Subject: Expedited FOIA Request NARA 22-V.D.MUCK. NARA FOIA Instructions and SOPs

I am submitting this request under the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552 et seq., as amended. *If you deny all or any part of this request, please cite each specific exemption you think justifies your decision not to release the information and notify me of appeal procedures available under the law. References cited below apply.*

*****This Request will be timely for Judicial Review in twenty working days*****

RECORDS SOUGHT VIA FOIA.

NARA 22-V.D.MUCK. NARA FOIA Instructions and SOPs

I am respectfully seeking via MUCKrock.com:

1. NARA’s current FOIA regulation.

NARA’s 2022 Chief FOIA Officer Report states:

3. The FOIA Improvement Act of 2016 required all agencies to update their FOIA regulations within 180 days. In 2016, OIP issued Guidance for Agency FOIA Regulations and the accompanying Template for Agency FOIA Regulations to assist agencies in updating their regulations in accordance with the statute. Has your agency updated its FOIA regulations in accordance with the FOIA Improvement Act of 2016? If not, what is your agency's plan to update your regulations?

Answer: Yes. However, NARA is preparing to update our regulations in light of new Supreme Court rulings on exemptions

2. NARA’s FOIA Standard Operating Procedures (SOPs) for operational records FOIA requests (FOIAonline identifies NARA Operational Records)

NARA’s 2022 Chief FOIA Officer Report states:

Standard Operating Procedures (SOPs) generally document your agency’s internal processes for administering the FOIA beyond your FOIA regulations and FOIA Reference Guide. As noted in OIP’s guidance, having SOPs can improve the consistency and quality of an agency’s FOIA process. SOPs can also serve as a significant resource for incoming FOIA professionals and a way to preserve much of the agency’s institutional knowledge on administering the FOIA from how to handle requests from start-to finish, to identifying and making proactive disclosures, to maintaining a FOIA

website. Does your agency have up-to-date internal SOPs for your FOIA administration?
Answer: Yes. NARA's offices that process FOIA requests have separate SOPs. Each office reviews their SOPs on an annual basis.

3. I am also seeking a copy of this FOIA Request, which is an Agency record that exists and is in the Agency's possession at the time of my FOIA request. This record is a responsive record integral to my Request. Release of the Agency's copy is not optional.
4. See PDF for complete FOIA Request. See Requested Format.
5. Although I am seeking expedited processing and prompt release of all records, I am seeking a rolling release of those records that are immediately available followed by a list of additional searches and estimated completion dates for them.

REQUESTED FORMAT.

I am seeking a PDF file by return email with: (1) a signed and dated cover letter (citing my personally assigned requester control number); (2) with record page count for all records released records (3) a copy of this request in your reply. I seek records in this format with an imbedded copy of my requests to (1) impede the agency from not addressing the FOIA Request; (2) impede the Agency from not providing the documents stated in the Agency's letter reply, and (3) make it obvious in any subsequent review what the Agency has or has not done.

Further, I request that these records be sent in any digital formats in which they exist (such as PDF and Excel). Under the terms of the E-FOIA Amendments of 1996, Section 5, if a document exists in electronic format, it must be released in that format upon request.

Each record must be provided as a distinct record in their native format.

I am also seeking the "**Description Available to the Public**" field I FOIAonline be set to yes and that all records be released to and viewable in the application by the general Public. The release type must be set to "**Unredacted – Releasable to the General Public: Will be available to the general public,**" or to "**Redacted – Releasable to the General Public: Will be available to the general public.**"

This request is distinctly separate from any other. Please do not combine this request with any other request in your reply. I am requesting that each element of the records sought be specifically addressed in the reply.

