Reason

While conducting a checking station on seaside road [REDACTED] came thought and could not produce a drivers license. He was asked to pull to the side of the road. While talking to the driver i noticed a clear in color baggie laying on the flood board behind the drivers seat. Sgt. Hall advised the driver to unlock the doors so he could retrieve same. Sgt. Hall handed me the clear in color baggie and I smelled an odor of marijuana coming from same. I asked the driver was there any marijuana inside the vehicle and he stated " YES ". He stated there is some marijuana in the floor compartment located behind the passenger seat. Officer Cox located a small baggie of marijuana and a smoking pipe beside same. At that time we had all subjects exit the vehicle and conducted a vehicle search. While patting down the back seat passenger for weapons he stated that he had marijuana in his front left pocket. While conducting a search of the vehicle I located a multi color smoking pipe under the seat where he was sitting. Both subjects were issued state citations reference same.
