The District acknowledges your public records request made on June 26, 2024, seeking access to public records pursuant to state law. This notice serves as our initial response to your request under RCW 42.56.520. The Washington State Public Records Act (PRA) at RCW 42.56.070(8) directs that: This chapter shall not be construed as giving authority to any agency, the office of the secretary of the senate, or the office of the chief clerk of the house of representatives to give, sell or provide access to lists of individuals requested for commercial purposes, and agencies, the office of the secretary of the senate, and the office of the chief clerk of the house of representatives shall not do so unless specifically authorized or directed by law: PROVIDED, HOWEVER, that lists of applicants for professional licenses and of professional licensees shall be made available to those professional associations or educational organizations recognized by their professional licensing or examination board, upon payment of a reasonable charge therefor: PROVIDED FURTHER, that such recognition may be refused only for a good cause pursuant to a hearing under the provisions of chapter 34.05 RCW, the Administrative Procedure Act. RCW 42.56.080 authorizes agencies to require a requester to provide information as to the purpose of a request "to establish whether inspection and copying would violate RCW 42.56.070(8)." The Washington State Court of Appeals ruled that in responding to a public records request that includes a list of individuals, an agency must investigate if that list might be used for commercial purposes in order to comply with the obligations of RCW 42.56.070(8), SEIU Healthcare 775NW v. State, 193 Wn. App. 377, 377 P.3d 214 (2016). The Court also ruled that information to be provided by a requester to an agency includes the purpose of the request, the identity of the requester, the nature of the records requested, and other information necessary to determine if the list of individuals can be provided under RCW 42.56.070(8). Therefore, the District is requesting that you provide a certified statement stating the records requested will not be used for commercial purposes and the purpose of the request. You must provide the statement by attaching it to this notice. If the statement is not received by July 17, 2024, this request will be closed.

As authorized by RCW 425.56.520, the District will require additional time to respond to your request for the purposes of locating and assembling the information requested, notifying affected parties related to this request, and determining if any of the information requested is exempt under Washington or federal law.
