PCN #
Location 131 Forest Walk / Forest Walk

Offenses

Converted Statute Converted Statute - OTHER (2ND CHARGE - MISDEMEANOR)
Converted Statute Converted Statute - OTHER (MISDEMEANOR)

Reason

While responding to the area of 129 Forest walk in reference to a call that came out from dispatch to attempt to locate a 911 text messaged that they received. I went to 129 Forest walk and located nothing at that home. I walked over to 131 Forest to see if I could locate anyone at the home in reference to the call. As I was walking pass the garage door to go knock on the front door I heard someone from inside the garage say hey there . I turned around and asked her if she was ok and explained to her why I was there and asked her if anyone was inside and she stated [REDACTED] asked her if [REDACTED] was ok and she stated yes as far as I know . I then asked her if it was ok if we stepped inside to check on him she stated come on in . As I walked inside the garage I could smell a strong odor of marijuana coming from same. After I went inside and checked on the man inside I asked her to step outside with me. When we got outside I asked her if she had been smoking any marijuana and if so where was it at. She stated yes, it is right here on my table. She got same and handed me a gray in color container and a glass smoking pipe. I then issued her a Sate citation for possession of marijuana and drug paraphernalia.

This case was dismissed and the evidence in this case has been placed on a Order of Destruction.
