Dear Mayor's Office and Hank Heckel,

Immediate Disclosure Request

The relevant period for this request is records prepared, sent, or received from Jan 14, 2020 to Dec 14, 2020 (inclusive).

Rolling responses working backwards from the present, and exact copies (in full-fidelity, exact copy, PDF format - WITH BCC fields from the sent folder of any employee of DPW - but headers other than To/From/Cc/BCC/Sent/Subject are not requested at this time) are requested.

D-1. All communications between Hank Heckel and anyone outside the Mayor's Office regarding items 2, 3, 5, or 6 of the attached agenda. Just because a DCA is on a thread does not make it privileged unless the DCA is being asked or is providing confidential legal advice. Adding a DCA to a random thread does not make the prior convos privileged.

D-2. Every copy, final or draft, and every version thereof, of the "SOTF amendment proposal" mentioned in the attachment

Please provide only those copies of records available without any fees. If you determine certain records would require fees, please instead provide the required notice of which of those records are available and non-exempt for inspection in-person if we so choose. Please use email for all responses. I will not use any third-party records management private company's website requiring legal agreements beyond the CPRA's requirements, and I cannot be required to do so. If you publish records using such service, they must be completely publicly accessible without login or agreement to terms.

Remember to justify all withheld records, indicate whether each request had responsive records, and provide footnote or other clear reference to justification for every masking or deletion of exempt information.

NOTE: Please be certain you have properly redacted all of your responses. Once you send them to us, there is no going back. The email address sending this request is a publicly-viewable mailbox. All of your responses (including all responsive records) may be instantly and automatically available to the public online via the [MuckRock.com](https://www.muckrock.com) FOIA service used to issue this request (though the requester is an anonymous user, not a representative of MuckRock). Nothing herein is legal, IT, or professional advice of any kind. The author disclaims all warranties, express or implied, including but not limited to all warranties of merchantability or fitness. In no event shall the author be liable for any special, direct, indirect, consequential, or any other damages whatsoever. The digital signature, if any, in this email is not an indication of a binding agreement or offer; it merely authenticates the sender. Please do not include any confidential information, as I intend that these communications with the City all be disclosable public records.

Sincerely,
Anonymous
