Hey Downey – Can you recommend a political appointee at BLM who could help sort out an issue that Mosaic (largest producer and marketer of phosphate) is having in Florida? I appreciate any advice you can offer. I hope you're doing well.

Thank you, Downey, for connecting me with Brian.

Brian, do you have time for a brief phone call in the next couple of days to discuss an issue Mosaic has related to their largest mine in FL? I can be reached via email or mobile (b) (6) at any time.

Best,

Rebecca

Brian,

Hope this email finds you well.

I was hoping to have a brief conversation with you, as a follow up to our meeting on the BLM issue in the Florida Keys with the owners of the small island. Specifically, I am looking for guidance with respect to timing and next steps in the process.

I can be available at your convenience for a short call. My cell is (b) (6)

Thank you.
