OK, great. Would this Friday work for you or would you rather wait until after Spring Break?

Hi [REDACTED]

I hope you all are doing well. I wanted to touch bases with you and see if you would like to have [REDACTED] feedback meeting via Zoom. If you'd rather not, we can wait until we go back to school and have the meeting in person.

Please let me know which you would prefer and your availability if you'd like a Zoom meeting.

Take Care,
