---

The dollar amount of the total project spending that is allocated towards evidence-based interventions.

\$ 565,942.30

---

Is a program evaluation of the project being conducted?

Yes

---

**Capital Expenditures** : means expenditures to acquire capital assets or expenditures to make additions, improvements, modifications, replacements, rearrangements, reinstallations, renovations, or alterations to capital assets that materially increase their value or useful life.

---

Does this project include a capital expenditure?

No

---

What is the total expected capital expenditure, including pre-development costs, if applicable?

\$ 0

---

What is the type of capital expenditure for this project, based on the following enumerated uses?

N/A - My project does not have capital expenditures.

---

Subrecipients investing in projects with total expected capital expenditures of \$1 million or more are required to provide a written justification. This includes technology and equipment to allow law enforcement to efficiently and effectively respond to the rise in gun violence resulting from the pandemic. Please download the capital expenditure justification form, complete the form, and upload the completed form here.
