Dear Mr. Steinbaugh,

Please find attached with this correspondence the 14th Circuit Solicitor's Office response to your Freedom of Information Act request, received April 26, 2022.

1. Your request for Facebook settings for the account <http://www.facebook.com/FourteenthCircuitSolicitorsOffice> is fulfilled by the screenshot "FB general settings 1."
2. The file "blocked" is provided in response to your request for a list of people and pages who have been blocked from our Facebook account. A portion of this screenshot has been blurred so as not to reveal information about these six accounts. Their identities are exempt from disclosure under Section 30-4-40 (2), which does not obligate the release of information that would constitute an unreasonable invasion of personal privacy.
3. We have provided the screenshot "FB administrators" to fulfill your request for our Facebook page roles. We have two people with administrative access necessary to manage the account. Their identifying information has been blurred because these are personal accounts that are not themselves subject to FOIA and also exempt from disclosure by the Solicitor's Office under Section 30-4-40 (2).
4. The file "twitter blocked" is provided in response to your request for a list of people who have been blocked from our Twitter account, <https://twitter.com/14thSolicitor>. As with Item 2 above, it has been blurred to prevent disclosure of information that is exempt under Section 30-4-40 (2).
5. The document "Social Media Policy Sheet" is signed by employees and fulfills your request for "any policy concerning public use of or interaction with the general public."

We are waiving fees for your request.

Best regards,

A handwritten signature in black ink that reads "Jeffrey D. Kidd". The signature is written in a cursive style with a large, prominent "J" and "K".
