**Owen Jones** @OwenJonesB4  
Devastated to hear about the death of David Graeber. He was an intellectual giant, full of humanity, someone whose work inspired and encouraged and educated so many.  
If you haven't read his work, consider doing it now and let his legacy live on.  
Rest In Power, David Graeber.

C'est Nika Dubrovsky, la femme de l'anthropologue et économiste américain David Graeber qui annonce le décès de son mari à Venice à l'âge de 59 ans. De nombreux messages d'hommages lui sont consacré sur les réseaux sociaux.

David Graeber est un anthropologue et militant anarchiste américain, théoricien de la pensée libertaire.

## Mort de l'anthropologue David Graeber

», a ensuite été professeur à la London School of Economics. Il est notamment le théoricien du concept de « bullshit job ».

David Graeber has died. One of the world's greatest anthropologists and a wonderful comrade.  
The last time I saw David he had travelled, with almost no notice, to a tiny North London office where just 4 of us hit the phone for RLB, all to keep Corbynism alive.
