RE: SF Sunshine Ordinance petition against FAMSF- #79999-B

To the Supervisor of Records of the City and County of San Francisco:

NOTE: Every response you send or provide (including all responsive records) may be automatically and immediately visible to the general public on the MuckRock.com web service used to issue this request. (I am not a representative of MuckRock)

This is a new distinct petition under SF Admin Code (SFAC) 67.21(d) for a written determination that records are public. This petition is in addition to the petition¹ sent on Sept. 12 re: FAMSF (#79999 rev 2), and they consider different issues. The Exhibits of that prior petition are incorporated herein; please consult them to see the wording of the request.

Records improperly withheld

I asked for “all legal/contractual relationships” between FAMSF/City and FAMF/COFAM. On Sept. 23, Ms. Powers of FAMSF stated:

In addition, it has come to my attention, regarding your Request #1 for all contracts between FAMSF (or the City as a whole) and COFAM, that there is one additional responsive document. However, that document is being withheld due to privacy concerns. Cal. Const. Art. 1 § 1; Cal. Govt. Code § 6254(c); San Francisco Admin. Code § 67.1(g); San Francisco Admin Code Chapter 12M.2.

How could a contract between a public agency and a non-profit corporation or trust be shielded by privacy? The document must be produced, and only the minimal private information redacted.

Request for relief

There is no mootness provision in the Sunshine Ordinance. Please issue a determination regarding this single record.

Sincerely,

Anonymous