SEE WAIVER/ PUBLIC INTEREST/PUBLIC RELEASE. Notwithstanding my agreement to pay fees below if my fee waiver is denied, I am seeking a fee waiver due to significant public interest in this information. The subject of the requested records concerns "the operations or activities of the government." The disclosure is "likely to contribute" to an understanding of government operations or activities. There is no commercial interest. There is significant public interest. I am also seeking the "**Description Available to the Public**" field I FOIAonline be set to yes and that all records be released to and viewable in the application by the general Public. The release type must be set to "**Unredacted – Releasable to the General Public: Will be available to the general public,**" or to "**Redacted – Releasable to the General Public: Will be available to the general public.**"

AGREEMENT TO PAY FEES.

I agree to pay fees for searching or copying the records up to \$25. If the fees exceed this amount please advise me of the cost before proceeding. I do not believe that there should be any charge for providing these records, as there is public interest in government operations. I am a private individual not seeking documents for commercial use, such that the following applies: "No fees may be charged by any DoD Component if the costs of routine collection and processing of the fee are likely to equal or exceed the amount of the fee. With the exception of requesters seeking documents for a commercial use, Components shall provide the first two hours of search time, and the first one hundred pages of duplication without charge." I would note that because I am requesting an electronic file, there should not be a per page copy fee. The OMB Guidelines direct that searches for responsive records should be done in the "most efficient and least expensive manner." See OMB Fee Guidelines, 52 Fed. Reg. at 10,017. As an "all others" requester, I may only be assessed search and duplication fees and not fees for review. See 32 CFR 286.12 - Schedule of fees. Also, please note that, should payment become necessary, the Coinage Act of 1965, specifically Section 31 U.S.C. 5103, entitled "Legal tender," states: " United States coins and currency (including Federal reserve notes and circulating notes of Federal reserve banks and national banks) are legal tender for all debts, public charges, taxes, and dues. Foreign gold or silver coins are not legal tender for debts.

(Pub. L. 97-258, Sept. 13, 1982, 96 Stat. 980 ; Pub. L. 97-452, §1(19), Jan. 12, 1983, 96 Stat. 2477.)

EXPEDITED PROCESSING.

I am seeking expedited processing. In any denial of my request for expedited processing the Agency must state in detail how my request does not meet requirement and who, by name, was involved in the denial determination.

1. **The subject is of widespread and exceptional media interest and the information sought involves possible questions about the government's integrity that affect public confidence.**

- a. The next and final FOIA Advisory Committee of the 2020 – 2022 Term is June 9, 2022, where this matter will be discussed. This is the final term of this committee
- b. Based on records released regarding individualized tracking numbers, status and estimated completion dates of my FOIA requests and appeals, NARA may be engaging in massive false FOIA reporting. There can be no dispute that such matters are the subject of widespread and exceptional media interest and the information sought involves possible questions about the government's integrity that affect public confidence.
- c. Please refer further to my FOIA Public Comments regarding the March 29, 2022 Senate Oversight Committee FOIA Hearings, wherein DOJ OIP and NARA's OGIS were slammed for lack of FOIA compliance oversight.
- d. I plan to distribute information from this expedited FOIA request to members of the media and others via a vast distribution network.

- e. I am an individual primarily engaged in dissemination of information via extensive email lists, blogs, coordination with Open Government Advocate Organizations and members of the media.
2. **Information is urgently needed to inform the public concerning some actual or alleged government activity/malfeasance.**
 - a. See paragraph 1 above incorporated fully herein.
 - b. I am recognized within to FOIA Advisory Committee Recommendation “OGIS 2.0: Reimagining FOIA Oversight” dated 05.04.2022 as an expert contributor “Robert (Bob) Hammond, Citizen FOIA Advocate.”
 3. In any denial of expedited processing, NARA must repeat each paragraph and sub-paragraph above and state explicitly how my request does not meet the cited standards. A blanket statement without doing so lacks required content.

In any denial of my request for expedited processing, I am seeking that the Agency identify who, by name and email was consulted and that the Agency provide specific justification as to how my request stated herein does not qualify.

