Pursuant to SF Admin Code 67.21(1), we request the following electronic formats. You must provide any electronic format we request, as long as the format is either available to your agency or easily generated (see also SOTF 19044, *Anonymous v. Herrera*):

- For any type of document not otherwise listed below: provide an exact copy of the original, native electronic file format as stored on your computer systems. Do not print and scan any record -- that is not an exact copy of the record.
- For text messages: all timestamps, text content, images and attachments, and the identity of all participants
- For calendar/meeting entries: Outlook calendar entries exported in .ICS (iCalendar) format
- For email messages: All timestamps, headers (including the BCC), metadata, images, and attachments must be preserved. If you convert to a PDF, you must use PDFMaker, and not print out the email.

Remember your department head has an obligation to maintain in a professional and businesslike manner the correspondence and documents and release them as public records (SF Admin Code 67.27-9(a)); and we will cross-check your responses with all other parties to ensure you have not destroyed or withheld records improperly.

Your non-exhaustive obligations:

- All withholding of any information must be justified in writing (SFAC 67.27).
- All withholdings by masking or deletion (aka redactions) must be keyed by footnote or other clear reference to the specific justification for that redaction, and only the minimal exempt portion of any record may be withheld (SFAC 67.26).
- You must respond to emailed requests (SFAC 67.21(b)).
- You must notify us of whether or not responsive records exist and/or were withheld for each below request (Gov Code 6253(c), 6255(b)).
- You must state the name and title of each person responsible for withholding any information (Gov Code 6253(d)).
- Do not impose any end-user restrictions upon us (*Santa Clara Co. vs Superior Ct*, 170 Cal.App 4th 1301); so if you use a third-party website like NextRequest, OneDrive, etc. to publish records, please make the link completely publicly accessible without any login or sign-in.

Your agency must do all of the above things in your response, and you cannot wait until we file complaints.

We have no duty to, and we will not again, remind the City of its obligations. Instead, we will file complaints for every Sunshine Ordinance or CPRA violation. We will continue to file complaints until the City's procedures are modified to fully comply with the Sunshine Ordinance and CPRA, without caveat or exception.

Thank you for your anticipated cooperation in this matter.

**NOTE:** Please be certain you have properly redacted all of your responses. Once you send them to us, there is no going back. The email address sending this request is a publicly-viewable mailbox. All of your responses (including all responsive records) may be instantly and automatically available to the public online via the MuckRock.com FOIA service used to issue this request (though the requester is an anonymous user, not a representative of MuckRock).
