In regards to the above referenced San Diego letter advising that the address 6523 Celia Vista Drive, San Diego, California, is the residence of TROY HAROLD HOUGHTON. HOUGHTON has been previously interviewed by the San Diego Office and has admitted that he is the California Coordinator of the "Minutemen" and he has furnished certain information concerning this organization which has been previously reported by San Diego.

In late 1963 and early 1964 [redacted] (Los Angeles file 134-2464), 4123 Hill Crest Drive, Los Angeles, California, was under development as a PSI. [redacted] indicated a desire to this office to attend some meetings of "leftist" type organizations. During a background investigation of [redacted] it was learned that records of the Prothonotary's Office, City Hall, Philadelphia, Pennsylvania, disclosed that a divorce action had been instituted by plaintiff, MARY L. FLEISHMAN, against [redacted] defendant. One of plaintiff's grounds for divorce was that defendant would bite plaintiff all over her body drawing blood. Another ground was that defendant would turn off the lights in the house and come after her with a knife attempting to scare her. On several occasions defendant choked plaintiff. In view of the above, investigation was discontinued by the Los Angeles Office concerning [redacted]

OTHER 4

A search of the National Stolen Property Act File, FBI Headquarters, Washington, D.C., disclosed that weapons in possession of HAROLD ADELBERT SCHLAPIA, aka. at the time of his arrest on June 28, 1964 by the Ventura County Sheriff's Office disclosed no record.

SA JOHN EDWARD DAILEY determined that the Antelope Valley Substation of the Los Angeles County Sheriff's Office, Lancaster, California, had no information concerning this organization.
