FIELD CASE REPORT  
SUPPLEMENT

CASE# 2022-00084119

On 6/20/22 I recieved information to call (██████████), in reference to the photo of the group of kids at the party that was circulated on social media. I called ██████████ and spoke with him briefly. He advised his daughter (██████████) was one of the girls in the photo and that ██████████ had information to provide to me to identify others in the photo. ██████████ placed his phone on speaker, whereas ██████████ and M██████████er were all present. ██████████ advised me she and her friend, (██████████) observed a post on SnapChat about a large party in Seaside. According to ██████████ reached out to ██████████ who posted the invite. ██████████ asked ██████████ if they could come to the party, and ██████████ responded they could come. ██████████ and ██████████ arrived at the party at approximately 1030 PM. ██████████ asked several people at the party who the house belonged to, and was told numerous times it belonged to ██████████ friend, but was never provided the name. ██████████ and ██████████ felt uneasy at the party so they exited the residence and went to the driveway at sat in ██████████ car. After a brief amout of time they went back inside the residence, then departed the party at approximately 1115 PM. ██████████ provided me with numerous names of people in the photo to include...
