WhAt is this a about? Mayor has just been asked about this on live television and we don't know about it. What do I need to know to brief her before she calls and yells at PUc for not briefing her?

   SAN DIEGO (AP) -- The Latest on President Donald Trump in California (all times local):

   10:15 p.m.

   President Donald Trump says the Environmental Protection Agency will be "putting out a notice" of violations in San Francisco related to its homeless population.

   Trump told reporters Wednesday aboard Air Force One that a tremendous amount of waste, including needles, is going through storm drains into the ocean.

   He says: "It's a terrible situation that's in Los Angeles and in San Francisco. And we're going to be giving San Francisco -- they're in total violation -- we're going to be giving them a notice very soon."

   Trump says: "They have to clean it up. We can't have our cities going to hell."

   Trump is returning to Washington after two days of fundraising in California.

Jeff Creatan is getting blown up by the press. Is this the EPA question hanging over us?
