Subject: Michigan Freedom of Information Act Request: Untitled (Barry-eaton District Health Department)

To Whom It May Concern:

Pursuant to the Michigan Freedom of Information Act, I hereby request the following records:

Please send data reporting numbers of deaths from COVID-19 and/or complications associated with COVID-19, between Jan. 1, 2020 and March 31, 2021, of residents of facilities which are licensed by Michigan Bureau of Licensing and Regulatory Affairs (LARA) to care for 12 residents or fewer. This includes deaths among residents of Adult Family Homes with capacity of 1-6, Adult Medium Group Home with capacity 7-12, Adult Small Group Home with capacity of 1-6, and other Adult Foster Care home licensed to care for 12 residents or fewer.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as the statute requires.

Sincerely,

Nathan Payne

It's not that we don't have the information, it just isn't easily accessible.
It would take some digging to find the licensed AFC's that are licensed under 13 and try to match their addresses with MDSS.

Subject: LOOKING FOR DATA?

I received the attached request for Covid related deaths. Do you have the requested data or should I direct them directly to MDHHS and LARA?

Thank you,
