Can you connect with Mike Redman? The non-profit food providers are dumping a lot of trash on the street. Police are concerned about rats. Thanks

I'm on it.

MLB asked the DPW steam clean the sidewalks in the Hayes valley. She walks home and is stepping over a lot of poop

4/3/20 6:15:29 PM PDT

Okay. We've been spending so much time focusing on the TL and Mission I know things are slipping elsewhere...especially with more and more folks calling in sick.
Have a good night.

4/14/20 4:59:24 PM PDT

Okay, I'm building a list of projects that we should review with him at some point within the next week or so.

I'm not sure if it's been elevated to you yet but I'm talking to Suzanne/Judson and will resolve the Mission Rock log jam.

By the way, I'll have a draft of the Public Works Action Plan ready to discuss with you next week. The first part will focus on street conditions and the next two components I'll be working on will be: (1) permitting process improvements; and (2) reporting/accountability.
