Immediate Disclosure Request

Thank you for the PDF emails.

For #3, your denial is carefully worded ("relevant personal accounts used for city business"), so I am going to phrase my request in a way that avoids any wiggle-room:

4. all emails in the thread "Invoice: London's Pride Float" (i.e. with that subject or its replies or forwards) from the account londonbreed at gmail dot com , as purported to exist here: [https://2zwmzkbocl625qdrf2qqqfok-wpengine.netdna-ssl.com/wp-content/uploads/2020/02/20607505\\_web1\\_201902-sfe-ONGUARD-breedbovis\\_3.jpg](https://2zwmzkbocl625qdrf2qqqfok-wpengine.netdna-ssl.com/wp-content/uploads/2020/02/20607505_web1_201902-sfe-ONGUARD-breedbovis_3.jpg) - You have stated this is a governmental purpose so if it exists, it must be provided.

5. all emails in the thread "Invoice: London's Pride Float" (i.e. with that subject or its replies or forwards) from any London Breed SFGOV email account - You have stated this is a governmental purpose so if it exists, it must be provided.

NOTE: Supervisors must retain accounting records for ~5 years. 5 years would be June 2020. <https://index.sfgov.org/taxonomy/term/30>

Either the answer is you have responsive records or you don't. A denial that isn't clear will be appealed. This should plainly be answerable in an IDR.

Thank you for the response.

I'm unsure why you have returned to printing and scanning these documents. Even if you can't use PDFMaker for Gmail, you can surely directly "Print" them to normal PDFs that preserve all textual/image content with any modern computer/browser.

Did you withhold any of the attached files in any of those documents?

We will also dispute all of the attorney-client privilege redactions. It's unclear whether the attorneys represent the City or Mayor Breed or some other party, given your office's apparent dissemblance on whether this is government work or as one of the contract states on behalf of Mayor Breed "individually." Regardless, given that representatives of multiple counterparties are on this thread, what privilege, if any existed, appears to have been waved by prior disclosure.
