Thank you, Kim. We understand [REDACTED] attended Allen Creek Elementary School. After searching the name just now I realized the school isn't located in your district. I'll request the records at the appropriate school district.

Thanks again,

Virginia

This is to confirm that Snohomish School District received your records request on January 4, 2021. I could not find a records for this student in our system. Can you please clarify that he attended the Snohomish School District (there is no Snohomish County School District) and which school he may have attended so that I can do a further search?
