Dear Mr. McWhirter:

Thank you for your Freedom of Information Act request that was made in accordance with the Virginia Freedom of Information Act (§ 2.2-3700 et seq.) dated June 28, 2024. Your request was for information regarding the spraying of herbicides on East Washington Street, between 1st Street and 5th Street, the weather conditions when spraying and copies of certificates/licenses for the spraying of these herbicides.

According to employees from the Public Works Department, the Town of Wytheville has not sprayed any herbicides this year on East Washington Street, between 1st Street and 5th Street. Therefore, there are no weather conditions to report regarding this matter. Please find attached copies of the licenses/certifications of the current employees who spray these herbicides. There is one license that expired on June 30, 2024, however, the renewed license is currently being mailed for this employee.

Thank you for the submittal of your request. Since this FOIA request took less than two hours to fulfill, there is no fee. If you have any questions, please let me know.

Sincerely,

Sherry G. Corvin, CMC
