Mr. Sinyangwe:

Your request for Use of Force statistics from 2017-2022 was received. Our agency is not sure what type of information you need for #6. The total number of civilian complaints alleging criminal conduct that were reported and sustained from 2017-2022. Please clarify what you mean by "criminal conduct".

Our agency does have Use of Force Statistics from 2019-2022. Retrieving and compiling each years data is estimated to take 1.5 hour per year for a total of six hours. Data prior to 2019 will take much longer to research and compile and the estimate is five hours per year for a total of 10 hours for 2017 & 2018 and may not be as complete as the data from 2019-2022.

The research fee for retrieval is \$32.00 per hour with an estimate of 6 hours for 2019-2022 and 10 hours for 2017 & 2018 for a total of 16 hours/\$532.00 which must be paid in advance. There is an additional fee if paying by credit/debit card. Payment can be made in person, by mail, or by phone. If you would like to make payment by phone our records department can be reached at 785-826-7210.

If the time for retrieval takes less than our estimate, the difference in retrieval time will be refunded. We only charge for actual time of retrieval.
