To Whom It May Concern:

Pursuant to the Massachusetts Public Records Law, I hereby request the following records:

Please provide 1) all body-camera-footage and any other police-vehicle-camera or EMS-vehicle-camera footage from the police officers who engaged in the April 14, 2022 crimes of wrongful house-entry, false-claims, deception and intimidation of family and all in home, wrongful capture, false-arrest, physical manhandling, forced-medical-kidnapping, wrongful detainment, personage, barratry, forced-transport, forced-restraining, and unlawful incarceration in a Brewster EMS ambulance and thence Emergency Room and Psychiatry Wing 4 Southeast at Carney Hospital, Dorchester, Boston area in harmful and grievous conditions (conducive to neither physical nor mental health care) for 6 days of the living woman verbally denying consent and jurisdiction, who had committed no crime, was involved in no crime, and had made no threats of crime, whose words were ignored, from the home at ~154 Pine Street in Quincy, Massachusetts; 2) all names of the QPD police officers and accompanying employees, as well as the Brewster EMS employees involved; 3) a record of all communications, written or spoken, logged, between the police officers, QPD, Brewster EMS, and Carney Hospital which sadly facilitated this false-arrest and kidnapping to Carney ER and 4 SouthEast on false-claims; 4) a record of the clearly-partial video-recording from the woman at 153 Pine Street which accompanied this false-claim, was apparently given to QPD officers, and was later shown to numerous personnel at Carney Hospital, including the medical staff, and was used falsely to support the false-claims made by QPD to family members of the living woman at ~154 Pine Street.

This is a media request--with media intent to publish all footage and information for purposes of journalism and public awareness--and so I request all fees be waived. A flash drive or electronic .mp4 file would be preferable, but please advise if other formats are available.

I also request that, if appropriate, fees be waived as we believe this request is in the public interest, as suggested but not stipulated by the recommendations of the Massachusetts Supervisor of Public Records. The requested documents will be made available to the general public free of charge as part of the public information service at MuckRock.com, processed by a representative of the news media/press and is made in the process of news gathering and not for commercial usage.

I expect the request to be filled in an accessible format, including for screen readers, which provide text-to-speech for persons unable to read print. Files that are not accessible to screen readers include, for example, .pdf image files as well as physical documents.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 business days, as the statute requires.

Sincerely,

Ramola Dharmaraj
