Re: February 2, 2024, Public Records Act Request

Dear Ms. Pinsof,

The City of Piedmont (“City”) is in receipt of your Public Records Act request, which was received by the Piedmont Police Department (“Department”) via email on February 2, 2024.

The City wishes to cooperate to the fullest extent possible with the Public Records Act (Government Code section 6250 *et seq.*) and Penal Code sections 832.7 and 832.8. Under established California law, the City is obliged to comply with a request for a public record so long as the requester makes a specific and focused request for information, that information is maintained by the City in its ordinary course of business, the information is disclosable, and the record can be located with reasonable effort. The Public Records Act provides for the inspection or copying of existing identifiable public records; it does not compel the City to create new records, lists, privilege logs, or reports in response to a request. To the extent that your request contains definitions that differ from the language of Penal Code sections 832.7 and 832.8 or seeks materials that remain confidential under state law, those materials are not disclosable under the Public Records Act.

The City is required to determine whether the request, in whole or in part, seeks copies of disclosable public records. Ordinarily, this determination must take place within ten (10) days of the City’s receipt of the request. Consistent with the law, the City has reviewed your request in light of City records and made the following determination(s).

PIEDMONT POLICE DEPARTMENT

Request 1: Part A - Information related to ALPR data sharing.

- A1. The names of agencies and organizations with which the Agency shares ALPR data;
- A2. The names of agencies and organizations from which the Agency receives ALPR data;
- A3. The names of agencies and organizations with which the Agency shares "hot list" information;
- A4. The names of agencies and organizations from which the Agency receives "hot list" information.

Determination: Attached is a spreadsheet containing all data requested in A1-A4.

Request 2: Part B - Information Related to Numbers of "Detections" (plate scans) and "Hits" (plate scans that matched to a hotlist)

- B1. The aggregate number of "detections" collected during 2023.
- B2. The aggregate number of "hits" during 2023.
- B3. The aggregate number of "detections" from January 1, 2024 until the date this request is processed. If your agency has a retention period shorter than 1 year, please provide whatever data is available based on your retention period. For example, most Flock Safety systems may not have this data beyond 30 days.
- B4. The aggregate number of "hits" from January 1, 2024, until the date this request is processed. How many arrests did they yield in 2022? (Please break down fixed vs. patrol cars if you can) Can you go back and do this for three years? Five years?

Determination:

The Piedmont Police Department maintains a retention period of 30 days. Attached are spreadsheets containing data requested in items B1 and B2 for the period of January 8, 2024 to February 7, 2024.

The Piedmont Police Department considers this request completed and closed.

Thank you for your inquiry. Please feel free to contact me if you have any questions regarding this response.

Sincerely,

Lisa Douglas