ESTIMATED COMPLETION DATES

Provide me the initial estimated completion date (ESD) for this matter along with contemporaneous adjusted ESDs as they change. See **Office of Government Information Services Advisory Opinion No. 2020-01: Agencies Must Provide Estimated Dates of Completion Upon Request** <https://www.archives.gov/ogis/advisory-opinions/2020-01-agencies-must-provide-edcs>

STILL-INTERESTED PREEMPTIVE REPLY. This is a preemptive reply to the Justice Department guidelines the procedure known as a “still interested” inquiry, through which a FOIA officer can confirm that the requester has not lost interest in obtaining the documents.

My interest in all FOIA requests submitted to your office is enduring, meaning that my interest in seeking replies to all past and future FOIA request remains in effect until each request has been answered fully and the time for judicial review has passed. Please do not initiate any "still interested" inquiries. This serves as my notice of enduring interest and automatic reply to any future questions of interest by your office. There are no reasonable grounds to ever conclude in the future that I am not interested in this request.

Implementation Checklist for DOJ OIP Guidance on “Still-Interested” Inquiries

1. Ensure there are reasonable grounds to make a “still-interested” inquiry in first instance.
2. Absent good cause, do not make multiple “still-interested” inquiries.
3. Use requester’s preferred method of communication and in the absence of a preference, communicate by telephone or email as the default.
4. Memorialize any decision by a requester to withdraw a request that is conveyed by telephone by sending the requester a brief email or letter noting the withdrawal.
5. Provide requesters no less than thirty (30) working days to respond to the “still-interested” inquiry and ensure that there is a simple way to do so.

6. Advise the requester that if they elect not to respond to the inquiry, the request will be administratively closed at the conclusion of the designated time period (which must be at least 30 working days).
7. Prior to administratively closing a request based upon the lack of a response by the requester, make good faith efforts to reach out to the requester using multiple methods of communication.
8. In the event a requester responds to the “still- interested” inquiry within a reasonable time after the deadline has passed, reopen the request and place it back into the processing queue where it would have been.

PRESERVE RECORDS AND SEARCHES FOR JUDICIAL REVIEW.

Please search for, locate and preserve all responsive or potentially responsive records and records of your searches in your FOIA case file until the statutory date for judicial review has passed (should that be necessary) or in accordance with a NARA approved records schedule, if longer. NARA GRS 4.2 requires that FOIA and Privacy Act case files be retained for 6 years after final agency action or 3 years after final adjudication by the courts, whichever is later.

Records of responsive searches would include but not be limited to: searches conducted for each specific record sought and all other records known to the Agency, including dates, manner of searching, responsible agent or employee conducting each search and the results thereof. Such persons determining the locations of responsive records must be inclusive of persons who would know such locations and their identities and manner of determining search locations must be preserved.

In any subsequent proceedings, I may seek sworn declarations and a court order appointing a special counsel, as appropriate. Similarly, I may pursue additional venues.

Any deletion of potentially responsive records by any party having knowledge of this Request may be a violation of law. In as much as applicable staff and leadership have knowledge of my subject request, the Agency must search for, locate and preserve all responsive or potentially responsive records and records of searches in their FOIA case file, and leadership must ensure that this is done. Failing to do so and allowing records to be deleted IAW any other records management schedule may be a violation of law.

ELECTRONIC RECORDS PRESERVATION.

The Agency must preserve all electronically stored information, copies and backup, as defined by Rule 34 of the Federal Rules of Civil Procedure, along with any paper files which the Agency maintains, relevant to this action I am seeking electronic data in the Agency’s custody and control that is relevant to this action, including without limitation emails, along with metadata, and other information contained on Agency computer systems and any electronic storage systems. I consider this electronic data and paper files to be valuable and irreplaceable sources of discoverable information in this matter. No procedures should have been implemented to alter any active, deleted or fragmented data. Moreover, no electronic data should have been disposed of or destroyed. (ETL Institute for Advancement of America’s Legal System).

Further, to properly fulfill your preservation obligation, stop all scheduled data destruction, electronic shredding, rotation of backup tapes, and the sale, gift or destruction of hardware. Notify all individuals and of the need and duty to take the necessary affirmatives steps to comply with the duty to preserve evidence. (2008 Thomson Delmar Learning).

