Reason

While conducting a checking station a black in color SUV pulled up to same. I asked the driver for his license and he provided same. While speaking to the subject I smelled an odor of Marijuana coming from the vehicle. I asked Officer Cox to step over and I advised him of what I had. Officer Cox and I then instructed the driver to pull his car to the side of the road. Officer Cox asked the driver if there was any Marijuana in the vehicle and the driver looked at the center console. He then stated that he had a glass pipe and Officer Cox then asked for it. The driver pulled out a black in color sun glass case from his center console and handed a pipe from inside of same to Officer Cox. He went to put back the sun glass case and Officer Cox advised him to hand it over. Officer Cox and I discovered a clear in color baggie containing a green leafy substance (Marijuana) inside of same. Officer Cox conducted a search of the vehicle and nothing else was located inside of same. The driver was issued a state citation.

This case was dismissed and the evidence in this case has been placed on a Order of Destruction.
