Hybrid Squad SSA's,

We Operational Technology Division (OTD) and Critical Incident Response Group (CIRG) are offering our services in support of [redacted] for the Hybrid Squads and across all Field Offices.

b7E

OTD's Video Surveillance Group (VSU), the Tech guys who give you [redacted] and cool gadgets and CIRG's Field Flight Operations (FFO) the guys who fly [redacted] have been working jointly for over a year in an effort to create an operational Unmanned Aerial Vehicle(UAV)Program.

The time is now here and we are offering these services.

In order to legally fly and operate the UASs, we need to submit what is known as a Certificate of Waiver and Authority (COA) to the Federal Aviation Administration (FAA).

Once the authority is granted (usually 2-3 months) we can deploy the team [redacted]

b7E

We currently have several approved COAs and have applied for a county wide COA in [redacted]

b7E

All we need from your Squads are the [redacted]

[redacted] If approved we will then submit these coordinates on the COA to the FAA via our new and streamlined online COA process.

Once approved by the FAA, we will require certain administrative assistance and approvals from your office management (see attached EC).

We have successfully operated the [redacted] UASs in [redacted]

b7E

Please take a moment to read the attached EC for requirements once a COA is approved.

If you are interested in these services please contact me or have your case agent contact directly and I can assist you with the process.

Regarding the DHS-CBP Predator, I returned from their training several weeks ago. While at the training we were able to utilize the [redacted] MQ-9 Predator [redacted] These services are also available and we are coordinating these between OTD and Aviation Surveillance Branch [redacted]

b7E

Once a determination is made that Predator Services are feasible, we will contact DHS-CBP [redacted] Remember, Predator is on a case by case basis and not a blanket offer.

Any Questions please feel free to contact your Technical Advisor, your Aviation Coordinator or me directly.

Thank You