The Agency's Director of Information Operations or similar organization must initiate procedures to preserve electronic records.

LEGAL FRAMEWORK OF FOIA

1. The definition of “records” includes:

“[A]ll books, papers, maps, photographs, machine readable materials, or other documentary materials, regardless of physical form or characteristics, made *or received* by an agency of the United States Government under Federal law or in connection with the transaction of public business and preserved or appropriate for preservation by that agency or its legitimate successor as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Government or because of the informational value of data in them.”

44 U.S.C. § 3301 (emphasis supplied).

2. FOIA requires that “each agency, upon any request for records which (i) reasonably describes such records and (ii) is made in accordance with published rules stating the time, place, fees (if any), and procedures to be followed, shall make the records promptly available to any person” 5 U.S.C. § 552(a)(3)(A).

3. FOIA requires that “each agency shall establish a system to assign an individualized tracking number for each request received that will take longer than ten days to process and provide to each person making a request the tracking number assigned to the request” 5 U.S.C. § 522(a)(7)(A).

4. FOIA requires that each agency shall “establish a telephone line or Internet service that provides information about the status of a request to the person making the request using the assigned tracking number, including the date on which the agency originally received the request; and an estimated date on which the agency will complete action on the request. 5 U.S.C. § 522(a)(7)(B).

5. FOIA also requires federal agencies to make a final determination on FOIA administrative appeals that it receives within twenty days (excepting Saturdays, Sundays, and legal public holidays) after the receipt of such appeal, unless the agency expressly provides notice to the requester of “unusual circumstances” meriting additional time for responding to a FOIA request. 5 U.S.C. § 552(a)(6)(A)(ii).

6. FOIA expressly provides that a person shall be deemed to have constructively exhausted their administrative remedies if the agency fails to comply with the applicable time limitations provided by 5 U.S.C. § 552(a)(6)(A)(I) - (ii). *See also* 5 U.S.C. § 552(a)(6)(C).

7. FOIA provides that any person who has not been provided the records requested pursuant to FOIA, after exhausting their administrative remedies, may seek legal redress from the Federal District Court to enjoin the agency from withholding agency records and to order the production of any agency records improperly withheld from the complainant.

8. Regarding the names of the FOIA requesters, the courts have held that under the FOIA requesters do not have an expectation of privacy. *Stauss v. IRS*, 516 F. Supp. 1218, 1223 (D.D.C. 1981),

9. Under FOIA, the federal agency has the burden of sustaining its actions. 5 U.S.C. § 552(a)(4)(B).

10. Pursuant to FOIA, a Court may assess attorney fees and litigation costs against the United States if the Plaintiff prevails in an action thereunder. 5 U.S.C. § 552(a)(4)(E).

11. Department of Justice (DOJ) has issued a handbook addressing FOIA Annual Reports. *See DOJ, Handbook for Agency Annual Freedom of Information Act Reports*, “Disposition of FOIA Requests,” (available at http://www.justice.gov/sites/default/files/oip/pages/attachments/2014/11/04/department_of_justice_handbook_for_agency_annual_freedom_of_information_act_reports.pdf) (“DOJ Handbook”).

12. Among other things, the DOJ Handbook states, “All requests (perfected and non-perfected), appeals, and consultations that were pending at any time during the relevant fiscal year [October 1st through September 30th] will be captured.”

13. The DOJ Handbook also states:

“[E]ach agency is ultimately responsible for the accuracy and completeness of its Annual FOIA Report. It is therefore essential for agencies to take steps that will ensure that they are adequately tracking all of the information necessary to complete the Annual FOIA Report sections detailed below. Agencies that utilize a tracking or case management system for this purpose are responsible for ensuring that the system they are using can produce an accurate Annual FOIA Report that is in compliance with the law and Department of Justice guidance.” DOJ Handbook, at 3.

I believe that I have adequately described the records that I am seeking.
