Optometrists, Occupational Therapists, Social Workers, Family therapists, Psychologists, Anesthesia Techs, Radiology Techs and so on. All types of practitioners from all dates electronically available would be appreciated. Specific items to be included in data set:

1. Provider name
2. National Provider Identification (NPI) number
3. Arizona State Healthcare License number and initial date of issuance or expiry (if available/applicable)
4. Education / School/Training, if available

7. Specialty
8. Practice Location

If there are any fees for searching or copying these records, please email me if the cost will exceed \$50. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's healthcare transparency, fairness and public awareness.

The law requires that you respond to and fulfill this request "as promptly as possible." If you expect a significant delay in responding to and fulfilling this request, please contact me by phone or via email with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Sincerely,

Kamran Ahmed
