Elias M. Stein, 1931-2018

Elias Menachem Stein, the Albert Baldwin Dod Professor Emeritus of Mathematics, died on December 23. He was 87.

Eli Stein was a professor at Princeton University for 55 years.

Professor Stein is survived by Elly, his wife of 59 years; a brother, Daniel; a son, Jeremy, the Moise Y. Safra Professor of Economics at Harvard University and a member of the Board of Governors of the U.S. Federal Reserve from 2012-2014; a daughter, Karen, an architecture critic and former member of the jury of the Pritzker Architecture Prize, a daughter-in-law, Anne; and three grandchildren, Carolyn, Alison and Jason. Funeral arrangements are pending and further information will be shared when it becomes available.
