FIELD CASE REPORT SUPPLEMENT

CASE# 2022-00084119

On June 21, 2022 I was contacted by Mr. Porter, girls basketball coach at SWHS. Porter informed me [REDACTED] told him she was at the house party that was posted on the Sheriff's Office Facebook page. [REDACTED] attends SWHS and plays on the basketball team. [REDACTED] wanted to speak with me about her being at the party. I informed her we could meet at the school and talk about it. [REDACTED] and her mother met me at South Walton High School and she provided the following information.

[REDACTED] informed me she was invited to the party by her friend, [REDACTED], through snapchat. She said [REDACTED] sent out a snapchat flyer with the party info on it. She said her and some friends went to the party but had no idea the house was broken into. She assumed it was just going to a vacation rental home that was hosting a party. [REDACTED] is seen in one of the video's with the boxing gloves on boxing with [REDACTED] said they did not stay very long at the party because they didn't know many people there.

While I was talking to [REDACTED] came up to the school to inform me she was at the party too. [REDACTED] story was pretty much the same as [REDACTED] and [REDACTED] stated that the following students from SWHS were at the party:
