MEMORANDUM FOR: The Director of Central Intelligence  
SUBJECT: Soviet Intelligence Activities in France

25X1

For use in further consideration of this matter, I would appreciate receiving from you a brief report summarizing what is known about current Soviet intelligence penetration of the French Government, and the prospects for effective counterintelligence coverage of the activity by the French.

It is requested that your report be submitted by January 5, 1972.

  
Henry A. Kissinger
