Conversation with Sean

Hi it's Laurel. Are you calling Laura Albers? Do you want me to? If so, can I have her #?

 I already did. I also spoke with Brandon Shorenstein, Clint Reilly, Mark covaribus, Rodney, jim winderman, and left a message for Marc Intermaggio

Thanks.

I talked to Marc directly.

Hi! FYI - Just received this from Miguel Bustos via text - Dear All, As you may know, I am a CA Census Committee Commissioner, appointed by Gavin. And I have to tell you that we are all upset with Adrienne Pon. She has been a horrible partner with regards to the Census. She and her office do not return calls, nor have they been helpful to our Census team. It saddens me that San Francisco is being seen as a disaster by the rest of the state. All because Adrienne is refusing to partner. I am lost for words.

Good grief! Have Miguel contact me.

Good morning Mayor,  
I wanted to highlight a memo on nonprofit initiative that is in your file for review. It includes one award, new RFP, and update on Chinatown item that you've discussed with David Ho and Sandra Fewer.
