Good day Mr. Queern,

Your request has been assigned to HubZone Program for processing. The FOIA office requires no further information from you as it relates to your initial request. If you have any question or concerns please reference SBA-2018-000862 as mentioned in the subject line.

Have a great day!

Ms. Fahola, Ms. Jones;

I'm getting mixed signals. Below it says,

"No we do not have the information that is needed..."

Then I got a recall.

Yesterday, I got "Your request has been assigned to the HubZone Program office for processing..."

I think we're all set, correct?

Is there some reference number by which I can track my FOIA?

What are the normal turn around times for FOIA requests?

Thanks
