID

****Please list the names, addresses, and phone numbers of any witnesses who witnessed the **entire** incident or any other relevant information**

****If a witness has photos, videos or supporting testimony, they must complete a "Witness Affidavit" and have it notarized**

**** Please note, once cases are opened, they may take up to **90 DAYS** to finalize. Once the case has been finalized, you will be notified of the outcome of the investigation via mail to the address that was provided**

****All documentation (including but not limited to medical records, photos etc.) provided to the department as part of the Dangerous Dog Investigation is considered public records and can be requested by members of the public at any time**

If you have any questions or concerns, feel free to email me or contact me at (305-815-6275)
