HOW TO REQUEST A PUBLIC RECORD FROM DMV

Due to dedicated funding sources, DMV may not waive its fees for furnishing public records. [39 Op Atty Gen 61 (1978) Manual at 14] A requester who believes there has been an unreasonable denial of a fee waiver or fee reduction may petition the Attorney General.

General information about DMV records

As described in Oregon Revised Statute 192.420, every person has a right to inspect any public records of a public body in this state, except as otherwise expressly provided by Oregon's Public Records Law and Oregon's Records Privacy Law (ORS 802.175-802.191). (ORS 192.501 through 192.505)

DMV will provide copies of the public record in the format requested, if available. If the public record is not available in the format requested, it will be made available in the format in which is maintained.

DMV will certify true copies of public records upon request. A reasonable period, as determined by DMV, shall be allowed for the records to be located and assembled.

Oregon Administrative Rule 735-010-0000

- (1) ORS 192.440 provides that any public body may establish fees reasonably calculated to reimburse it for actual costs in making records available to the public, government agencies or commercial firms.
- (2) The Driver and Motor Vehicle Services Division of the Department of Transportation (DMV) shall use the following to calculate the actual cost of providing a public record:
 - (a) All computer costs. This includes programmer/analyst services, magnetic tapes, and time to run and produce the required record;
 - (b) All time spent by staff to produce a record. This includes phone time, typing, data entry, and search efforts;
 - (c) A pro-rata share of DMV's overhead expense; and
 - (d) All materials which are used to provide a record.

To Whom It May Concern:

Pursuant to the Oregon Public Records Law this is a request for records on behalf of Wired magazine, a leading media outlet covering technology and society for more than 25 years. I hereby request the following records:

- 1. Copies of any contracts, memoranda of understanding, or any other agreements between Apple, manufacturer of the iPhone, and the Department of Transport or Driver and Motor Vehicles Division.
- 2. Copies of all emails, including attachments, between Apple and the Department of Transport or Driver and Motor Vehicles Division between July 1, 2021, and the present date.

This request is being made for news-gathering purposes and the requested documents will be made available to the general public. Government spending on security technology is a clear matter of public interest. As such, I request a waiver from any fees that would ordinarily be assessed for fulfilling this request.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 business days.

Sincerely,

Tom Simonite
