Good morning Chief Chafin,

Good news—you are approved to change the structure of the bonus payments. You can also move forward in getting the signatures submitted so we can get your grant in "awarded" status. Then instead of doing a programmatic adjustment, you can actually just explain the payout method adjustment in your first Quarterly Subgrant Report (QSR).

Let me know if you have any questions,

Maria

Matt - per your request here is the confirmation email from OCJS where they advised that I was approved to change the structure of the bonus payments and where they advised to just explain the payout method in the QSR reporting.
