To Whom It May Concern:

Pursuant to the Massachusetts Public Records Law, I hereby request the following records:

- Copies of Memorandums of Understanding (MOUs), Memorandums of Agreement (MOAs), and Non-Disclosure Agreements (NDAs) with Grayshift.
- Copies of Memorandums of Understanding (MOUs), Memorandums of Agreement (MOAs), and Non-Disclosure Agreements (NDAs) between your agency and Magnet Forensics.

In order to help to determine my status to assess fees, you should know that I am a journalist writing for Motherboard, VICE's science and technology site, and that this request is being made as part of news gathering.

I also request that, if appropriate, fees be waived as we believe this request is in the public interest, as suggested but not stipulated by the recommendations of the Massachusetts Supervisor of Public Records. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a representative of the news media/press and is made in the process of news gathering and not for commercial usage.

I expect the request to be filled in an accessible format, including for screen readers, which provide text-to-speech for persons unable to read print. Files that are not accessible to screen readers include, for example, .pdf image files as well as physical documents.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 business days, as the statute requires.

Sincerely,

Joseph Cox
