MEMORANDUM FOR THE RECORD

SUBJECT: Current status of [redacted] holdings in the History Staff. 25X1
 CIA Operations [redacted] Sep 47 - Dec 55; [redacted] 25X1
 [redacted] Early History, A Composite Account 1945-1949; 25X1
 [redacted]

1. This is a very large historical collection (over 1600 pages) which fills 1/2 of a safe drawer. All components are in draft but appear to be complete enough for editing and final typing. In checking the holdings against the Content pages (3 separate ones), it appears that the History Staff does not have the complete draft history. Following is a listing of the present collection.
