17:04:20	WHITTENBURG, JOSHUA - 3223 - RP stated that she is calling again today because Mike Elliott has custody of their daughter but she is supposed to have supervised visits on Saturdays and Sundays 1200-1700 at Perspectives in St. Louis Park. Yesterday Elliott stated that there weren't any visits scheduled and RP is saying today that there are supposed to be visits scheduled every weekend. RP wanted incident documented and it was suggested that she consult with an attorney also. Elliott stated that after yesterday's call, he emailed Perspectives. I called Elliott and advised him of what RP is saying and I advised him to call Perspectives to make sure there wasn't any visits scheduled. Elliott called me back stating he called Perspectives and there is a recording that all supervised visits have been suspended until further notice due to covid.
