Councilmember-Elect Moore,

We are looking forward to our conversation with you tomorrow on the work of the Unified Care Team. Ahead of tomorrow's meeting, I want to share links to two city rules that are the foundation we have built our current encampment resolution policies on.

[MDAR 17-01](#) and [FAS 17-01](#) together outline requirements for both approaching public spaces by asset owner and how we work with people who are sleeping in public spaces.

These are long, legal documents and you do not need to read all of it ahead of our meeting, but if I can give you one document that may be most helpful to you as you acclimate to this work, it would be this.

We'll go into more detail during Thursday's briefing, but as the councilmember who will oversee this body of work, I wanted you to have access to the legal standards that guide the City's approach to encampments. We look forward to discussing more with you about this work on Thursday.

Thank you,

Tiffany Washington
