Got Ayn Rand Novels?

Dear Kathryn,

If your students have enjoyed reading an Ayn Rand novel, then take advantage of this opportunity to order additional copies to teach to more students, or order a free review copy to explore a new one. Of course, if you are still stocked up from your previous order, please just get in touch when you need more.

ARI's Free Books to Teachers program currently has copies of *Anthem*, *The Fountainhead*, and *Atlas Shrugged* available to order now. If you would like to take advantage of this wonderful opportunity to teach Ayn Rand's novels in your classroom, you can request your free review copy or copies of books by visiting aynrandeducation.org. All orders will include teacher's guides and other teacher resources to help you enrich your students' appreciation and understanding of the novel(s) you teach.

All orders placed by September 20 will be shipped in the beginning of October.

Please send questions or concerns to education@aynrand.org.
