To Whom it May Concern:

Pursuant to the Pennsylvania Right to Know Act, I hereby request the following records:

\* Any annual, quarterly or semesterly logs or reports that detail how often various school therapy services are provided to students. Please provide logs from the academic year beginning in 2014 through the present.

\* Any reports, logs, or other data that tracks average wait times for students who have sought help for mental health issues. Please provide logs from the academic year beginning in 2014 through the present.

\* The budget for mental health services for each year beginning in 2014 through the present.

\* Any reports, logs, or other data that tracks the number of mental-health related accommodations requested each school year, as well as the outcomes of those accommodation requests. Please provide records beginning in 2014 through the present.

\* Any and all policies related to mental health, including but not limited to policies governing leaves of absence (voluntary and involuntary) for students, as well as any logs or reports that note the voluntary and involuntary leaves of absences students have taken each year since 2014.

I also request that, if appropriate, fees be waived as I believe this request is in the public interest. The requested documents will be made available to the general public free of charge and is not for commercial usage.

In the event that fees cannot be waived, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not. If these records exist in electronic format, I request that those electronic records be provided (not, for instance, that those electronic records be printed then digitized to create images of the printouts).

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Carolyn Potts
